Jessica Ennis: Unbelievable: From my Childhood Dreams to ...
Unbelievable is a refreshingly candid account of her rise to fame in a highly charged world in which body image issues and drug abuses lurk. From the unique pressures facing her, to behind-the-scenes glimpses into the greatest show on earth, and a revealing account of her love-hate relationship with her long-term coach, Jessica reveals the truth behind the smiles for the first time.

jessica ennis unbelievable products for sale | eBay
Very readable. Jessica Ennis-Hill does not attempt to describe her entire life or even her sporting and training events detail by detail, and this makes the narrative flow. The biography is now dated, of course, as it stops with her gold triumph in the London 2012 Olympics, but that is probably where it should end.
