Success Mantras of NEET/ JEE Toppers with Video Support Results of a survey said that the difference between Topper & an Average student is not much in terms of Subject knowledge, intelligence or hard work, but the major difference is in terms of study techniques and approach towards exam. Hard work should bring success but only when coupled with efficient and appropriate study techniques. The book is based on success story of hundreds of toppers of different exams. The book/seminar recapitulates and reinforces the basic study techniques adopted by toppers and helps in mastering skills & techniques to learn more in less time and with less stress. Some of the topics covered • How to master Fundamentals • How to sharpen Problem solving skills • Improving your Output (Net Score) • Tips and techniques on “ How to attempt a Question paper? ” And many more ideas/ tips to improve your score and maximise your output.
