It allows a student to observe in detail how an accomplished jazz pianist plays with a group, creates solos and accompaniments ("comping"), and constructs jazz harmonic treatments through chord substitutions and special voicings. Noreen Grey Lienhard, an award-winning jazz pianist and one of the most widely published jazz educators, has created this book and compact disc collection of ten truly wonderful jazz standards in ballad, Latin, and up-tempo settings. In addition to the transcribed solos, this volume contains a typical lead sheet styled section for all ten tunes, often with Noreen's suggested chord voicings.
