This is a users manual for
VSMOKE, a computer
program for predicting the

smoke and dry weather visibility impact of a single prescribed fire at several downwind locations. VSMOKE is a FORTRAN 77 program that depends on the input in file VSMOKE.IPT to generate output in file VSMOKE.OUT. VSMOKE is based on steady-state Gaussian plume modeling principles compatible with those used by the U.S. Environmental Protection Agency. VSMOKE is uniquely tailored as a plume model for a low to moderate

intensity ground fire as an emission source. Your Owner's Manual for Life Circlet Press "Strange Case of Dr. Jekyll and Mr. Hyde" is the ultimate battle of good and evil. While it is a short book, it is packed solid with complex themes and characters. If you want to understand the book in greater depth, then let BookCaps help with this in-depth companion to Stevenson's classic work. BookCap Study

Guides are not meant to be purchased as alternatives to reading the book. A Study Guide for Robert Louis Stevenson's Dr. Jekyll and Mr. Hyde BookRix Creating Blogs with JekyllApress Boating Abrams Learn to create your own blog using the Jekyll static site generator. You'll start with a simple template, add new features to it, automate any maintenance, attach

social sharing, and begin writing. By the end of Creating Blogs with Jekyll, you will be able to create custom blogs with Jekyll, update the content with ease, and reach out to your readers with minimal effort. Because you've built your blog yourself, you'll know exactly how each component works, and you won't be dependent on an admin panel to maintain it. Creating Blogs with Jekyll equips you with the knowledge to create an elegantly designed blog and scale it to capture more readers. Recapture the magic of writing by creating great content and use an easy workflow in Jekyll to maintain it for blogging. Do new things and write about them in style with Jekyll. Takes you through building a fully functional blog from scratch using Jekyll Provides a fun way to work on a side-project and integrate cutting edge web technologies Teaches you how to update and maintain your awesome blog Jekyll is a simple, secure and very low maintenance blog engine that converts naturally written content in markdown into a beautiful and minimal blog. It allows you to focus on content creation and expressing

yourself instead of spending all your time updating the plugins and maintaining the database. Jekyll does not rely on a database as a backend so your blog will be far more secure and reliable than any traditional blogging engines such as WordPress. We live in a day and age where short attention spans make it very difficult to expose a reader to interesting content. What better way to capture a reader's attention and retain viewers by captivating them by your own unique style and taste? Jekyll allows the content to shine with minimal distractions and a greater focus on the content and easy sharing of the content. What You'll Learn Choose a base theme appropriate for your style and development Integrate various web technologies that will work well together and enhance your blog Automate social sharing components and comments workflow Make adjustments to themes, views and styles of blog posts Update any of the modular components of the blog and integrate new technologies Implement Jekyll and deploying static websites for future projects Who This

Book Is For The developer who is ready to move beyond the complexities of maintaining a content management system by creating their own unique blog in their own style. It's for the project manager tired of spending all their time editing their blog on the admin panel and updating the content management system. Creating Blogs with Jekyll is an excellent choice for

new developers to start blogging because of the simplicity of Jekyll's theming layer and writing workflow. It's an excellent choice for the web developer wanting to build their blog from scratch and expand their knowledge of higher level web technologies. Gertrude Jekyll Cambridge University Press Part of the Victorian-styled horror erotica series Darker

Passions. In a delightful BDSM-laced exploration of the classic tale of Dr. Jekyll and Mr. Hyde, Nancy Kilpatrick - writing as Amarantha Knight - creates a compelling tale of desire and the monsters that lurk inside us all. The Darker Passions series combines Victorian fetishes such as bondage, birching and spanking with the themes of the great Victorian gothic novels of the day. Dr. Jekyll and Mr. Hyde is the third volume in the series. User Assessment of Smoke-dispersion Models for Wildland Biomass Burning Gale, Cengage Learning The Mean Gentleman...a MANual developed for women and serves as

comic relief for men, in an effort to provide assistance into the operation of the minds of men. Usually, women have their own ideas about how a "real man" is supposed to operate. However, even a "real man" has certain requirements that he may not necessarily discuss in an open forum. Think of it as an owner's manual that comes with your new car that you need to read but never do! You ever wonder how you get wooed by Dr. Jekyll, and then all of a sudden Mr. Hyde surfaces unexpectedly? Well, after studying the carefully drafted subject matter in this guide to happiness, you just might find the answer...

National Geographic Books
Dr. Jekyll, a brilliant scientist, is

transformed by a self-administered drug into the twisted Mr. Hyde, the incarnation of evil. Presented in comic book format.

What is the point? What is the purpose of life? Why must I suffer the stress, and anxiety that comes with it? Why does it all seem so hard and so unfair? If you have asked yourself any of these questions, then you have found the book you are looking for. There are answers to all of these questions and Anderson Silver has compiled teachings from Stoicism and other schools of thought in Your User's Manual. This refreshing collection not only gives the reader much

sought after answers, but also provides the tools for finding purpose, and living an anxiety-free life in the modern world. Meant as a light read that the reader can come back to and meditate on periodically, Anderson has done a wonderful job of condensing fundamental teachings, making Your User's Manual a straightforward read in answering life's most pressing questions and recognizing what is truly important.

