Social justice and mission are hot topics today: there's a wonderful resurgence of motivated Christians passionate about spreading the gospel and caring for the needs of others. But in our zeal to get sharing and serving, many are unclear on gospel and mission. Yes, we are called to spend ourselves for the sake of others, but what is the church ' s unique priority as it engages the world? DeYoung and Gilbert write to help Christians " articulate and live out their views on the mission of the church in ways that

are theologically faithful, exegetically careful, and personally sustainable. ” Looking at the Bible ’ s teaching on evangelism, social justice, and shalom, they explore the what, why, and how of the church ’ s mission. From defining “ mission ” , to examining key passages on social justice and their application, to setting our efforts in the context of God ’ s rule, DeYoung and Gilbert bring a wise, studied perspective to the missional conversation. Readers in all spheres of ministry will grow in their understanding of the mission of the church and gain a renewed sense of urgency for Jesus ’ call to preach the Word and make disciples.

The perfect gift! A specially priced, beautifully designed hardcover edition of *The Joy of the Gospel* with a foreword by Robert Barron and an afterword by James Martin, SJ. “ The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church ’ s journey in years to come. ” – Pope Francis This special edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for “ the homeless, the addicted, refugees, indigenous peoples, the elderly who are increasingly isolated and abandoned, ” the Holy Father shows us how to

respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, “ to recognize the traces of God ’ s Spirit in events great and small. ” Profound in its insight, yet warm and accessible in its tone, *The Joy of the Gospel* is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. Includes a foreword by Robert Barron, author of *Catholicism: A Journey to the Heart of the Faith* and James Martin, SJ, author of *Jesus: A Pilgrimage*

Understanding Luke's Narrative in the Book of Acts The book of Acts is unlike any other in Scripture; it has no rival in terms of a book spanning so many different lands. Written by a Gentile, it recounts the birth of the church age and the lives of early Christians that serve as lasting examples for the church today. When believers see how these events worked together to fulfill God's promises, they gain a better understanding of the Trinitarian heart of Acts. In *The Mission of the Triune God*, author Patrick Schreiner argues that Luke's theology stems from the order of his narrative. He shows how the major themes in Acts, including the formation of the church, salvation offered to all flesh, and the prolific spread of the gospel, connect. Through Schreiner's clear presentation and helpful graphics, readers follow the early church as it grows "all under the plan of God, centered on King Jesus, and empowered by the Spirit."

Women have been central to the work of Christian ministry from the time of Jesus to the twenty-first century. Yet the story of Christianity is too often told as a story of men. This accessibly written book tells the story of women throughout church history, demonstrating their integral participation in the church's mission. It highlights the legacies of a wide variety of women, showing

how they have overcome obstacles to their ministries and have transformed cultural constraints to spread the gospel and build the church.

Focusing on educational ministries, Hastings offers a postcritical, synthetic approach to worshiping, witnessing, and wondering, grounded in scriptural ways of knowing God in Jesus Christ and in the

power of the Holy Spirit. Here, lives marked by worship, witness, and wonder are understood not only to be harmonious with the evolutionary endowments of perception, action, and cognition, nor as well-attested practices of corporate and personal religious life, but also as a tripartite gestalt contingent on divine agency and mediated through participation in Jesus Christ in the power of the Holy Spirit. Hastings describes worship, witness, and wonder as ways Christians participate with a sense of common cause in the mission of the God of love and life, who comes to us in Jesus Christ "clothed in his gospel" and in the power of the Holy Spirit, who has been "poured out upon all flesh."

