## Jesus And Buddha The Parallel Sayings Marcus J Borg

As recognized, adventure as with ease as experience approximately lesson, amusement, as competently as pact can be gotten by just checking out a books **Jesus And Buddha The Parallel Sayings Marcus J Borg** plus it is not directly done, you could bow to even more more or less this life, with reference to the world.

We come up with the money for you this proper as without difficulty as easy showing off to acquire those all. We meet the expense of Jesus And Buddha The Parallel Sayings Marcus J Borg and numerous books collections from fictions to scientific research in any way. accompanied by them is this Jesus And Buddha The Parallel Sayings Marcus J Borg that can be your partner.

The Lotus and the Lily Simon and Schuster

A dazzling presentation of the life and teachings of Jesus by the eminent scholar and translator Stephen Mitchell.

David C Cook

Thich Nhat Hanh has become known as a healer of the heart, a monk who shows us how the everyday world can both enrich and endanger our spiritual lives. In this book, Jesus and Buddha share a conversation about prayer and ritual and renewal, and about where such concepts as resurrection and the practice of mindfulness converge. In this unique way, Thich Nhat Hanh shows the brotherhood between Jesus and Buddha--and in the process shows how we can take their wisdom into the world with us, to "practice in such a way that Buddha is

born every moment of our daily life, that Jesus Christ is born every moment of our daily life." Going Home Createspace Independent Publishing Platform

Jay Williams' approach to the study of the life of Christ simply overflows with intuitional creativity, permitting students to find for themselves trans-historical, yet new and existential situations in the Biblical story. Buddha means "the Enlightened One," and the author uses this word in the generic sense. He explores the possibility that Yeshua represents a way to enlightenment which is neither Western nor Eastern but universal and perennial, a way often misunderstood by Christian theologians.

Bible Myths and Their Parallels in Other Religions lindsay falvey

For almost two millennia, the story of Jesus has shaped the lives of countless people. Yet today, even though the

majority of us grew up in a culture suffused by the mythos of Jesus, many of us feel disconnected from the essence of his teachings. With Resurrecting Jesus, Adyashanti invites us to rediscover the life and words of Jesus as a direct path to the most radical of transformations: spiritual awakening. Jesus crossed all of the boundaries that separated the people of his time because he viewed the world from the perspective of what unites us, not what divides us. In Resurrecting Jesus, Adya embarks on a fascinating reconsideration of the man known as Jesus, examining his life from birth to Resurrection to reveal a timeless model of awakening and enlightened engagement with the world. Through close consideration of the archetypal figures and events of the Gospels, Adya issues a call to "live the Christ" in

---

a way that is unique to each of us. "When the eternal and the human meet," writes Adya, "that's where love is born—not through escaping our humanity or trying to disappear into transcendence, but through finding that place where they come into union."

**Resurrecting Jesus** is a book for realizing this union in your own life, with heart and mind wide open to the mystery inside us all. With an all-new foreword by Episcopal priest and scholar **Cynthia Bourgeault**.

*The Lotus and the Cross* Simon and Schuster

This book contains fourteen chapters divided by topic, with an introduction to each by the editor. The sayings attributed to the four spiritual masters are arranged side by side over two pages. The book also contains a wealth of photographs, an appendix and a general introduction.

**The Gospel According to Jesus** Ulysses Press  
fascinating guide to religion and its place in the world today. In *God Is Not One*, bestselling author Stephen Prothero makes a fresh and provocative argument that, contrary to popular understanding, all religions are not simply "different paths to the same God." Instead, he shows that the differences between the major religions are far greater than we think: they each ask different questions, tackle different problems, and aim at different goals. *God Is Not One* highlights the unique aspects of the world's major religions, with chapters on Islam, Christianity, Confucianism, Hinduism, Buddhism, Yoruba religion, Judaism, Daoism and atheism. Lucid and compelling, *God Is Not One* offers a new understanding of religion for the twenty-first century.

Baha'I Pub

Of the many recent books on the historical Jesus, none

has explored what the latest biblical scholarship means for personal faith. Now, in *Meeting Jesus Again for the First Time*, Marcus Borg addresses the yearnings of those who want a fully contemporary faith that welcomes rather than oppresses our critical intelligence and openness to the best of historical scholarship. Borg shows how a rigorous examination of historical findings can lead to a new faith in Christ, one that is critical and, at the same time, sustaining. "Believing in Jesus does not mean believing doctrines about him," Borg writes. "Rather, it means to give one's heart, one's self at its deepest level, to . . . the living Lord." Drawing on his own journey from a naive, unquestioning belief in Christ through collegiate skepticism to a mature and contemporary Christian faith, Borg illustrates how an understanding of the historical Jesus can actually lead to a more authentic Christian life—one not rooted in creeds or dogma, but in a life of spiritual challenge, compassion, and community. In straightforward,

---

accessible prose, Borg looks at the major findings of modern Jesus scholarship from the perspective of faith, bringing alive the many levels of Jesus' character: spirit person, teacher of alternative wisdom, social prophet, and movement founder. He also reexamines the major stories of the Old Testament vital to an authentic understanding of Jesus, showing how an enriched understanding of these stories can uncover new truths and new pathways to faith. For questioning believers, doubters, and reluctant unbelievers alike, *Meeting Jesus Again for the First Time* frees our understanding of Jesus' life and message from popular misconceptions and outlines the way to a sound and contemporary faith: "For ultimately, Jesus is not simply a figure of the past, but a figure of the present. Meeting that Jesus—the living one who comes to us even now—will be like meeting Jesus again for the first time."

