The King's Daughters (French: filles du roi; filles du roy) is a term used to refer to the approximately 800 young French women who immigrated to New France between 1663 and 1673 as part of a program sponsored by King Louis XIV of France. The program was designed to boost France's population both by encouraging male colonizers to settle there, and by promoting marriage, family formation and the birth of children.

[The King's Daughter was originally published in French in 1974 by Montreal publishing company Fides under the name Jeanne, Fille du Roy. In 1980, it was translated into English by Margaret Rose and David Toby Homel then re-published under the name The King's Daughter by Greenwood Books. During the early 1990s the book was challenged for its content and subsequently in 1994 it was re-printed with the offensive passages edited out and included a warning about the content of the book.](#)
