Catholic Answers

Whether the issue of the day on Twitter, Facebook, or cable news is our sexuality, political divides, or the perceived conflict between faith and science, today's media pushes each one of us into a

frustrating clash between two opposing sides. Polarizing, us-against-them discussions divide us and distract us from thinking clearly and communicating lovingly with others. Scott Sauls, like many of us, is weary of the bickering and is seeking a way of truth and beauty through the conflicts. Jesus Outside the Lines presents Jesus as this way. Scott shows us how the words and actions of Jesus reveal a response that does not perpetuate the destructive fray. Jesus offers us a way forward—away from harshness, caricatures, and stereotypes. In Jesus Outside the Lines, you will experience a fresh perspective of Jesus, who will not (and should not) fit into the sides.

Holy Bible (NIV) Fortress Press

The impact of The Late Great Planet Earth cannot be overstated. The New York Times called it the "no. 1 non-fiction bestseller of the decade." For Christians and non-Christians of the 1970s, Hal Lindsey's blockbuster served as a wake-up call on events soon to come and events already unfolding -- all leading up to the greatest event of all: the return of Jesus Christ. The years since have confirmed Lindsey's insights into what biblical prophecy says about the times we live in. Whether you're a church-going believer or someone who wouldn't darken the door of a Christian institution, the Bible has much to tell you about the imminent future of this planet. In the midst of an out-of-control generation, it reveals a grand design that's unfolding exactly according to plan. The rebirth of

---

Israel. The threat of war in the Middle East. An increase in natural catastrophes. The revival of Satanism and witchcraft. These and other signs, foreseen by prophets from Moses to Jesus, portend the coming of an antichrist . . . of a war which will bring humanity to the brink of destruction . . . and of incredible deliverance for a desperate, dying planet.

*Subversive Jesus* Bloomsbury Publishing

When Jesus left the most exclusive gated community in the universe to come live with the people he loved and gave his life for, he turned everything we know and believe about life on its head. Jesus said that he came to bring good news to the poor, but most Western Christians remain disconnected and isolated from the poor and their contexts of injustice. Even our churches echo society's pressure to isolate ourselves from the margins (e.g. by moving to a better suburb) and instead teach us how to be "nice people" who worship a "nice Jesus" and don't disrupt the status quo. Convinced that Jesus places love for the poor and the pursuit of justice central, Craig Greenfield has sought to follow in Christ's footsteps by living among people at the edges of society for the last fourteen years. His quest to follow this Subversive Jesus has taken Craig and his young family from the slums of Asia to inner city Canada and back again. This is the story of how Jesus led them to the margins: initiating the Pirates of Justice flash

mobs, sharing their home with detoxing crackheads, welcoming homeless panhandlers and prostitutes to the dinner table, and ultimately sparking a movement to reach the world's most vulnerable children. This book is a strong and potentially controversial critique of the status quo too often found in our churches, but it offers an inspirational and hopeful vision of another way. While readers may not relocate to a slum, they will certainly come to view their lives and ministry through a fresh lens—reconsidering how they are uniquely called by Jesus to subversively love the poor and break down systems of injustice in their sphere of influence.

### **Revelation Crossway**

Written by an L. A. County homicide detective and former atheist, *Cold-Case Christianity* examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a "cold case": it makes a claim about an event from the distant past for which there is little forensic evidence. In *Cold-Case Christianity*, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he

developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers' intense interest in detective stories, *Cold-Case Christianity* inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.

*What Jesus Really Said about the End of the World* Baker Books

Ben Witherington III offers a comparison and a critical assessment of the end times teachings of Jesus and Paul.

[Rich Wounds](#) Canongate U.S.

The Mayans- Martin Luther- modern doomsday preachers, there's a long list of people who predicted the end of the world and got it wrong. Does Jesus belong on that list? After all, in Matt:24:34 he seems to indicate the end will come within a "generation," yet many generations have passed and the world is still around. Was he mistaken? In *What Jesus Really Said About the End of the World*, author David Currie examines Christ's end-times prophecies, using the tools of biblical scholarship, the wisdom of the Church Fathers, and Old Testament history and typology, as he presents a fascinating,

---

highly readable interpretation of Jesus' words that harmonizing with Catholic tradition and answering the charge that Christ predicted an end that never came. He rebuts both skeptics and many Evangelical Christians (who resort to extrabiblical theories like the "Rapture") while giving comfort to other Christians who have been confused or embarrassed by this seeming blow to Christ's credibility. Currie also unlocks for you the most important message - not to inspire fearful calculations about the day and hour but to remind us that our own end will surely come, so we must be always ready.

