So how do flawed, abnormal people such as ourselves master the forces that can drive us apart and come together in

Because fasting builds extreme faith, and believers need extreme faith to overcome the impossible. In *Fasting for a Miracle*, bestselling author Elmer Towns shows readers that God often partners with His people to do the impossible through the spiritual discipline of fasting. When believers obey God's Word and fast, the Spirit grows their faith, fulfills God's promises, and moves in miraculous ways. Readers will discover the seven different types of miracles and find incredible true stories of fasting miracles--like the man who should be dead but still lives, the financial crisis that was overcome, and the miraculous peace that invaded chaotic circumstances. Plus, Towns offers practical guidance for how to fast wisely and biblically. *The Knowledge of the Holy* Moody Publishers  
Shed a spiritual light on some of the biggest problems facing people today: the need to put

the role of money in a proper perspective and to solve financial problems. Elmer Towns states at the outset that this is not the primary purpose of fasting and prayer. Instead, it is all about knowing God. It is not about withdrawing prayer on an as-needed basis from some spiritual ATM kiosk. It is about meditation, studying the Scriptures, and communing with God. When we fast and pray in faith, asking for God's help and provision, He begins to teach us how to become good stewards of what He has provided. Chapter topics include "Fasting to Learn Stewardship," "Why We Have Money Problems," and "A Faith Approach to Fasting for Money." Once we understand why we struggle with money problems, we can do something about it with this

These days the terms good and God seem synonymous. We believe what ’ s generally accepted as good must be in line with God ’ s will. Generosity, humility, justice—good. Selfishness, arrogance, cruelty—evil. The distinction seems pretty straightforward. But is that all there is to it? If good is so obvious, why does the Bible say that we need discernment to recognize it? Good or God? isn ’ t another self-help message. This book will do

walk with God. It's time to strip away the frustration of a one-size-fits-all spirituality and discover a path of worship that frees you to be you. Experienced spiritual directors, pastors, and church leaders recognize that all of us engage with God differently, and it's about time we do too. In this updated and expanded edition of Sacred Pathways, Gary Thomas details nine spiritual temperaments and--like the Enneagram and other tools do with personality--encourages you to investigate the ways you most naturally express yourself in your relationship with God. He encourages you to dig into the traits, strengths, and pitfalls in your devotional approach so you can eliminate the barriers that keep you locked into rigid methods of worship and praise. Plus, as you begin to identify and understand your own temperament, you'll soon learn about the temperaments that aren't necessarily "you" but that may help you understand the spiritual tendencies of friends, family, and others around you. Whatever temperament or blend of temperaments best describes you, rest assured it's not by accident. It's by the design of a Creator who knew what he was doing when he made you according to his own unique intentions. If your spiritual walk is not what you'd like it to be, you can change that, starting here. Sacred Pathways will show you the route you were made to travel, marked by growth and filled with the riches of a close walk with God. A Sacred Pathways video Bible study is also available for group or individual use, sold separately. Agents of the Apocalypse DigiCat

Realizing denial is difficult when determining what needs to be done to start over after a famine season. Writing a vision and staying focused helps as the Lord opens doors that reveal His plan. Struggling against spirit and flesh raises the question of whether or not one is faithful or foolish concerning the things of God. Deciding whether to handle life challenges or shake it off are factors to consider when taking an inventory of life; and having a desire for restoration. Through fasting and prayer, asking The Lord for forgiveness helps stop the crying during a season of famine.

Tony Evans Speaks Out on *Fasting Messenger International*

New York Times bestseller Pastor Steven Furtick draws on the biblical story of Elisha to give you the confidence to know that nothing is impossible with God, the clarity to see the next step He ' s calling you to take, and the courage to do anything He tells you to do.

Most of us aren ' t in danger of ruining our lives, but we are in danger of wasting them. We all have honest moments when we ' re gripped by a desire to feel that what we ' re doing matters more. That who we are matters more. And according to John 14:12, Jesus wants the very same thing for every one of us:

“ Very truly I tell you, whoever believes in me will do the works I have been doing, and they will do even greater things than these, because I am going to the Father. ” That single promise— “ even greater things

---

than these ” —should be enough around to shatter our acceptance of spiritual mediocrity.

Unfortunately, most believers have only tried and given up on vague notions of

greatness... then settled into a life that 's just good enough.

But God has a vision for your life that is Greater. God is ready

to accomplish a greatness in your life that is entirely out of human reach—beyond

anything you see in yourself on your best day, but exactly what

God has seen in you all along. In

Greater, Pastor Steven Furtick

draws on the biblical story of

Elisha to empower you to:

- Take a God-given dream from

- idea to reality

- Stretch your limited resources and abilities in ways you never thought possible

- Replace the images of yourself that keep you feeling stuck in the past

- Make a significant impact with your life starting today, rather than

- making endless plans for tomorrow that you never get

If you 're tired of being ordinary, it 's time to dream bigger. If you 're feeling

overwhelmed about where to

begin, it 's time to start smaller.

It 's time to ignite God 's

Greater vision for your life.
