We are living in a day when countless multitudes have lost their way both morally and spiritually. Like a ship without anchor, this last day's generation is being tossed to and fro by a flood of deception and wrong influences that is tragically causing people to lose their moorings. What should we

do to make sure we don't get... 50 Tips to Shield Your Faith WaterBrook
Shed a spiritual light on some of the biggest problems facing people today: the need to put the role of money in a proper perspective and to solve financial problems. Elmer Towns states at the outset that this is not the primary purpose of fasting and prayer. Instead, it is all about knowing God. It is not about withdrawing prayer on an as-needed basis from some spiritual ATM kiosk. It is about meditation, studying the Scriptures, and communing with God. When we fast and pray in faith, asking for God's help and provision, He begins to teach us how to become good stewards of what He has provided. Chapter topics include

"Fasting to Learn Stewardship," "Why We Have Money Problems," and "A Faith Approach to Fasting for Money." Once we understand why we struggle with money problems, we can do something about it with this practical step-by-step guide. Bible, Gender, Sexuality Reformation Heritage Books
Praying Christians are hungry to learn how to connect with God in a way that takes them beyond the typical grocery-list approach. Transforming Prayer explores the profound difference between seeking God's hand (what he does for people) and seeking God's face (who he really is). With captivating stories of the transformative power of personal worship and its connection with prayer, this book equips readers with

practical tools for a more effective personal and corporate prayer life. *Fear Fighters* Charisma Media Flee or Fight? You experience adversity. You know what it is like to endure hardship. You hold on, buckle down, and ride the wave of bad fortune, praying you will make it out alive. You just do what it takes to survive. But what if these trials had the raw potential to change your life? What if the challenges you face could propel you to the next level of faith and maturity? What if you were designed to thrive in adversity, not merely "get by?" John Bevere wants to take you on a journey to unlock your tenacity. As he recounts the stories of Jesus and John the Baptist, as well as those of many contemporary believers, he presents a powerful

pattern: These pillars of faith do not just hang on and survive troubles. They look adversity in the face and stare it down. Armed with the truth in the Word and the power of prayer, you, too, can join the determined ranks of the army of God. Will you fight relentlessly? Learn today how to fight, never give up, and enjoy all God has for you. "John Bevere has a mandate on his life to serve the body of Christ. His desire to see everyone find and flourish in their God-given destiny is evident in his teachings. His love for Christ and deep revelation of the Word of God will have you pursuing the cause of Christ, relentlessly." --Brian and Bobbie Houston, senior pastors, Hillsong Church *The Spirit of Python*

A Real-Life Field Guide to Doing What Jesus Did The things Jesus did are not just for Bible times. They are for today. For everyone. Chicagoland pastor Robby Dawkins sees this again and again in his ministry to hurting people and even to gang members. Everyday people are seeing God's power unleashed through simple faith in God's Word; they are healing the sick, routing demons, and making a dynamic impact for the Kingdom of God. But many other believers are missing out, unaware that they have far more power and authority than they realize. Dawkins shares dynamic, real-life instruction and

amazing stories from the front lines of ministry, showing that believers carry the authority of the Son of God and the power of the Holy Spirit wherever they are. When we walk in the presence and authority of God, we will do what Jesus did.

BESTSELLER In Northern California two successful CEOs are both indispensable to their growing companies' futures. Both are brilliant at the power game. But the difference between them is huge. One is a man, the other a woman. In this riveting novel, Danielle Steel explores what that means as she takes readers into the rarefied world of those at the pinnacle of international business and reveals the irrevocable choices they make, what drives them, and how others perceive them. The heady drug of power impacts everything they do. POWER PLAY Even though Harvard-educated Fiona Carson has proven herself under fire as CEO of National Technology Advancement, a multibillion-dollar high-tech company based in Palo Alto,

California, she still has to meet the challenges of her world every day. Devoted single mother, world-class strategist, and tough negotiator, Fiona weighs every move she makes, and reserves any personal time for her children. Isolation and constant pressure are givens for her as a woman in a man's world. Miles away in Marin County, Marshall Weston basks in the fruits of his achievements. At his side is his wife, Liz, the perfect corporate spouse, who has gladly sacrificed her own law career to raise their three children and support Marshall at every step. Smooth, shrewd, and irreproachable, Marshall is a model chief executive, and the power he wields only enhances his charisma and is his drug of choice. And

to maintain his position, he harbors secrets that could destroy his life at any moment. His world is one of high risks. Like many women in her position, Fiona has sacrificed her personal life for her career, while Marshall dances dangerously close to the edge and flirts with scandal every day. Both must face their own demons, and fight off those who are jealous of their success. Their lives as CEOs of major companies come at a high price. And just how high a price are they willing to pay? Who are they willing to sacrifice to stay on top? Those they love, or themselves? Danielle Steel's gripping, emotionally layered novel explores the seductive and damaging nature of power. Success and

greed, trust and deception, love and loss—all come to a head in this compelling drama of family, careers, infidelity, and the sacrifices some people make to hold on to power . . . or to let it go. Praise for Power Play "In peak form, Steel examines the effects of power on the lives of male and female CEOs in this insightful, all-too realistic novel . . . to dramatize just how differently men and women handle corporate power and personal responsibility."—Booklist "Connecting two powerful CEOs through their children's romantic involvement, the author uses her signature low-key . . . style to examine personal and professional morality. . . . Appealing fare from Steel."—Kirkus Reviews *The Genesis Prayer* Charisma Media

Why Should I Fast?

Baker Books

In *Bible, Gender, Sexuality* James Brownson argues that Christians should reconsider whether or not the biblical strictures against same-sex relations as defined in the ancient world should apply to contemporary, committed same-sex relationships. Presenting two sides in the debate -- "traditionalist" and "revisionist" -- Brownson carefully analyzes each of the seven main texts that appear to address intimate same-sex relations. In the process, he explores key

concepts that inform our understanding of the biblical texts, including patriarchy, complementarity, purity and impurity, honor and shame. Central to his argument is the need to uncover the moral logic behind the biblical text. Written in order to serve and inform the ongoing debate in many denominations over the questions of homosexuality, Brownson's in-depth study will prove a useful resource for Christians who want to form a considered opinion on this important issue.
