A Study Guide for Robert Louis Stevenson's Dr. Jekyll and Mr. Hyde Musabooks  
(Spring 2010) This historical novel finds President Reagan at odds with his daughter, Vice President, White House Staff and Cabinet as Ronnie and Nancy try to do the best acting of their lives to leave the White House, alive. (unabridged edition) Our most loved and hated President after Kennedy and before Obama, Ronnie struggles to defeat the ' Evil Empire ' and not lose his mind to Alzheimer ' s dementia. Can he still trust Bill Casey and George Bush, George Shultz, Selwa Roosevelt and Mike Deaver? Can Ronnie find out who's pulling his strings? A fervent anti-Communist and Nazi hater praised by his wife Nancy and ultra-conservatives, groomed by Bechtel Corporation since 1950 and sold StarWars by Dick Cheney and Paul Nitze during the most scandal-ridden presidency in American history, daughter Patti, college students and flower children despised Reagan for supporting the Vietnam War and Contra death squads and felt the Reagan-Bush Administration was run by Nazis. As it turns out, it was. This historical novel documents the foreign policy, national security and monetary policies of the Reagan-Bush Administration were run by Nazis thru the life of character Reinhard Gehlen, Hitler ' s chief of Foreign Armies East intelligence, whom Dulles hired to run and train CIA as Freikorps Nazi death squad torturers, terrorists and assassins who then trained the Contras ...that Gehlen was later handled by Bill Casey (Ronnie's campaign manager) then George Bush (Ronnie's vice president) to fight, exaggerate and invent the Cold War in order to capture the Russian Baku oil fields. Based on

---

autobiographies of the Reagan family, Cabinet, and White House Staff, the 650-page book includes a 250-page epilog of documentation and a 50-pg researchers' index, footnotes, and an extensive appendix including charts from: Staff Report, Committee on Banking, Currency & Housing, House of Representatives, 94th Congress, 2d session, Aug. 1976 -- Federal Reserve Directors, a Study of Corporate & Banking Influence. The charts trace from 1913 to present the family dynasties of the private owners and interlocking directorate of the Federal Reserve Bank and other G-8 central banks (the World Order and New World Order) whom Bill Casey, George Shultz, the Bushes, bin Ladens, Thyssens, Rockefellers, Rothschilds, Browns, Harrimans and Reinhard Gehlen worked for and against whose family ancestors the American Revolution was fought and whose family decedents today continue to dominate the financial, political, economic, and bailout and foreclosure landscape with financial terrorism. Additionally, the historical novel follows the family dynasties of the private owners of the interlocking directorate of the Fed/G8 including Bank of England and Bundesbank and other central banks involved in the American Revolution of 1776, the American Civil War, the depressions in the late 1800s and early 1900s, the founding of the privately owned Federal Reserve Bank in 1913, WWI, the financing of the Bolshevik party from New York and thru Ruskombank which supplied U.S. technology and weapons and military vehicles to communist Russia who supplied them to the Viet Cong to kill Americans. Appendices also document the previously hypothesized money-issuing class

---

that prints and owns our money that rules the upper class, middle class, working class, and unemployed classes. The appendix also includes documentation of the Clinton-era involvement with HUD corruption when Bill was Governor and Hillary was a HUD attorney. HUD sold billions of dollars of foreclosed properties in East L.A. at ten cents on the dollar to the Fed-founded Dillion-Read bank. Ronnie was advised about the marriage of the oil and illegal drug industries, and the case by the European Union and Central and South American countries against Reynolds Tobacco for laundering heroin and cocaine profits with Camel Cigarettes.

Summary of Strange Case of Dr Jekyll and Mr Hyde by Robert Stevenson Pearson UK

'Dr Jekyll and Mr Hyde' shows the struggle between good and evil that Dr Jekyll faced and how, in the end, his own good nature was overpowered by the

evil in himself. Previous ed.: 2001.

Just about everything today comes with an operating manual—from your computer to your car, from your cell phone to your iPad. Is it possible that Life comes with an operating manual as well? That's the simple but powerful premise of Tom

Shadyac's inspiring and provocative first book. Written as a series of essays and dialogues, we are invited into a conversation that is both challenging and empowering. The question now is, can we discern what is written inside this operating manual and garner the courage to live in accordance with its precepts?