*Person of Interest* Shadow Mountain

Many people today would say that Christianity has done more harm than good to our world. Sharon James argues, however, in seeking to love their neighbour and reflect God's moral character the followers of Jesus have had a largely positive impact on our society. James takes a number of areas - education, healthcare, justice, human dignity - and traces the ways in which these benefits have spread with the gospel. Chapter Headings: Freedom Religious Liberty Justice Protecting Life The Dignity of Women Philanthropy Healthcare Education for All The Creation Mandate and the Value of Work History: The Triumph of Christ

Jesus Christ Zondervan

Looks at the Gospels and examines what Christ requires of his followers in a redemptive-historical context. New and seasoned believers will see God's loving plan for their ultimate satisfaction.

The World of Jesus HarperCollins

Join a cold-case detective as he uncovers the truth about Jesus using the same approach he employs to solve real murder cases. Detective J. Warner Wallace was skeptical of the Bible's claims about Jesus. But he'd investigated several no-body homicide cases in which there was no crime scene, no physical evidence, and no victim's body. He wondered if the truth about the historical Jesus could be investigated in the same way. In *Person of Interest*, cold-case detective and bestselling author J. Warner Wallace describes his own personal investigative journey from atheism to Christianity as he carefully sifts through the evidence from history alone, without relying on the New Testament. In this book, you'll: Understand like never before how Jesus—the most

significant person in history—changed the world and why he still matters today. Learn how to think like a cold-case detective by using an innovative and unique "fuse and fallout" investigative strategy, which you can also use to examine other claims of history. Explore and learn how to respond to common objections to Christianity. Creative, compelling, and fully illustrated, *Person of Interest* will strengthen the faith of believers while engaging those who are skeptical and distrusting of the New Testament gospel accounts.

**Seeing and savouring Jesus Christ**

Zondervan

In the last few years, 9/11, a tsunami, Hurricane Katrina, and many other tragedies have shown us that the vision of God in today's churches in relation to evil and suffering is often frivolous. Against the overwhelming weight and seriousness of the Bible, many Christians are choosing to become more shallow, more entertainment-oriented, and therefore irrelevant in the face of massive suffering. In *Suffering and the Sovereignty of God*, contributors John Piper, Joni Eareckson Tada, Steve Saint, Carl Ellis, David Powlison, Dustin Shrimek, and Mark Talbot explore the many categories of God's

---

sovereignty as evidenced in his Word. They urge readers to look to Christ, even in suffering, to find the greatest confidence, deepest comfort, and sweetest fellowship they have ever known.

### **Suffering and the Sovereignty of God** Thomas Nelson Publishers

Jesus Christ is arguably the most famous man who ever lived. His image adorns countless churches, icons, and paintings. He is the subject of millions of statues, sculptures, devotional objects and works of art. Everyone can conjure an image of Jesus: usually as a handsome, white man with flowing locks and pristine linen robes. But what did Jesus really look like? Is our popular image of Jesus overly westernized and untrue to historical reality? This question continues to fascinate. Leading Christian Origins scholar Joan E. Taylor surveys the historical evidence, and the prevalent image of Jesus in art and culture, to suggest an entirely different vision of this most famous of men. He may even have had short hair.

**On Earth as in Heaven** Crossway  
Jrgen Moltmann formulates necessary

questions about the significance of Jesus the Christ for persons today. He offers a compelling portrait of the earthly Jesus as the divine brother in our distress and suffering and points to the risen Christ as the warrant for the "future in which God will restore everything . . . and gather everything into his kingdom."

Urging that acknowledgment of Christ and discipleship are two sides of the same coin, Moltmann contends that the question of Jesus Christ for today is not just an intellectual one. Moltmann takes fresh approaches to a number of crucial topics: Jesus and the kingdom of God, the passion of Christ and the pain of God, Jesus as brother of the tortured, and the resurrection of Christ as hope for the world, the cosmic Christ, Jesus in Jewish-Christian dialogue, the future of God, and others.

*Jesus, Paul and the End of the World*  
Zondervan

"The Church is irrelevant to my day-to-day life! It's just a dead, empty tradition of the past." This is the overwhelming consensus among young people today, and it has resulted in an ever-widening cultural divide between the secular youth culture and the Church. Much of what was formerly regarded as the Christian world is leaving its roots behind and is dominated by secularism and relativism. The Bible is no longer considered the moral compass, but rather everyone is free to decide for themselves what is right and wrong. As followers of Jesus, it's clear that we

need to respond to this - but how? Jesus in the Secular World combines vivid illustrations from over a decade of front-line ministry with practical principles that will encourage and equip any follower of Jesus to relevantly reach those who would not come to the Church for answers.

