Description. The extraordinary life of Jean-Jacques Rousseau, the eighteenth-century

literary genius who changed the course of history, traced with novelistic verve.  
Jean-Jacques Rousseau : Restless Genius - Walmart.com  
...

For the first 37 years of his life, Rousseau had not revealed himself as the genius in the subtitle, though he was certainly restless: constantly on the move physically and psychologically highly labile. One wonders, in fact, how interested one would be in those 37 years if he had not shown himself a genius thereafter.

The philosopher Jean-Jacques  
Rousseau burst unexpectedly  
onto the eighteenth-century  
literary scene as a

provocateur whose works  
electrified readers. An  
autodidact who had not  
written anything of  
significance by age thirty,  
Rousseau seemed an unlikely  
candidate to become one of  
the most influential thinkers  
in history.

9780618446964 - *Jean-jacques Rousseau: Restless Genius* by ...

A restless genius in cosmopolitan Paris, Jean-Jacques Rousseau (1712-1778) contemplated the nature of authenticity and superficiality amidst the salon culture of Enlightenment Paris. Rousseau was...

**Jean-Jacques Rousseau: Restless Genius by Leo Damrosch ...**

Damrosch calls him a 'restless genius' and that is as positive as Rousseau probably deserves. His life was far less eventful than the intellectual and cultural currents which flowed from his writings, but he felt its moments more deeply than anyone might reasonably expect

and built a career on them.

[Amazon.com: Jean-Jacques Rousseau: Restless Genius ...](#)

Motherless child, failed apprentice, autodidact, impossibly odd lover, Jean-Jacques Rousseau burst unexpectedly onto the eighteenth-century scene as a literary provocateur whose works electrified readers from the start. Rousseau's impact on American social and political thought remains deep, wide, and, to some, even infuriating.