"The Strange Case of Dr Jekyll and Mr Hyde" can be seen as a story about the concept of good and evil that exists in all of us or a critique on the hypocrisy and double standards of the society and also an interesting study into the mind of the author and into the theories of dualism. First published to critical acclaim in 1886, this mesmerizing thriller is a

---

terrifying study of the duality of man's nature, and it is the book which established Stevenson's reputation as a writer. London lawyer Utterson is driven to investigate Edward Hyde, the unlikely protégé of his friend Dr Henry Jekyll, suspecting the relationship to be founded on blackmail. The truth is worse than he could have imagined. As the mystery deepens, time appears to be running out for Utterson and Enfield to discover what is really wrong with their friend Dr Jekyll - and the final revelation divulges a ghastly secret that makes us wonder about our ability to truly transform ourselves.

*The Complete Partnership Manual and Guide* You can print

Mr. Utterson, the lawyer, is perplexed and disturbed. His close friend of many

years, the well-respected Dr. Henry Jekyll, has fallen into the company of one Edward Hyde--a man who, by all accounts, is cruel, unfeeling, and seemingly pure evil. Fearing for his friend's life, Utterson tries to persuade Jekyll to rid himself of his new companion. Although Jekyll swears he can and will, Utterson continues to hear reports of the doctor's closeness to Hyde. When Hyde murders a member of Parliament, Utterson decides the situation is critical. Jekyll's relationship with Hyde must be severed. Utterson, however, does not realize the full extent of that relationship, and the desperate lengths to which Jekyll must go to stop Hyde. It is only after the doctor

---

disappears that the truth of his experiments--and the dangers of a man trying to release and control his own dark nature--are revealed. Alternately described as mystery, science fiction, fantasy, horror, and social critique, *The Strange Case of Dr. Jekyll and Mr. Hyde* remains as relevant an examination of the human nature as when it was first published over a century ago. Setting: 1800's England British Literature Pgs: 61 8 sections including pre-reading, overview, and essay section.

As part of ClassicReader.com, Stephane Theroux presents the full text of the book entitled "Dr. Jekyll and Mr. Hyde." The book was written by Scottish novelist and poet Robert Louis Stevenson (1850-1894) and was published in 1886. It is the story of the double life of a respectable doctor in Edinburgh.

### **Strange Case of Dr. Jekyll and Mr. Hyde**

Random House Value Publishing

In *Strange Case of Dr Jekyll and Mr Hyde*, Robert Louis Stevenson presents a story both fantastical and familiar. While you may not possess a mysterious potion that allows you to transform into another identity, most people compartmentalize aspects of their personality to some degree and must battle against their darker urges. Published in 1886, *Strange Case of Dr Jekyll and Mr Hyde* begins as an amateur detective novel but ends as a

---

powerful critic on the dangers of repressing aspects of one's personality. The book gained international acclaim both for the excitement that the suspenseful tale offers and the moral message it contains; it was even used in sermons of the day. Written in a poetic yet factual style, *Jekyll and Hyde* depicts the horrifying violence of which man's inner evil is capable when unleashed. In doing so, it turns a mirror to its readers, inviting them to consider all aspects of their own nature. This summary of *Strange Case of Dr Jekyll and Mr Hyde* was produced by getAbstract, the world's largest provider of book summaries. getAbstract works with hundreds of the best publishers to find and summarize the most relevant content out there. All human beings, as we meet them, are commingled out of good and evil: and Edward Hyde, alone, in the ranks of mankind, was pure evil. The disturbing Mr. Hyde is making his repugnant presence known in late 19th Century London. But punishment for his vile acts are always parried by the good, and well-respected, Dr. Jekyll. Soon, the secret relationship between the two men will be revealed. A classic that continues to be referenced today, *The Strange Case Of Dr. Jekyll And Mr. Hyde* will forever be locked in literary history.