Surprised by Hope Defender

This book comes out of years of reflection, failures, and some successes in the task of reaching out to others with the gospel. Many Christians think of the task of mission as an entirely verbal activity, when perhaps the best kept secret of New Testament teaching about mission is that it involves a whole range of activities that explicitly promote Christ to the world and draw others to him, and only a few of them involve speaking. Without diminishing or downplaying the importance of speaking the gospel, John Dickson shows that, on the other hand, downplaying the range of activities that promote Christ to the world has its own set of problems. It can make those who are not confident about speaking—of anything, let alone Jesus—feel inadequate and self-conscious in the task of reaching out to others. Equally, it can make those who do have a flair for speaking feel as though they are fulfilling Christ's mission just by talking. But the reality is that the Lord wants our whole life, not just our

lips, in the task of bringing the gospel to the world. Every facet of our lives can be used by God to promote the news of his power and mercy. In this practical guide to the biblical art of sharing your faith, John Dickson offers refreshing insight into the ways that all Christians can and should be involved in spreading the good news of Jesus. While not all Christians are called and gifted to become evangelists, we are all called to promote the gospel through a wide range of activities—prayer, financial partnership, good deeds, godly lives, public worship, daily conversation, etc.—with and without our lips. As readers engage with this book, grapple with its arguments and hear the stories of people coming to faith, they will be inspired to see the whole of life as significant for bringing the gospel to the world, and they will be liberated out of guilt and self-consciousness in evangelism into becoming perfectly natural promoters of Jesus Christ.

Reversing Hermon is a groundbreaking work. It unveils what most in the modern Church have never heard regarding how the story of the sin of the Watchers in 1 Enoch 6-16 helped frame the mission of Jesus, the messiah. Jews of the first century expected the messiah to reverse the impact of the Watchers' transgression. For Jews of Jesus' day, the Watchers were part of the explanation for why the world was so profoundly depraved. The messiah would not just revoke the claim of Satan on human souls and estrangement from God, solving the predicament of the Fall. He would also not only bring the nations back into relationship with the true God by defeating the principalities and powers that governed them. Jews also believed that the messiah would rescue humanity from self-destruction, the catalyst for which

was the sin of the Watchers and the influence of what they had taught humankind. The role of Enoch's retelling of Genesis 6:1-4 in how New Testament writers wrote of Jesus and the cross has been largely lost to a modern audience. Reversing Hermon rectifies that situation. Topics include: * How the ancient Mesopotamian story of the apkallu aligns with Gen 6:1-4, was preserved in 1 Enoch, and sets the stage for the theme of reversing the evil of the Watchers * How the theme of reversing the transgression of the Watchers colors the gospel accounts of the birth of Jesus, his genealogy, and his ministry. * How the writings of Peter and Paul allude to the sin of the Watchers and present Jesus as overturning the disastrous effects of their sins against humanity. * How the descriptions of the antichrist, the end-times Day of the Lord, and the final judgment connect to Genesis 6 and the nephilim. Though every topic addressed in Reversing Hermon can be found in scholarly academic literature, Reversing Hermon is the first book to gather this information and make it accessible to Bible students everywhere.

Should our proclamation of the gospel be in words or deeds or both? What do the Scriptures say? New Testament scholar and missionary Dean Flemming takes a look at this disputed question. Rooted in the Old Testament and covering the Gospels, Paul, Acts, Peter and Revelation, Flemming provides a biblically sound basis for holistic evangelism.

The Missions of Jesus and the Disciples According to the Fourth Gospel Image

"What are Christians to make of their mission in an pluralistic world?" asks Paul F. Knitter, author of the landmark work in interfaith dialogue *No Other Name?* As a recognized scholar and participant in interfaith dialogue, Knitter is in a unique position to

explore the key concept of what Christian mission must entail in a world that will remain a world of many religious faiths for the foreseeable future. From the first chapter of *Jesus and the Other Names*, which recounts his own theological and dialogical odyssey, Knitter constructs what he calls a "correlational, globally-responsible theology of religions" as a necessary correction to traditional pluralist and exclusivist approaches. By anticipating and addressing his critics - both conservative and liberal - Knitter makes a powerful argument for a reconstruction of mission faithful to the Christian imperative and dynamically attuned to the plurality of the world. *Jesus and the Other Names* will give pause to those who believe Christian mission can be carried on as it was in the modern era. Sure to inspire debate as well as dialogue it offers a more humble, but perhaps more "Christic", postmodern approach to mission in the new millennium that has little to do with earthly glory and nothing to do with the sense of cultural superiority that has so often - and often so tragically accompanied modern missionary movements. Theologians, missiologists, Christian historians, can all benefit from its thoughtful and timely message.
