What is the point? What is the purpose of life? Why must I suffer the stress, and

---

anxiety that comes with it? Why does it all seem so hard and so unfair? If you have asked yourself any of these questions, then you have found the book you are looking for. There are answers to all of these questions and Anderson Silver has compiled teachings from Stoicism and other schools of thought in *Your User's Manual*. This refreshing collection not only gives the reader much sought after answers, but also provides the tools for finding purpose, and living an

anxiety-free life in the modern world. Meant as a light read that the reader can come back to and meditate on periodically, Anderson has done a wonderful job of condensing fundamental teachings, making *Your User's Manual* a straightforward read in answering life's most pressing questions and recognizing what is truly important.

Strange Case of Dr Jekyll and Mr  
Hyde is the original title of a  
novella written by the Scottish  
author Robert Louis Stevenson that  
was first published in 1886. The  
work is commonly known today as  
The Strange Case of Dr. Jekyll and  
Mr. Hyde, Dr. Jekyll and Mr.  
Hyde, or simply Jekyll & Hyde. It  
is about a London lawyer named  
Gabriel John Utterson who

investigates strange occurrences  
between his old friend, Dr. Henry  
Jekyll, and the evil Edward Hyde.  
The work is commonly associated  
with the rare mental condition often  
spuriously called "split personality",  
referred to in psychiatry as  
dissociative identity disorder, where  
within the same body there exists  
more than one distinct personality.  
In this case, there are two  
personalities within Dr Jekyll, one  
apparently good and the other evil;  
completely opposite levels of  
morality. The novella's impact is  
such that it has become a part of the  
language, with the very phrase  
"Jekyll and Hyde" coming to mean  
a person who is vastly different in  
moral character from one situation  
to the next. John Utterson, a

---

prosecutor, is on his weekly walk with his relative, who proceeds to tell him of an encounter with a man he had seen some months ago while coming home late at night from Cavendish Place. The tale describes a sinister figure named Edward Hyde who tramples a young girl, disappears into a door on the street, and re-emerges to pay off her relatives with 10 pounds in gold and a cheque signed by respectable gentleman Dr. Henry Jekyll (a client and friend of Utterson's) for 90 pounds. Jekyll had recently and suddenly changed his will to make Hyde the sole beneficiary. This development concerns and disturbs Utterson, who makes an effort to seek out Hyde. Utterson fears that Hyde is blackmailing Jekyll for his

money. Upon finally managing to encounter Hyde, Hyde's ugliness, as if deformed, amazes Utterson. Although Utterson cannot say exactly how or why, Hyde provokes an instinctive feeling of revulsion in him. Much to Utterson's surprise, Hyde willingly offers Utterson his address. After one of Jekyll's dinner parties, Utterson stays behind to discuss the matter of Hyde with Jekyll. Utterson notices Jekyll turning pale, yet he assures Utterson that everything involving Hyde is in order and that he is to be left alone. A year passes uneventfully. One night, a servant girl witnesses Hyde beat a man to death with a heavy cane. The victim was MP Sir Danvers Carew, who was also Utterson's client. The

police, who suspect Hyde, contact Utterson. He leads the officers to Hyde's apartment, feeling a sense of foreboding amid the eerie weather (the morning is dark and wreathed in fog). When they arrive at the apartment, the murderer has vanished, but they find half of the cane (described as being made of a strong wood but broken due to the beating) left behind a door. It is revealed to have been given to Jekyll by Utterson. Shortly thereafter, Utterson again visits Jekyll, who now claims to have ended all relations with Hyde. Jekyll shows Utterson a note, allegedly written to Jekyll by Hyde, apologizing for the trouble that he has caused him and saying goodbye. That night, however, Utterson's clerk points

---

out that Hyde ' s handwriting bears a remarkable similarity to Jekyll's own. For a few months, Jekyll reverts to his former friendly and sociable manner, as if a weight has been lifted from his shoulders.

Later, Jekyll suddenly starts refusing visitors, and Dr. Hastie Lanyon, a mutual acquaintance of Jekyll and Utterson, dies suddenly of shock after receiving information relating to Jekyll. Before his death, Lanyon gives Utterson a letter, with instructions that he should only open it after Jekyll's death or his disappearance.

This is a users manual for VSMOKE, a computer program for predicting the smoke and dry weather visibility impact of a single prescribed fire at several downwind locations. VSMOKE is a

---

FORTRAN 77 program that depends on the input in file VSMOKE.IPT to generate output in file VSMOKE.OUT. VSMOKE is based on steady-state Gaussian plume modeling principles compatible with those used by the U.S. Environmental Protection Agency. VSMOKE is uniquely tailored as a plume model for a low to moderate intensity ground fire as an emission source.

Monthly Catalog of United States Government Publications

Cambridge University Press  
A scholarly edition of one of Stevenson's best-known works - the story of a double-life in which the protagonist by day worked as a respectable doctor

and by night roamed the back alleys of old-town London. The Software Encyclopedia LCI This detailed biography of a man who flourished in two very different worlds opens a new doorway into the societies of prerevolutionary France and postrevolutionary Georgia. Christophe Poulain DuBignon (1739-1825) was the son of an impoverished Breton aristocrat. Breaking social convention to engage in trade, he began his long career first as a cabin boy in the navy of the French India Company and later as a sea captain and privateer. After retiring from the sea, DuBignon lived in France as a "bourgeois noble" with income from land, moneylending, and

manufacturing. Uprooted by the French Revolution, DuBignon fled to Georgia late in 1790, settling among other refugees from France and the Caribbean. A community long overlooked by historians of the American South, this circle of planters, nobles, and bourgeois was bound together by language, a shared faith, and the émigré experience. On his Jekyll Island slave plantation, DuBignon learned to cultivate cotton. However, he underwrote his new life through investments on both sides of the Atlantic, extending his business ties to Charleston, Liverpool, and Nantes. None of his ventures, Martha L. Keber notes, compelled DuBignon to dwell long on the inconsistencies between his

---

entrepreneurial drive and his noble heritage. His worldview always remained aristocratic, patriarchal, and conservative. DuBignon's passage of eighty-six years took him from a tradition-bound Europe to the entrepôts of the Indian Ocean to the plantation culture of a Georgia barrier island. Wherever he went, commerce was the constant. Based on Keber's exhaustive research in European, African, and American archives, *Seas of Gold, Seas of Cotton* portrays a resilient nobleman so well schooled in the principles of the marketplace that he prospered in the Old World and the New.

Dr Jekyll is a good person. He is nice, and he has lots of friends. But Mr Hyde is a bad person. He walks in the streets

---

of London at night and does bad things. Why are the two men friends?

Strange Case of Dr Jekyll and Mr Hyde (Illustrated) Gale, Cengage Learning

Accompanied by Dr. Watson, master sleuth Sherlock Holmes has already encountered the evil young hedonist Edward Hyde, and knew he was strangely connected with Henry Jekyll, the wealthy, respectable London doctor. It was not until the Queen herself requested it, however, that Holmes was officially on the case of the savage murder of Sir Danvers Carew -- the blackest mystery of his career! Although Robert Louis Stevenson published his tale of

Jekyll and Hyde as fiction, the hideous facts were true, insofar as Stevenson knew them. Here, then, is the entire firsthand account of that devilish crime as recorded by Dr. Watson, with an explanation of why Holmes's personal involvement had to be kept secret -- until now....