Strange Case of Dr Jekyll and Mr Hyde is the original title of a novella written by the Scottish author Robert Louis Stevenson that was first published in 1886. The work is commonly known today as The Strange Case of Dr. Jekyll and Mr. Hyde, Dr. Jekyll and Mr. Hyde, or simply Jekyll & Hyde. It is about a London lawyer named Gabriel John Utterson who investigates strange occurrences between his old friend, Dr. Henry Jekyll, and the evil Edward Hyde. The work is commonly associated with the rare mental condition often spuriously called "split personality", referred to in psychiatry as dissociative identity disorder, where within the same body there exists more than one distinct personality. In this case, there are two personalities within Dr Jekyll, one apparently good and the other evil; completely opposite levels of morality. The novella's impact is such that it has become a part of the language, with the very phrase "Jekyll and Hyde" coming to mean a person who is vastly different in moral character from one situation to the next. John Utterson, a prosecutor, is on his weekly walk with his relative, who proceeds to tell him of an encounter with a man he had seen some months ago while coming home late at night from Cavendish Place. The tale describes a sinister figure named Edward Hyde who tramples a young girl, disappears into a door on the street, and re-emerges to pay off her relatives with 10 pounds in gold and a cheque signed by respectable gentleman Dr. Henry Jekyll (a client and friend of Utterson's) for 90 pounds. Jekyll had recently and suddenly changed his will to make Hyde the sole beneficiary. This development concerns and disturbs Utterson, who makes an effort to seek out

Hyde. Utterson fears that Hyde is blackmailing Jekyll for his money. Upon finally managing to encounter Hyde, Hyde's ugliness, as if deformed, amazes Utterson. Although Utterson cannot say exactly how or why, Hyde provokes an instinctive feeling of revulsion in him. Much to Utterson's surprise, Hyde willingly offers Utterson his address. After one of Jekyll's dinner parties, Utterson stays behind to discuss the matter of Hyde with Jekyll. Utterson notices Jekyll turning pale, yet he assures Utterson that everything involving Hyde is in order and that he is to be left alone. A year passes uneventfully. One night, a servant girl witnesses Hyde beat a man to death with a heavy cane. The victim was MP Sir Danvers Carew, who was also Utterson's client. The police, who suspect Hyde, contact Utterson. He leads the officers to Hyde's apartment, feeling a sense of foreboding amid the eerie weather (the morning is dark and wreathed in fog). When they arrive at the apartment, the murderer has vanished, but they find half of the cane (described as being made of a strong wood but broken due to the beating) left behind a door. It is revealed to have been given to Jekyll by Utterson. Shortly thereafter, Utterson again visits Jekyll, who now claims to have ended all relations with Hyde. Jekyll shows Utterson a note, allegedly written to Jekyll by Hyde, apologizing for the trouble that he has caused him and saying goodbye. That night, however, Utterson's clerk points out that Hyde's handwriting bears a remarkable similarity to Jekyll's own. For a few months, Jekyll reverts to his former friendly and sociable manner, as if a weight has been lifted from his shoulders. Later, Jekyll suddenly starts refusing visitors, and Dr. Hastie Lanyon, a mutual acquaintance of Jekyll

and Utterson, dies suddenly of shock after receiving information relating to Jekyll. Before his death, Lanyon gives Utterson a letter, with instructions that he should only open it after Jekyll's death or his disappearance. *The Strange Case of Dr. Jekyll and Mr. Hyde* Copyright Office, Library of Congress

The author of *Sisters of the Sari* presents a richly emotional journey of two women drawn together by an unexpected and unwanted bond... Lesley McCoy works in a day-care center, and she is planning to start a family of her own. Her husband, David, is a homebody whose job as a

wilderness guide takes him away for long periods—but when he's home, he's the best partner Lesley could imagine. Kendra McCoy is a successful businesswoman whose husband, Eric, is an analyst who specializes in Middle Eastern politics. He supports her enthusiasm and drive to succeed, and is the perfect partner—when he's home between assignments. While trying to identify a man who collapses in a Portland, Oregon, coffee shop, two wallets are found: one belonging to David McCoy, the other to Eric McCoy. Devastated by their comatose husband's betrayal, Kendra and Lesley reluctantly join forces in an attempt to piece together a true picture of the man they both fell in

love with. Instead, they uncover a vast web of deceit as they learn their husband lived a third life neither of them suspected.

BookCaps Study Guides

An Emmy Award-winning writer for The Colbert Report follows in the (big) footsteps of Bigfoot: I Not Dead.

Monsters have it tough.

Besides being deeply misunderstood, they suffer from very real problems:

Mummies have body image

issues, Godzilla is going through an existential crisis, and creatures from the black lagoon face discrimination from creatures from the white lagoon. At heart, these monsters are human; after all, you are what you eat. Quirkily illustrated, *Sad Monsters* hilariously documents the trials and tribulations of all the undead creatures monster-mad readers have grown to love, from vampires and werewolves, to chupacabras and sphinxes, and even claw-footed bathtubs.

