Alan Dawson was a legendary drummer and educator, known for his work with the top artists in jazz as well as for his 18-year association with Berklee College of Music. This new text and online audio combination was put together by John Ramsay, a prominent drummer in his own right and a

former student of Dawson's. The book contains all the important techniques and concepts that Alan Dawson embraced in his own playing and subsequently taught to his students. The recordings include some remastered audio examples from actual lessons taught by Dawson himself over the years. This is a highly comprehensive textbook from a jazz master.

is the original
classic, often called
the bible of drumming.

In 1993, *Modern Drummer* magazine named it one of the top 25 drumming books of all-time. In the words of the author, this is the ideal book for improving "control, speed, flexibility, touch, rhythm, lightness, delicacy, power, endurance, preciseness of execution, and muscular coordination," with extra attention given to the development of the weak hand. This indispensable book for drummers of all types includes hundreds of

basic to advanced
rhythms and moves
through categories of
single-beat
combinations, triplets,
short roll
combinations, flam
beats, flam triplets
and dotted notes, and
short roll
progressions.

The Fun Drum Book for Kids will have you

smiling, grooving and playing music in no time! This easy-to-follow drum method will help you unleash your creativity with or without a drum set! Perfect for beginners of all ages, it's also a great tool for parents to teach their kids. Learn to play essential rudiments, classic rock grooves, familiar children's songs, exciting drum fills and even

creative solos in this colorful children's drumming book! Overflowing with pictures and diagrams, this step-by-step method is designed to keep the student's attention and produce results. Based on my nearly 20 years of teaching experience, this unique approach is guaranteed to provide hours of focused practice and play for anyone interested in the wide world of

drumming.

Drummin' Men Hal Leonard Corporation
?The Singer?s Drummer? chronicles the music and times of Harold Jones, a world class musician whose career spans the last five decades of jazz and big band swing music. This book highlights Jones' career as he evolved into the drummer of choice

for some of our most popular vocal headliners he has legends. But it is about much more than that. It also gives us an entertaining insight into life on the road and is filled with Harold's insightful, sometimes humorous, anecdotes and musings about the famous sidemen, legendary jazz musicians and vocal

known; featuring more than 100 photos of his renowned friends. Read 'The Singer's Drummer' and learn why Paul Winter called Harold the 'Michael Jordan of young jazz drummers in Chicago.' Read why Harold became acknowledged as 'Count Basie's favorite drummer.' And why Tony Bennett says 'This

book is a knockout! I am happy that someone is finally putting together a history of what really happens on the road!?

Michael Green and Danny Gottlieb have compiled a definitive treatise on modern jazz drumming. Through phrase-based musical examples, Green and Gottlieb

explore the styles of Tony Williams, Elvin Jones and Jack DeJohnette. Exercises are designed to develop coordination, sound sensitivity and creative exploration and are inspired by the comping and soloing of the aforementioned jazz masters.. Musical examples are phrase-based. the book includes sections on time studies and phrases for students of any level. Over two and a half -hours of audio accompany the text. Music is presented in standard percussion notation.

The ultimate play along for jazz drummers LSU Press A professional rhythm workbook researched from commercially released records as played by today's top studio drummers. The styles covered include commercial funk rhythms, reggae (authentic and funk), unusual time signatures, funk sambas, southern funk beats, and fusion funk.

The Drummer's Workbook Alfred Music

In 1942, drummer Viola Smith sent shock waves through the jazz world by claiming in *Down Beat* magazine that "hep girls" could sit in on any jam

session and hold their own. In *Women Drummers: A History from Rock and Jazz to Blues and Country*, Angela Smith takes Viola at her word, offering a comprehensive look at the world of professional drumming and the women who had the courage and chops to break the barriers of this all-too-male field.

