New Orleans is so much more than the Bourbon Street scenes you may have seen—it's a 300-year-old city made up of vibrant neighborhoods, diverse populations, and traditions layered upon each other. World class food is available not only in our famous restaurants, but in corner restaurants across the city. Mardi Gras is the party we throw for ourselves, but invite the world to take part in. If partying with 1,000,000 friends is not your style, there are festivals nearly every week of the year to suit your taste and interests. Join Mark Bologna, host of the popular *Beyond Bourbon Street* podcats and curator of the Instagram page of the same name, as he explores the people, places, music, history and culture that make New Orleans unique.

Costa Rica Footprint Focus Guide Equator
Amazing Asheville by Lan Sluder is the new guidebook to Asheville and the beautiful North Carolina Mountains. It candidly covers all the best places to stay, eat and explore in Asheville's exciting Downtown and surrounding neighborhoods, and elsewhere in the North Carolina mountains. In more than 150,000 words, it also covers the Great Smoky Mountains National Park, the Blue Ridge Parkway, Biltmore House and Biltmore Estate and the hundreds of thousands of acres of national and state forests in Western North Carolina. This is THE guide that gives you the ins and outs of enjoying the mountains and saving money on your Asheville and North Carolina mountains vacation. Written by an Asheville native and award-winning author of more than a dozen books on travel and retirement, Amazing Asheville provides readable, easy-to-use information on Asheville's many B&Bs, mountain lodges, resorts and vacation cabins. It tells you where to find great food and drink -- from bistros where locals go to five-star splurge places. It explains where to go for the most amazing experiences for your vacation. Amazing Asheville doesn't just stick to the city of Asheville. It covers many interesting small towns and villages in the mountains around Asheville. It details where to go for the best outdoor activities in the Blue Ridge Mountains -- hiking, scenic drives, camping, wildlife spotting, birding, river rafting, boating, gem mining, fishing, rock climbing, exploring waterfalls and the backcountry, and more. Whether your interest is outdoor adventures, art and crafts, clubbing and nightlife, music and culture, architecture, outdoor adventures or just having fun in the highest, coolest mountains and most-visited national parks in the East, Amazing Asheville is the guide for you.

The Rough Guide to the USA Anniversary Collection

If you are looking for evidence for the belief that size is not everything then Costa Rica should be your first port of call. What Costa Rica lacks in size, it more than makes up for in wildlife, scenery and adventure. Visit Costa Rica and you'll experience a

tropical paradise of jungles and lagoons, thermal pools and Caribbean beaches; a land where hummingbirds congregate to drink nectar and sacred quetzal birds hide in treetops. Footprintfocus Costa Rica is brimming with information on adventure activities from diving to trekking, eco-friendly options for accommodation and comprehensive listings of where to eat, sleep and drink. • Essentials section with tips on getting there and around. • Includes fascinating insights into the history and culture of the country. • Comprehensive listings of where to eat & sleep, plus information on festivals and activities. • Detailed street maps for San José and other important towns and cities. • Slim enough to fit in your pocket. Loaded with advice and information, this concise Footprintfocus guide will help you get the most out of Costa Rica without weighing you down. Rowman & Littlefield

Written by locals, Fodor's travel guides have been offering insider tips and advice for all tastes and budgets for 80 years. Fodor's Colorado highlights the best this playground for nature lovers has to offer: the majestic Rocky Mountain National Park, Denver's cultural riches, and the winding trails and raging rivers perfect for outdoor enthusiasts looking to bike, raft, horseback ride, or fish. Every recommendation has been vetted by a local Fodor's expert to ensure travelers plan the perfect trip, whether skiing the champagne powder of the Rocky Mountains or setting out on an urban adventure in cool cities like Boulder and Aspen. The underlying promise of every exciting medical discovery, diet, and exercise program is the same: do this, buy this, or eat this and you will look better, live longer, and be healthier. But few books can make the promise of this one: if you adapt these five simple, virtually-free suggestions you will live a longer and healthier life, guaranteed. This is no fad study. Each of the recommendations outlined in this book has been proven by an overwhelming number of tests, trials, and studies to

increase health and lifespan. There are no gimmicks, no catches, no ifs, ands, or buts. Presented by a trusted expert, Dr. Sanjiv Chopra's *The Big Five* includes easily digestible data and startling results from real studies conducted by reputable universities and involving thousands of subjects. Readers of *The Big Five* can see for themselves that, without a doubt, these five simple actions offer many more proven benefits than the latest expensive supplements, fad diets, jazzy exercise programs, and state-of-the-art gym equipment.

Paper Towns Hal Leonard Corporation
The *Perfect Servant* reevaluates the place of eunuchs in Byzantium. Kathryn Ringrose uses the modern concept of gender as a social construct to identify eunuchs as a distinct gender and to illustrate how gender was defined in the Byzantine world. At the same time she explores the changing role of the eunuch in Byzantium from 600 to 1100. Accepted for generations as a legitimate and functional part of Byzantine civilization, eunuchs were prominent in both the imperial court and the church. They were distinctive in physical appearance, dress, and manner and were considered uniquely suited for important roles in Byzantine life. Transcending conventional notions of male and female, eunuchs lived outside of normal patterns of procreation and inheritance and were assigned a unique capacity for mediating across social and spiritual boundaries. This allowed them to perform tasks from which prominent men and women were constrained, making them, in essence, perfect servants. Written with precision and meticulously researched, *The Perfect Servant* will immediately take its place as a major study on Byzantium and the history of gender.

Includes Península de Osa, Tortuguero, Volcán Arenal, Monteverde Penguin Group USA
This exhaustively researched work offers detailed information on more than 1,100 recordings spanning 55 years of Count Basie's performances. It also provides extensive cross-referenced listings of tunes, musicians, soloists, and arrangers, and an itinerary of the band's engagements from the time Basie left Kansas City in 1936 to his death in 1984. The main text consists of chronologically arranged, annotated entries on five different categories of recordings: commercial sessions, electrical transcriptions for use by radio stations, broadcasts recorded privately or held in radio or television archives, films and videos, and location recordings of engagements. The text is enlivened by comments on musical significance, personnel changes, and relevant news events of the day, as well as pertinent anecdotes. An appendix lists all known micro-groove issues of Count Basie performances, cross-referenced to the main text. The band itinerary, contained in a second appendix, provides an account of engagements in clubs and concert halls, at jazz festivals and racetracks, and even aboard ocean liners. A wealth of cross-referenced material is contained in five separate indexes covering all known films and videos in which Basie took part; radio and television performances; arrangers whose work has colored the Count Basie orchestra repertoire; musicians, vocalists, and other voices heard in the sessions listed; and tunes played, together with composer, lyricist, and year of composition. The volume also includes a bibliography.