Transport Processes in Nature

Hardback with CD-ROM
Simon and Schuster
Accompanied by Dr. Watson, master sleuth Sherlock Holmes has already encountered the evil young hedonist Edward Hyde, and knew he was strangely connected with Henry Jekyll, the wealthy, respectable London doctor. It was not until the Queen herself requested it, however, that Holmes was officially on the case of the savage murder of Sir Danvers Carew -- the blackest mystery of his career!

Although Robert Louis

Stevenson published his tale of Jekyll and Hyde as fiction, the hideous facts were true, insofar as Stevenson knew them. Here, then, is the entire firsthand account of that devilish crime as recorded by Dr. Watson, with an explanation of why Holmes's personal involvement had to be kept secret -- until now....

The Jekyll and Hyde Years
Sagapress

This detailed biography of a man who flourished in two very different worlds opens a new doorway into the societies of prerevolutionary France and postrevolutionary Georgia.

Christophe Poulain DuBignon (1739-1825) was the son of an impoverished Breton aristocrat. Breaking social convention to engage in trade, he began his long career first as a cabin boy in the navy of the French India Company and later as a sea captain and privateer. After retiring from the sea, DuBignon lived in France as a "bourgeois noble" with income from land, moneylending, and manufacturing. Uprooted by the French Revolution, DuBignon fled to Georgia late in 1790, settling among other refugees from France and the Caribbean. A community long overlooked by historians of the American South, this circle of planters, nobles, and bourgeois was bound together by language, a

shared faith, and the émigré experience. On his Jekyll Island slave plantation, DuBignon learned to cultivate cotton. However, he underwrote his new life through investments on both sides of the Atlantic, extending his business ties to Charleston, Liverpool, and Nantes. None of his ventures, Martha L. Keber notes, compelled DuBignon to dwell long on the inconsistencies between his entrepreneurial drive and his noble heritage. His worldview always remained aristocratic, patriarchal, and conservative. DuBignon's passage of eighty-six years took him from a tradition-bound Europe to the entrepreneurs of the Indian Ocean to the plantation culture of a Georgia barrier island. Wherever he

went, commerce was the constant. Based on Keber's exhaustive research in European, African, and American archives, *Seas of Gold, Seas of Cotton* portrays a resilient nobleman so well schooled in the principles of the marketplace that he prospered in the Old World and the New.

The Strange Case of Dr. Jekyll and Mr. Hyde Doubleday Books

As they did with the revised edition of *YOU: The Owner's Manual*, which has sold nearly 200,000 revised copies, Dr. Roizen and Dr. Oz have updated their classic, international bestseller on diet. This nearly three million copy

seller is filled with new information on emotional eating, the latest fad diets, maintaining a healthy lifestyle, and over a hundred recipes. For the first time in our history, scientists are uncovering astounding medical evidence about dieting—and why so many of us struggle with our weight and the size of our waists. Now researchers are unraveling biological secrets about such things as why you crave chocolate or gorge at buffets or store so much fat. Michael Roizen and Mehmet Oz, America's most trusted doctor team and authors of the bestselling YOU series, are now

translating this cutting-edge information to help you shave inches off your waist. They're going to do it by giving you the best weapon against fat: knowledge. By understanding how your body's fat-storing and fat-burning systems work, you're going to learn how to crack the code on true and lifelong waist management. Roizen and Oz will invigorate you with equal parts information, motivation, and change-your-life action to show you how your brain, stomach, hormones, muscles, heart, genetics, and stress levels all interact biologically to determine

if your body is the size of a baseball bat or of a baseball stadium. In YOU: On a Diet, Roizen and Oz will redefine what a healthy figure is, then take you through an under-the-skin tour of the organs that influence your body's size and its health. You'll even be convinced that the key number to fixate on is not your weight, but your waist size, which best indicates the medical risks of storing too much fat. Because the world has almost as many diet plans as it has e-mail spammers, you'd think that just about all of us would know everything there is to know about dieting, about fat,

and about the reasons why our bellies have grown so large. YOU: On a Diet is much more than a diet plan or a series of instructions and guidelines or a faddish berries-only eating plan. It ' s a complete manual for waist management. It will show you how to achieve and maintain an ideal and healthy body size by providing a lexicon according to which any weight-loss system can be explained. YOU: On a Diet will serve as the operating system that facilitates future evolution in our dieting software. After you learn about the biology of your body and the biology and psychology of fat, you ' ll be

given the YOU Diet and YOU Workout. Both are easy to learn, follow, and maintain. Following a two-week rebooting program will help you lose up to two inches from your waist right from the start. With Roizen and Oz ' s signature accessibility, wit, and humor, YOU: On a Diet—The Owner ' s Manual for Waist Management will revolutionize the way you think about yourself and the food you consume, so that you ' ll diet smart, not hard. Welcome to your body on a diet.