Combining archival research with personal interviews of more than fifty female drummers representing more than eight decades in music history, Smith paints a vivid picture of their struggles to overcome discrimination—not only as professional musicians but in other parts of their lives. Women

Drummers outlines the evolution of female drumming from pre-biblical times when women held important leadership roles to their silencing by the church during the Middle Ages to spearheading the fight for women's rights in the modern era. The stories and personal accounts of female drummers who bucked

tradition and societal norms are told against the backdrop of the times in which they performed and the genres they represented, from rock and jazz to blues and country. Although women have proven time and time again that they can more than hold their own against their male counterparts, female drummers not

only remain a minority, but their contributions have been obscured by the traditional chauvinistic attitudes in the music business and gender stereotypes that surround the drum itself as a "male" instrument. Women Drummers takes a major step forward in undoing this misconception by acknowledging the talent,

contribution, and growing power of women drummers in today's music environment. Studio Funk Drumming Alfred Music
When the African-American dancer Josephine Baker visited Berlin in 1925, she found it dazzling. "The city had a jewel-like sparkle," she said, "the vast cafés reminded me of

ocean liners powered by the rhythms of their orchestras. There was music everywhere." Eager to look ahead after the crushing defeat of World War I, Weimar Germany embraced the modernism that swept through Europe and was crazy over jazz. But with the rise of National Socialism came censorship and

proscription: an art form born on foreign soil and presided over by Negroes and Jews could have no place in the culture of a "master race." In *Different Drummers*, Michael Kater--a distinguished historian and himself a jazz musician--explores the underground history of jazz in Hitler's Germany. He offers a

frightening and fascinating look at life and popular culture during the Third Reich, showing that for the Nazis, jazz was an especially threatening form of expression. Not only were its creators at the very bottom of the Nazi racial hierarchy, but the very essence of jazz--spontaneity, improvisation, and,

above all, individual eloquent form of
lity--represented a social protest,
direct challenge to Kater mines a trove
the repetitive, of previously
simple, uniform untapped archival
pulse of German records and
march music and assembles
indeed everyday interviews with
life. The fact that surviving witnesses
many of the most as he brings to
talented European life a little-known
jazz artists were aspect of wartime
Jewish only made Germany. He
the music more introduces us to
objectionable. In groups such as the
tracing the growth Weintraub
of what would Syncopators,
become a bold and Germany's best
indigenous jazz
band; the Harlem
Club of Frankfurt,
whose male members
wore their hair
long in defiance of
Nazi conventions;
and the Hamburg
Swings--the most
daring radicals of
all--who openly
challenged the
Gestapo with a
series of mass
dance rallies. More
than once these
demonstrations
turned violent,

with the Swings and the Hitler Youth fighting it out in the streets. In the end we come to realize that jazz not only survived persecution, but became a powerful symbol of political disobedience--and even resistance--in wartime Germany. And as we witness the vacillations of the Nazi regime (while they worked toward its ultimate extinction, they used jazz for their own propaganda purposes), we see that the myth of Nazi social control was, to a large degree, just that--Hitler's dictatorship never became as pure and effective a form of totalitarianism as we are sometimes led to believe. With its vivid portraits of all the key figures, *Different Drummers* provides a unique glimpse of a counter-culture virtually unexamined until now. It is a provocative account that reminds us that, even in the face of the most unspeakable oppression, the human spirit endures.

a Big Band** Alfred

Music
Burt Korall is widely
recognized as the
most authoritative
writer on jazz
drumming. His first
book *Drummin'
Men--The Heartbeat of
Jazz: The Swing Era*
is considered a
classic. Now, in this
exciting sequel,
Korall offers a
richly informative
history of drumming
in the Bebop era.
Korall looks at this
music through the
eyes of the musicians

themselves, covering
a whole range of
important jazz
drummers, but
focusing upon the
most original and sig
nificant--principally
Kenny Clarke, Max
Roach, and Art
Blakey. Korall
provides a
knowledgeable
background about the
history of bebop--and
the unfortunate and
almost universal
heroin addiction that
swept through the
jazz world in the

wake of Charlie
Parker's habit. The
book contains
Korall's own memoir
of nearly 50 years in
the jazz world,
linked by his
narrative of the
careers of these
drummers and their
place in the bebop
jazz scene.