*Jesus Christ for Today's World*  
InterVarsity Press

Christianity has always been about being saved. But today what Christians need saving from most is the toxic understanding of salvation we've received through bad theology. The loudest voices in Christianity today sound exactly like the religious authorities who crucified Jesus. This is a book for Christians who are troubled by what we've become and who want Jesus to save us from the toxic behaviors and attitudes we've embraced. Each of the 12 chapters proposes an antidote for the toxicity that has infiltrated Christian culture, such as "Worship not Performance," "Temple not Program," and "Solidarity not Sanctimony." Each chapter includes thought-provoking discussion questions, perfect for individual or

---

group study. There are many reasons to lose hope about the state of our world and our church, but Guyton offers one piece of good news: Jesus is saving the world from us, one Christian at a time.

The Church Crossway

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

A Wideness in God's Mercy The Good Book Company

'Mission is not the ultimate goal of the church. Worship is. Missions exist because worship doesn't. Worship is ultimate.' John Piper's contemporary classic draws on key biblical texts to demonstrate that worship is the ultimate goal of the church and that proper worship fuels missionary outreach. Piper offers a biblical defence of God's supremacy in all things, providing a sound theological foundation for missions. He examines

whether Jesus is the only way to salvation and issues a passionate plea for God-centredness in the missionary enterprise, seeking to define the scope of the task and the means for reaching 'all nations'. *Let the Nations Be Glad!* is a trusted resource for missionaries, pastors, church leaders, youth workers, seminary students, and all who want to connect their labours to God's global purposes. This third edition has been revised and expanded throughout and includes new material on the 'prosperity gospel'.

*The Lausanne Covenant* Living Stream Ministry

*Living the Gospel of Jesus Christ* addresses the challenge of whole-life discipleship and Christian formation for the contemporary church. Authors from around the world bring together insights from their Evangelical and Orthodox traditions to enrich the journey of witness and martyrdom, a faithful daily living of the Christian gospel which speaks with integrity to a world seeking truth. \_

*Jesus Outside the Lines* New Leaf Publishing Group

NEW YORK TIMES BESTSELLER • From

one of the world's most influential spiritual thinkers, a long-awaited book exploring what it means that Jesus was called "Christ," and how this forgotten truth can restore hope and meaning to our lives. "Anyone who strives to put their faith into action will find encouragement and inspiration in the pages of this book."—Melinda Gates In his decades as a globally recognized teacher, Richard Rohr has helped millions realize what is at stake in matters of faith and spirituality. Yet Rohr has never written on the most perennially talked about topic in Christianity: Jesus. Most know who Jesus was, but who was Christ? Is the word simply Jesus's last name? Too often, Rohr writes, our understandings have been limited by culture, religious debate, and the human tendency to put ourselves at the center. Drawing on scripture, history, and spiritual practice, Rohr articulates a transformative view of Jesus Christ as a portrait of God's constant, unfolding work in the world. "God loves things by becoming them," he writes, and Jesus's life was meant to declare that humanity has never been separate from God—except by its own negative choice. When we recover this fundamental truth, faith becomes less about proving Jesus was God, and more about learning to recognize the Creator's presence all around us, and in everyone we meet. Thought-provoking, practical, and full of deep hope and vision, *The Universal Christ* is a landmark

---

book from one of our most beloved spiritual writers, and an invitation to contemplate how God liberates and loves all that is.

**Jesus Christ and the World of the New Testament** Zondervan

Christ's divine power has granted to us everything pertaining to life and godliness. —2 Peter 1:3 Pure Christianity needs no embellishment whatsoever. We find complete sufficiency in Christ and His provision for our needs. But too many Christians have bought in to the notion that all the spiritual resources we gain at the moment of salvation are not adequate to meet the real needs in today's complex world. So they look for something more—an emotionally exciting and self-edifying experience not found in God's Word. This failure to understand the sufficiency of Christ has opened the door to all kinds of worldly influences, causing many modern believers to mix biblical truths with seemingly helpful man-made methods such as mysticism and psychology. As a result, they wallow in a watered-down, pseudo-Christianity that has

been drained of its vitality, effectiveness, and security. In this book John MacArthur exposes the main ways Christians have displaced their spiritual resources and explains how to avoid making the same error. It will make you newly aware of how completely God provides—and give you a renewed understanding of what it means to be "complete in Christ."
