For 1,600 years its message lay hidden. When the bound papyrus pages of this lost gospel finally reached scholars who could unlock its meaning, they were astounded. Here was a gospel that had not been seen since the early days of Christianity, and which few experts had even thought existed—a gospel told from the perspective of Judas Iscariot, history's ultimate traitor. And far from being a villain, the Judas that emerges in its pages is a hero. In this radical reinterpretation, Jesus asks Judas to betray him. In contrast to the New Testament Gospels, Judas Iscariot is presented as a role model for all those who wish to be disciples of Jesus and is the one apostle who truly understands Jesus. Discovered by farmers in the 1970s in Middle Egypt, the codex containing the gospel was bought and sold by antiquities traders, secreted away, and carried across three continents, all the while suffering damage that reduced much of it to fragments. In 2001, it finally found its way into the hands of a team of experts who would painstakingly reassemble and restore it. The Gospel of Judas has been translated from its original Coptic to clear prose, and is accompanied by commentary that explains its fascinating history in the context of the early Church, offering a whole new way of understanding the message of Jesus Christ.

Simon Peter, Andrew, James the son of Zebedee, John, Philip, Bartholomew, Thomas, Matthew, James the son of Alphaeus, Jude, Simon, Judas, and Matthias—what happened to the men who answered Jesus' call to follow him? What impact did they have on the world? Where did they go and what did they do after Jesus' resurrection and ascension? In these fascinating profiles, Dr. McBirnie offers readers a snapshot of the lives of each apostle. His information was compiled by traveling to places where the apostles lived and visited, by studying the Scriptures and biblical history, by listening to local traditions, and by engaging in his own original research. Picking up where the book of Acts leaves off, McBirnie brings these men to life as he explores the legends, traditions, and real lives of the Twelve as they built the foundation of Christianity.

Many Christians are unable to give the names, or many details, of Jesus' twelve disciples and yet we can learn many lessons from their lives. Each of them had his own personality but Jesus was able to change and use them in the service of the Kingdom of God. They had faults like we do. They were a mixed bunch of people, each with their own gifts and struggles. God calls all sorts of people, and we cannot forget that Jesus was selecting men for a leadership role in the early church. We can use the example of the apostles to inspire and teach us. This is a tremendously useful book that will have a place on many a minister's bookshelf. From Andrew through to Judas, Ian Fleck's survey is detailed but accessible and never dry. This is a timely book, coming at a time when many in the church are speaking of the

need for discipleship, yet, all too often, little or nothing is ever said of the first disciples. This book opens up their lives to us. Rev. Dr. Paul Bailie Chief Executive, Mission Africa (Working in Nigeria, Burkina Faso, Chad and Kenya) Inspired by material concerning the Twelve disciples which he has assembled from the Four Gospels, and in interaction with other Scripture texts and some ancient traditions, Ian Fleck in this series of meditations has succeeded in deriving, from the lives of Jesus' chosen followers, challenging, inspirational and practical lessons for readers to apply in discipleship of Christ today. Explore the diverse character of emerging Christian narratives This book presents essays that show how prophetic and priestly emphases in Luke and Acts, and emphasis on Jesus's existence prior to creation in the Gospel of John, are reworked in some second- and third-century Christian literature. Early Christians interpreted and expressed the storylines of Jesus, Mary, and other important figures in ways that created new images and stories. Contributors show the effect of including rhetoric, the rhetoric of a text that prompts images and pictures in the mind of a hearer or reader, in interpretation of texts. Features: Readings that attempt to account for the development of richly creative and complicated early Christian traditions Essays bridging New Testament studies and interpretation of Early Christian literature Interpretations that integrate social and rhetorical interpretations

Contrary to popular belief, we do not have to be perfect to do God's work. Look no further than the twelve disciples whose many weaknesses are forever preserved throughout the pages of the New Testament. Jesus chose ordinary men - fisherman, tax collectors, political zealots - and turned their weakness into strength, producing greatness from utter uselessness. MacArthur draws principles from Christ's careful, hands-on training of the original twelve disciples for today's modern disciple - you.

[The Search for the Twelve Apostles](#) CreateSpace

There are twelve apostles of Jesus Christ: Simon Peter, Andrew, James son of Zebedee, John, Philip, Bartholomew, Matthew, Thomas, James the Lesser, Simon the Zealot, Thaddaeus, Judas Iscariot. Why did Jesus choose these disciples who were flawed? The definition of a disciple refers to a "follower." The definition of an apostle refers to "one who is sent out." As such these men had a mixed background, some just ordinary fisherman, some with no outstanding achievements, and even some with a bad rap sheet of trouble. Why were these apostles "WANTED" by Christ? We will take a look at each disciple's background, how we can relate to each one of them through their character, and how these men lived by the law of the land and learned through Christ to live by the law of God. The theme of "The Twelve Outlaws," describes how Jesus rounded up these men, like something out of an old western movie, and used them for the gospel. This study is for anyone, but the target age is for preteens and teens. This study shows how we can still be used by Christ even in an imperfect world. Not only are the disciples discussed by life experiences, but the study shows how to use the Bible to search for these disciples using the concordance index. This is a comprehensive study of each named apostle to help adolescence in their journey with understanding God. It's a great book for Bible study devotions!

An apostle of Christ is also one who is called, commissioned, and sent to proclaim the good news of the Gospel of Christ. John 15:16 has Jesus saying to his disciples; "You have not chosen me, but I have chosen you and ordained you that you should go and bring forth good fruit." Jesus chose twelve apostles that walked with him during three years of ministry here on earth. He commissioned them, ordained them, taught them, and empowered them. These twelve were to be the foundation of the Church we see today. Jesus, who is the chief cornerstone, along with the foundation of the apostles and prophets who make up the spiritual house (Church) today. (Ephesians 2:20) Even today, the Lord Jesus is calling and choosing many to build his Church.
