Of the many recent books on the historical Jesus, none has explored what the latest biblical scholarship means for personal faith. Now, in *Meeting Jesus Again for the First Time*, Marcus Borg addresses the yearnings of those who want a fully contemporary faith that welcomes rather than

oppresses our critical intelligencerooted in creeds or dogma, but in a and openness to the best of life of spiritual challenge, historical scholarship. Borg shows compassion, and community. In how a rigorous examination of straightforward, accessible prose, historical findings can lead to a Borg looks at the major findings of modern Jesus scholarship from the perspective of faith, bringing alive the many levels of Jesus' character: spirit person, teacher of alternative wisdom, social prophet, and movement founder. He also reexamines the major stories of the Old Testament vital to an authentic understanding of Jesus, showing how an enriched understanding of these stories can uncover new truths and new pathways to faith. For questioning believers, doubters, and reluctant unbelievers alike, *Meeting Jesus Again for the First Time* frees our

understanding of Jesus' life and message from popular misconceptions and outlines the way to a sound and contemporary faith: "For ultimately, Jesus is not simply a figure of the past, but a figure of the present. Meeting that Jesus—the living one who comes to us even now—will be like meeting Jesus again for the first time."

Answering the many "spiritual" questions left unaddressed by such popular historical bestsellers as *A History of God* and *God: A Biography*, renowned author Marcus Borg reveals how to embrace an authentic contemporary faith that reconciles God with science, critical thinking and religious pluralism. How to have faith—how to even think about God—without having to stifle modern rationality is one of the most vital challenges facing contemporary religion. In providing a much-needed solution to the problem of how to have a fully authentic yet fully contemporary understanding of God, Borg—author of the bestselling *Meeting Jesus Again for the First Time*—traces his personal journey. He leads readers from the all-powerful and authoritarian God of his (and their) childhood and traditional faith to an equally powerful but dynamic image of God that is relevant to contemporary seekers and more biblical and spiritually authentic. Borg shows how the modern

crisis of faith is itself rooted in delusion—misinterpretation of biblical texts and of God's true nature—and challenges readers to a new way of thinking about God. He opens a practical discussion about how to base a relationship with the divine both immanent and transcendent, here and now, always and everywhere. Arguing that the authentic Judeo-Christian tradition is that God's being includes the whole world, Borg persuasively shows how this understanding accounts for the whole variety of human religious experience. Ultimately, he introduces readers to a way of thinking about God who is "right here" all around them, rather than distant and remote. This understanding is more intellectually and spiritually satisfying and allows readers to reclaim a stronger sense of God's presence.

"[Thich Nhat Hanh] shows us the connection between personal, inner peace and peace on earth." --His Holiness The Dalai Lama Nominated by Martin Luther King, Jr. for a Nobel Peace Prize, Thich Nhat Hanh is one of today's leading sources of wisdom, peace, compassion and comfort. The 20th anniversary edition of the classic text, updated, revised, and featuring a *Mindful Living Journal*. Buddha and

Christ, perhaps the two most pivotal figures in the history of humankind, each left behind a legacy of teachings and practices that have shaped the lives of billions of people over two millennia. If they were to meet on the road today, what would each think of the other's spiritual views and practices? Thich Nhat Hanh has been part of a decades-long dialogue between two great contemplative traditions, and brings to Christianity an appreciation of its beauty that could be conveyed only by an outsider. In lucid, meditative prose, he explores the crossroads of compassion and holiness at which the two traditions meet, and he reawakens our understanding of both. "On the altar in my hermitage," he says, "are images of Buddha and Jesus, and I touch both of them as my spiritual ancestors."

Journey to the West Monarch Books
In ten concise chapters, you'll learn powerful ways to meet life's challenges with wisdom, resilience, and ease. We all go through times when it feels like the ground is being pulled out from under us. What we relied on as

steady and solid may change or even appear to vanish. In this era of global disruption, threats to our individual, social, and planetary safety abound, and at times life can feel overwhelming. Not only are loss and separation painful, but even positive changes can cause great stress. Yet life is full of change: birth, death, marriage, divorce; a new relationship; losing or starting a job; beginning a new phase in life or ending one. Change is stressful, even when it is much desired or anticipated—the unknown can feel scary and threatening. In *We Were Made for These Times*, the extraordinary mindfulness teacher Kaira Jewel Lingo imparts accessible advice on navigating difficult times of transition, drawing on Buddhist teachings on impermanence to help you establish equanimity and resilience. Each chapter in *We Were Made for These Times* holds an essential teaching and meditation, unfolding a step-by-step process to nurture deeper freedom and stability in daily life. Time-honored teachings will help you develop ease, presence, and self-compassion, supporting you to release the fear and doubt that hold you back.

Christians and Muslims together make up about 57% of the world's population today, and by the end of the century they will constitute about 66% of the world's population. More than any other single factor, the wellbeing of our children and grandchildren may depend on how well Christians learn to relate to Muslims - and Hindus, the next largest faith, not to mention Buddhists, Jews, people of indigenous faiths, and the nonreligious. We know how to have a strong Christian identity that is intolerant of or belligerent towards other faiths, and we know how to have a weak Christian identity that is tolerant and benevolent. But is there a third alternative? How do we discover, live, teach, and practise a Christian identity that is both strong and benevolent towards other faiths? In this provocative and inspiring book, author Brian McLaren tackles some of the hardest questions around the issue of interfaith relations, and shares a

hopeful vision of the reconciliation that Jesus offers to our multi-faith world.

