“ In order to develop an intimate relationship with Jesus, we need to reevaluate our perception about the Holy Spirit, ” states author Tommy Almonte in his new release, *The God That I Know: A Journey to Intimacy*. Almonte chronicles his journey towards greater intimacy with the Holy Spirit and how the Holy Spirit radically transformed his life. He writes: “ I have come to understand that the pursuit of intimacy in a relationship is like water or oxygen to our bodies. The desire and pursuit

of intimacy keeps a relationship alive. As time passes by, intimacy in a relationship becomes the road map to a long and happy friendship and life. ” Written in an easy-to-read style, this book is formatted in six different sections, including a study guide that allows readers to go deeper into the concepts highlighted in the book. Among the many topics covered in *The God That I Know: A Journey to Intimacy* are: How to develop a relationship with the Holy Spirit The personality of the Holy Spirit Requirements for intimacy with the Holy Spirit What God expects from our relationship with Him About the author: Tommy Almonte is a native of the Dominican Republic. God's DNA B&H Publishing Group Even in churches and movements founded on the truths of the Bible, man-centered approaches have often quickly eclipsed the simple power of the Gospel. The result is spiritual infertility and weariness in religion. The burnout and ineffectiveness of most evangelical churches is proof enough of the problem. J.D. Greear's new book, simply titled *Gospel*, cuts through the superficiality of religion and reacquaints readers with the

revolutionary truth of the Gospel. If we can ever just grasp what the Gospel shows us about God, that will lead us from a life of self-involvement to one of joy, freedom, love, and radical generosity. We are freed from meaninglessness and selfishness by the beautiful truth about Jesus. Most effectively, Greear anchors the mission and theology within the writing here with a disciplined daily "gospel prayer" he wrote celebrating God's faithfulness, presence, love, and promise. It begins to give readers an applicable, exciting vision of how God might use them to bring His healing to this world.

USA TODAY, PUBLISHERS WEEKLY AND ECPA BESTSELLER • The internationally recognized Bible teacher and daughter of Billy Graham combines unique biblical insights and her own personal stories to show how the Holy Spirit guides us in our decisions, comforts us in pain, and stays by our side at all times, enriching our daily lives. In *Jesus in Me*, Anne Graham Lotz draws on her rich biblical knowledge as well as her personal journey—including her recent cancer diagnosis—to help us understand that the Holy Spirit is not a

magic genie, a flame of fire, or a vague feeling. He is a Person who prays for us, guides us in our relationships and decisions, comforts us in pain, and stays by our side at all times. In this seminal teaching, she explores seven key aspects of the Holy Spirit that will revolutionize how you understand and relate to this vital third Person in the Trinity. As Anne writes, "One of my deepest, richest joys has been discovering by experience who the Holy Spirit is in every step of my life's journey. Each name that He has been given—Helper, Comforter, Advocate, Intercessor, Counselor, Strengthener, and Standby—reveals another aspect of His beautiful character and has provoked in me a deep love for the One who is my constant Companion . . . Jesus in me." Discover how to better love and rely on the person of the Holy Spirit—and embrace how much He loves you through His presence, power, and provision in our daily lives. Praise for *Jesus in Me* "With plentiful biblical references, Lotz encourages those who already rely on Jesus to step into a purpose-filled life led by the Holy's Spirit's guidance. Christians who desire to live a life of greater purpose to glorify God will be awed by Lotz's impassioned exploration of the role of the Holy Spirit in her life."—Publishers Weekly