*THE STRANGE CASE OF DR JEKYLL AND HYDE* Hay House, Inc

-Includes 19 Illustrations by Charles

Raymond Macauley. -Table of contents to every chapters in the book. -Complete and formatted for kindle to improve your reading experience Strange Case of Dr Jekyll and Mr Hyde is the original title of a novella written by the Scottish author Robert Louis Stevenson that was first published in 1886. The work is commonly known today as The Strange Case of Dr. Jekyll and Mr. Hyde, Dr. Jekyll and Mr. Hyde, or simply Jekyll & Hyde. It is about a London lawyer named Gabriel John Utterson who investigates strange occurrences between his old friend, Dr. Henry Jekyll, and the evil Edward Hyde. The work is commonly associated with the rare mental condition often spuriously called "split personality", referred to in psychiatry as dissociative identity disorder, where within the same body there exists

---

more than one distinct personality. In this case, there are two personalities within Dr Jekyll, one apparently good and the other evil; completely opposite levels of morality. The novella's impact is such that it has become a part of the language, with the very phrase "Jekyll and Hyde" coming to mean a person who is vastly different in moral character from one situation to the next. John Utterson, a prosecutor, is on his weekly walk with his relative, who proceeds to tell him of an encounter with a man he had seen some months ago while coming home late at night from Cavendish Place. The tale describes a sinister figure named Edward Hyde who tramples a young girl, disappears into a door on the street, and re-emerges to pay off her relatives with 10 pounds in gold and a cheque signed by respectable gentleman Dr. Henry Jekyll (a client and friend of Utterson's) for 90 pounds. Jekyll had recently and suddenly changed his will to make Hyde the sole beneficiary. This development concerns and disturbs Utterson, who makes an effort to seek out Hyde. Utterson fears that Hyde is blackmailing Jekyll for his money. Upon finally managing to encounter Hyde, Hyde's ugliness, as if deformed, amazes Utterson. Although Utterson cannot say exactly how or why, Hyde provokes an instinctive feeling of revulsion in him. Much to Utterson's surprise, Hyde willingly offers Utterson his address. After one of Jekyll's dinner parties, Utterson stays behind to discuss the matter of Hyde with Jekyll. Utterson notices Jekyll turning pale, yet he assures Utterson that everything involving

---

Hyde is in order and that he is to be left alone. A year passes uneventfully. One night, a servant girl witnesses Hyde beat a man to death with a heavy cane. The victim was MP Sir Danvers Carew, who was also Utterson's client. The police, who suspect Hyde, contact Utterson. He leads the officers to Hyde's apartment, feeling a sense of foreboding amid the eerie weather (the morning is dark and wreathed in fog). When they arrive at the apartment, the murderer has vanished, but they find half of the cane (described as being made of a strong wood but broken due to the beating) left behind a door. It is revealed to have been given to Jekyll by Utterson. Shortly thereafter, Utterson again visits Jekyll, who now claims to have ended all relations with Hyde. Jekyll shows Utterson a note, allegedly written to Jekyll by Hyde, apologizing for the trouble that he has caused him and saying goodbye. That night, however, Utterson's clerk points out that Hyde's handwriting bears a remarkable similarity to Jekyll's own. For a few months, Jekyll reverts to his former friendly and sociable manner, as if a weight has been lifted from his shoulders. Later, Jekyll suddenly starts refusing visitors, and Dr. Hastie Lanyon, a mutual acquaintance of Jekyll and Utterson, dies suddenly of shock after receiving information relating to Jekyll. Before his death, Lanyon gives Utterson a letter, with instructions that he should only open it after Jekyll's death or his disappearance.

The Mean Gentleman...a MANUAL developed for women and serves as comic relief for men, in an effort to provide assistance into the operation of the minds of men. Usually, women have their own ideas about how a "real man" is supposed to operate. However, even a "real man" has certain requirements that he may not necessarily discuss in an open forum. Think of it as an owner's manual that comes with your new car that you need to read but never do! You ever wonder how you get wooed by Dr. Jekyll, and then all of a sudden Mr. Hyde surfaces unexpectedly? Well, after studying the carefully drafted subject matter in this guide to happiness, you just might find the answer...