Ambition will fuel him. Competition will drive him. But power has its price. It is the morning of the reaping that will kick off the tenth annual Hunger Games. In the Capitol, eighteen-year-old Coriolanus Snow is preparing for his one shot at glory as a mentor in the Games. The once-mighty house of Snow has fallen on hard times, its fate hanging on the slender chance that Coriolanus will be able to outcharm, outwit, and outmaneuver his fellow students to mentor the winning tribute. The odds are against him. He's been given the humiliating assignment of mentoring the female tribute from District 12, the lowest of the low. Their fates are now completely intertwined - every choice Coriolanus makes could lead to favor or failure, triumph or ruin. Inside the arena, it will be a fight to the death. Outside the arena, Coriolanus starts to feel for his doomed tribute . . . and must weigh his need to follow the rules against his desire to survive no matter what it takes.

Side-by-side examples that let you discover the teachings of Jesus and Buddha—and the striking similarities between them. This stunning collection is perfect for those curious about the influential teachers Jesus and Buddha, and their lessons of peace, love, patience, and kindness. Witness as two of the most holy beings meet in a thought-provoking encounter of the spirit. Compare the Bible verse: “ Jesus knew all people and needed no one to testify about anyone; for he himself knew what was in everyone ” (John 2.24-25) to the Buddhist scripture: “ He was expert in knowing the thoughts and actions of living beings ” (Vimalakirtinirdesha Sutra 2). Written by a renowned New Testament scholar and national bestselling author, and with an introduction by Jack Kornfield, Jesus and Buddha is a timeless testament to what makes us similar rather than different. With over 100 examples presented side by side, this is a perfect book for anyone interested in Christianity, Buddhism, mindfulness, meditation, and all ways of seeking enlightenment.

The recent tide of books comparing Christianity and Buddhism has centered mostly on similarities. The Dalai Lama, for example, provided his

opinions on Christianity in a popular book, *The Good Heart: A Buddhist Perspective on the Teachings of Jesus* (1996). Other writers have equally sought to describe these two traditions as "two paths to the same place." Finding these approaches overly simplified, Anthony Clark confronts the distinctions between Buddhism and Catholic Christianity, acknowledging areas of confluence, but also discerning areas of abiding difference. Clark provides here a Catholic view of Buddhism that avoids obfuscations, seeking clarity for the sake of more productive dialogue.

Merton, one of the rare Western thinkers able to feel at home in the philosophies of the East, made the wisdom of Asia

available to Westerners. "Zen enriches no one," Thomas Merton provocatively writes in his opening statement to *Zen and the Birds of Appetite*--one of the last books to be published before his death in 1968. "There is no body to be found. The birds may come and circle for a while... but they soon go elsewhere. When they are gone, the 'nothing,' the 'no-body' that was there, suddenly appears. That is Zen. It was there all the time but the scavengers missed it, because it was not their kind of prey." This gets at the humor, paradox, and joy that one feels in Merton's discoveries of Zen during the last years of his life, a joy very much present in this collection of essays. Exploring the relationship between Christianity and Zen, especially through his dialogue with the great Zen teacher D.T. Suzuki, the book makes an excellent introduction to a comparative study of these two traditions, as well as giving the reader a strong taste of the mature Merton. Never does one feel him losing his own faith in these pages; rather one feels that faith getting deeply clarified and affirmed. Just as the body of "Zen" cannot be found by the scavengers, so too, Merton suggests, with the eternal truth of Christ.

Two and a half decades ago, Ascended Master Teachers Arten and Pursah appeared to Gary Renard and held a series of conversations with him that elaborated on the teachings of two spiritual classics, The Gospel of Thomas and A Course in Miracles. Gary immortalized what he learned in

the books of his best-selling series:

The Disappearance of the Universe, Your Immortal Reality, and Love Has Forgotten No One. This fourth book is a companion to the original trilogy, yet written to stand alone, an invitation for new readers into this fascinating work. This book explores six of the lifetimes in which the incarnations of Jesus and Buddha lived together, beginning in 700 B.C. when they were known as Saka and Hiroji. Arten and Pursah, through the spiritual lessons that Jesus and Buddha learn on their path, clarify the difference between duality and nonduality. When you are able to internalize these lessons, you will be saved countless years in your spiritual development.

How much contact did Jesus have with Buddhism early in his life? In this 1927 work, Dwight Goddard compares the lives and teachings of Christ and Gautama, the young Buddha, giving a context to the two religions and exploring their historical and theological intersections. Key to his

investigation is a study of the Essenes, a semi-Buddhist Jewish sect that had a direct influence on both Jesus and John the Baptist. Also included is a fascinating psychological portrait of the historical Jesus sure to prove controversial to believers and nonbelievers alike. DWIGHT GODDARD (1861-1939), a pioneer in the American Zen Buddhist movement, authored and edited nine books on Buddhism, including The Buddhist Bible, known to have influenced the views of iconic Beat author Jack Kerouac.

In this collection of four essays, Sangharakshita - a Buddhist teacher and poet - discusses how art, like religion, can challenge our perceptions, awareness and experience of truth. Recounting his own experiences as a young monk and poet, he urges the reader to apply a similar kind of awareness in looking at art to that developed in meditation. In so doing he shows how both have the power to transform the way we see ourselves and the world. This new edition has been entirely reset and features a timeless new cover and introduction by Dhivan.