“If there were a Guinness Book of World Records entry for ‘amount of times having prayed the sinner’s prayer,’ I’m pretty sure I’d be a top contender,” says pastor and author J. D. Greear. He struggled for many years to gain an assurance of salvation and eventually learned he was not alone. “Lack of assurance” is epidemic among evangelical Christians. In *Stop Asking Jesus Into Your Heart*, J. D. shows that faulty ways of presenting the gospel are a leading source of the confusion. Our presentations may not be heretical, but they are sometimes misleading. The idea of “asking Jesus into your heart” or “giving your life to Jesus” often gives false assurance to those who are not saved—and keeps those who genuinely are

saved from fully embracing that reality. Greear unpacks the doctrine of assurance, showing that salvation is a posture we take to the promise of God in Christ, a posture that begins at a certain point and is maintained for the rest of our lives. He also answers the tough questions about assurance: What exactly is faith? What is repentance? Why are there so many warnings that seem to imply we can lose our salvation? Such issues are handled with respect to the theological rigors they require, but Greear never loses his pastoral sensitivity or a communication technique that makes this message teachable to a wide audience from teens to adults.

[The Treatise on the Apostolic Tradition of St. Hippolytus of Rome, Bishop and Martyr](#) Xlibris Corporation

This exhaustive doctrinal book contains all the teachings of Jesus Christ. It draws the reader to conform to the Bible’s message which says about the early apostolic church: and they continued steadfastly in the apostles’ doctrine and fellowship, in the breaking of bread, and in prayers (Acts 2:42). Every tenet of the original apostles’ doctrine detailed in the New Testament is thoroughly explained. The teachings of Jesus and the ministry gifts He gave to the church found in Ephesians 4:11 are covered in depth to help

establish the church of Jesus Christ which Jesus said He will build and the gates of hell would not prevail against it (Matthew 16:18). This book gives deep insight into doctrinal issues and is a great guide for ministers, elders and all lay person who are ardent biblical students and desire a deeper walk with the Lord Jesus Christ.

[Dictionary of Biblical Imagery](#) Zondervan  
The prophet Brigham Young taught the restored gospel of Jesus Christ in a basic, practical way that gave inspiration and hope to the Saints struggling to build a home in the wilderness. Though more than a century has now passed, his words are still fresh and appropriate for us today as we continue the work of building the kingdom of God.

President Young declared that as members of The Church of Jesus Christ of Latter-day Saints we possess the “doctrine of life and salvation for all the honest-in-heart” (DBY, 7). He promised that those who receive the gospel in their hearts will have awakened “within them a desire to know and understand the things of God more than they ever did before in their lives” and will begin to “inquire, read and search and when they go to their Father in the name of Jesus he will not leave them without a witness” (DBY, 450). This book reflects the desire of the First Presidency and the Quorum of the Twelve Apostles to deepen the doctrinal understanding of Church members and to awaken within them a greater desire to know the things of God. It will inspire and motivate individuals, priesthood quorums, and Relief Society classes to inquire, read, search, and then go to their Father in

Heaven for a witness of the truth of these teachings. Each chapter contains two sections—"Teachings of Brigham Young" and "Suggestions for Study." The first section consists of extracts from Brigham Young's sermons to the early Saints. Each statement has been referenced, and the original spelling and punctuation have been preserved; however, the sources cited will not be readily available to most members. These original sources are not necessary to have in order to effectively study or teach from this book. Members need not purchase additional references and commentaries to study or teach these chapters. The text provided in this book, accompanied by the scriptures, is sufficient for instruction. Members should prayerfully read and study President Young's teachings in order to gain new insights into gospel principles and discover how those principles apply to their everyday lives. By faithfully and prayerfully studying these selections, Latter-day Saints will have a greater understanding of gospel principles and will more fully appreciate the profound and inspired teachings of this great prophet. The second section of each chapter offers a series of questions that will encourage thoughtful contemplation, personal application, and discussion of President Young's teachings. Members should refer to and carefully reread his words on the principle being discussed. Deep and prayerful study of these teachings will inspire members to greater personal commitment and will help them resolve to follow the teachings of the Savior, Jesus Christ. If individuals and families prayerfully follow the

principles in this book, they will be blessed and inspired to greater dedication and spirituality, as were the early Saints who heard these words directly from the lips of the "Lion of the Lord" (HC, 7:434)—the prophet, seer, and revelator, President Brigham Young.

