It might be a red flag if his profile picture is a mug shot. It might be a red flag if he has more covered up tattoos than actual tattoos. It might be a red flag if you can never go to his place. It might be a red flag if he tells you he loves you on your first date. After being single for more than ten years and going through breakups and bad dates, author Jennifer Lopez

realized she had been missing the red flag warnings in these relationships. In *It Might Be a Red Flag If...*, she shares her personal experiences and those of other women in dating situations. Some humorous, some serious, Lopez offers a list of signs that may save a heart, bank account, liver, marriage, or even a life. She includes signs and advice to help women see past red flags and figure out why they let themselves get hurt or stay with men who are abusive or not right for them. In *It Might Be a Red Flag If...*, Lopez communicates through wit and humor it's ok to be single. She encourages women to learn how to protect their heart without hardening it and to live free from

self-doubt and pain caused by others. Happiness always comes from within as you learn more about yourself and what life has in store for you.

Jay Shetty, social media superstar and host of the #1 podcast *On Purpose*, distills the timeless wisdom he learned as a monk into practical steps anyone can take every day to live a less anxious, more meaningful life. When you think like a monk, you ’ ll understand: -How to overcome negativity -How to stop overthinking -Why comparison kills love -How to use your fear -Why you can ’ t find happiness by looking for it -How to learn from everyone you meet -Why you are not your thoughts -How to find your purpose -Why kindness is crucial to success -And much more... Shetty grew up in a family where you could become

one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told him that he would have more impact on the world if he left the monk's path to share his experience and wisdom with others. Heavily in debt, and with no recognizable skills on his resume, he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world's largest

corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited Shetty to coach them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world's most popular influencers. In 2017, he was named in the Forbes magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8 billion views, and his podcast, On Purpose, is consistently ranked the world's #1 Health and Wellness podcast.

In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power. Combining ancient wisdom and his own rich experiences in the ashram, *Think Like a Monk* reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves to the world. Shetty proves that everyone can—and should—think like a monk.
