This is a filmography of not only all of the English-language movies made during the 1960s that had a theatrical release but major foreign films exhibited in the United States as well. The films are listed alphabetically and the following information is provided for each: year of release, nation of origin if other than the United States, production/distribution company, black and white notation (if not in color), running time, genre, production credits, cast and characters, and a brief synopsis.

This turbulent decade is unusually interesting in the history of cinema. Those films released in the early part of the decade were similar to those of the 1950s, but as the years passed, the offerings changed in many ways.

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been

called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party

Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job

market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

This detailed reference provides a complete record of Academy Award winners and nominees through 1991. All nominees in all categories are listed, and the volume includes recipients of special awards as well. Each award category begins with a short headnote that traces

the development of the award and discusses significant facts about it. The award categories are divided into sections for each year. Within the listing for a particular year are the nominees for the award, related credits, and the winner of the award. Shale begins with a short historical overview of the Academy of Motion Picture Arts and Sciences. Part I lists Academy Award winners and nominees by award categories, with sections devoted to annual awards, other awards, and discontinued categories. Part II is a chronological index of Academy Awards. Thus full information for an award can be located through either the type of award or the year. Shale concludes with appendices of academy founders, presidents, and directors of best pictures; a selected, annotated bibliography; and an index. The result is the most comprehensive record of the Academy Awards available.