Without Buddha I Could not be a Christian narrates how esteemed theologian, Paul F. Knitter, overcame a crisis of faith by looking to Buddhism for inspiration. From prayer to how Christianity views life after death, Knitter argues that a Buddhist standpoint can encourage a more person-centred conception of Christianity where individual religious experience comes first, and liturgy and tradition second. Moving and revolutionary, this edition comes with a new conclusion - 'Jesus and Buddha Both Come First!' 'A compelling example of religious inquiry.' New York Times 'One of the finest contemporary books on the encounter between religions in the heart and soul of a single thoughtful person.' Library Journal  
Compassion and Meditation Parallax Press  
"[Thich Nhat Hanh] shows us the connection between personal, inner peace and peace on earth." --His

Holiness The Dalai Lama Nominated by Martin Luther King, Jr. for a Nobel Peace Prize, Thich Nhat Hanh is one of today's leading sources of wisdom, peace, compassion and comfort. The 20th anniversary edition of the classic text, updated, revised, and featuring a *Mindful Living Journal*. Buddha and Christ, perhaps the two most pivotal figures in the history of humankind, each left behind a legacy of teachings and practices that have shaped the lives of billions of people over two millennia. If they were to meet on the road today, what would each think of the other's spiritual views and practices? Thich Nhat Hanh has been part of a decades-long dialogue between two great contemplative traditions, and brings to

---

Christianity an appreciation of its beauty that could be conveyed only by an outsider. IN lucid, meditative prose, he explores the crossroads of compassion and holiness at which the two traditions meet, and he reawakens our understanding of both. "On the altar in my hermitage," he says, "are images of Buddha and Jesus, and I touch both of them as my spiritual ancestors."

*Founders of Faith*

Mango Media Inc.

A part of Jaspers's planned universal history of philosophy, focusing on the four paradigmatic individuals who have exerted a historical influence of incomparable scope and depth. Edited by Hannah Arendt; Index. Translated by Ralph Manheim.

*Jesus and Buddha* Simon and Schuster

'Thich Nhat Hanh is a holy man, for he is humble and devout. He is a scholar of immense intellectual capacity. His ideas

for peace if applied, would build a monument of ecumenism, to world brotherhood, to humanity.' Martin Luther King, Jr. Buddha and Jesus Christ, perhaps the two most pivotal figures in the history of humankind, each left behind a legacy of teachings and practices that have shaped the lives of billions of people over the course of two millennia. If they were to meet on the road today, what would each think of the other's spiritual views and practices? Thich Nhat Hanh has been part of a decades-long dialogue between the two greatest living contemplative traditions, and brings to Christianity an appreciation of its beauty that could be conveyed only by an outsider. In a lucid, meditative prose, he explores the crossroads of compassion and holiness at which Buddhism and Christianity meet, and reawakens our understanding of both. God Is Not One Oneworld Publications A national bestseller and acclaimed guide to Buddhism for beginners and practitioners alike In this simple but important volume,

Stephen Batchelor reminds us that the Buddha was not a mystic who claimed privileged, esoteric knowledge of the universe, but a man who challenged us to understand the nature of anguish, let go of its origins, and bring into being a way of life that is available to us all. The concepts and practices of Buddhism, says Batchelor, are not something to believe in but something to do—and as he explains clearly and compellingly, it is a practice that we can engage in, regardless of our background or beliefs, as we live every day on the path to spiritual enlightenment. Jesus, Buddha, Krishna, and Lao Tzu ReadHowYouWant.com Written by an L. A. County homicide detective and former atheist, *Cold-Case Christianity* examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could

---

be defined as a "cold case": it makes a claim about an event from the distant past for which there is little forensic evidence. In *Cold-Case Christianity*, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers' intense interest in detective stories, *Cold-Case Christianity* inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.

*The Gospel of Buddha* Wipf and Stock Publishers  
This landmark of interfaith dialogue will inspire readers of all faiths. In *The Good Heart*, The Dalai Lama provides an extraordinary Buddhist perspective on the teachings of Jesus. His Holiness comments on well-known passages from the four Christian Gospels, including the Sermon on the Mount, the parable of the mustard seed, the Resurrection, and others. Drawing parallels between Jesus and the Buddha – and the rich traditions from which they hail – the Dalai Lama delivers a profound affirmation of the sacred in all religions. Readers will be uplifted by the exploration of each tradition's endless merits and the common humanity they share.  
*We Were Made for These Times* Sanctuary Publications, Inc  
Confucius, the Buddha, Jesus, and Muhammad are among the most thoughtful and influential

people in history. By their words and examples, they have inspired countless individuals to live better and more meaningful lives and have shaped the institutions and worldviews we live in today. *Four Wise Men* is an accessible introduction to each of these sages in his historical context and a provocative comparison of their lives and teachings. Through careful study, this book examines the ways these fascinating figures speak as one and the ways they differ. Although their voices come from the distant past, they still have wise words to say to us today.
