Re: Would you buy a JCB
1550B? The price is on
the higher side, but there
simply are very few
backhoes forsale. 70's
CASE machines are
selling around
\$7000-\$8000 at the
moment. I have been
looking at some in
Quebec/Ontario but
buying sight unseen and
having it shipped is not
what I want to consider,
but may have to, at some
point.