Instead of using Acts as a proof-text for contemporary debates about speaking in tongues or church government, this New Studies in Biblical Theology volume offers a biblical-theological framework meant to expose Luke's own purposes and themes. We find that Luke wanted to be read in light of both the Old Testament promises and the reign of Christ in the inaugurated kingdom of God.

last words and instructions of Jesus to his closest followers before his ascension into heaven. As his last words, Jesus made a clear emphasis on the power and indwelling of the Holy Spirit upon which generations of his disciples would depend on. The central focus of this book is the nature and power of the Holy Spirit within and among his followers. In the end, the proof of Acts 29 is found in our living! In a variety of ways, the truth continues to provide an unmistakable bond between each generation of Jesus's disciples. The message Jesus spoke directly to his disciples in the beginnings of Luke's historical record continues to be boldly lived out by millions of believers today. Jesus's mandate to believe and be saved and then to be baptized in the Holy Spirit is still relevant for us today.

It touches upon questions about Scripture, tradition, and the teaching authority of the Church. ### Gaining By Losing Whitaker House

Most of us are familiar with the events of the first Christmas—the manger scene, shepherds watching sheep, angels singing their songs, and wise men arriving—but what if there's more to the story? What if the birth of Jesus is actually the most significant event in all of history and can transform our lives? This evangelistic book goes beyond the birth of Jesus to look at what he did when he grew up and how he fulfilled the names given to him centuries beforehand by the prophet Isaiah. In a compelling, insightful, winsome and personal way, J.D. Greear shows that if we get to know the God who lies behind the Christmas story and at the heart of the Christmas story, we'll discover the joy, hope, purpose and belonging we're all searching for. Readers will see that Jesus is the Wonderful Counsellor, who can guide them in all truth; the

Mighty God, who made and owns everything; the Eternal Father, who they can trust to love them forever; and the Prince of Peace, who died in their place so that they can be forgiven and accepted eternally.

### Desiring God Xlibris Corporation

Pastor and author J. D. Greear reveals that the secret to a robust, passionate faith isn't getting all the right answers about God, but seeing God as the awesome, glorious, and infinite presence that He is. We like God small. We prefer a God who is safe, domesticated, who thinks like we think, likes what we like, and whom we can manage, predict, and control. A small God is convenient. Practical. Manageable. For us, thinking of God as so infinitely greater and wiser than we are and who would cause us to tremble in his presence is a leftover relic from an oppressive, archaic view of religion. But what if this small version of God we've created is holding us back from the greatest experience of our lives--from genuine, confident, world-transforming faith? In *Not God Enough*, J.D. reveals how to discover a God who: is big enough to handle your questions, doubts, and fears is not silent is worthy of worship wants to take you from boring to bold in your faith has a purpose and mission for you on earth is pursuing you right now The truth: God is big. Bigger than big. Bigger than all the words we use to say big. Only a God of infinite power, wisdom, and majesty can answer our deepest questions and meet our deepest longings. God is not just a slightly better, slightly smarter version of you. God is infinite and

glorious, and an encounter with Him won't just change the way you think about your faith. It'll change your entire life.

Jesus, Continued... Zondervan

Church fellowship and witnessing are two necessary everyday activities that are practiced by the Church that helps to sustain its existence by perfecting brethren in righteousness and in winning souls for the Lord. These activities were promoted by Jesus Christ for the ongoing work of salvation and for unity of spirit in the bond of peace. Thus fellowship and witnessing are mandatory for spiritual and corporeal growth. The togetherness provides mutual help and mentoring in support of being edified concerning the gospel and in performing the will and work of the Lord. Without this togetherness in working and living for the Lord among the body of Believers, spiritual and corporeal growth would be lacking and there would be a great possibility for the extinction of the Church. Thus, the only wise God instituted fellowship and witnessing to uphold the need for the Church, which is the only vehicle instituted to keep us separated from the world through righteous standards with the intent to transport us into eternity. This association also make it possible with the help of the Holy Spirit, to defeat The gates of hell (evil opposition) by human intensity in the Church's war against demonic forces (Mat. 11:12).
