## Live Like a Jesus Freak Little, Brown

Eight women from eight very different backgrounds. Yet the struggles they each faced rang with eerie similarity. These courageous women from across the globe-Pakistan, India, Romania, Former Soviet Union, China, Vietnam, Nepal, Indonesia-shared similar experiences of hardship, subjugation, and persecution, all because of their faith in Christ. Yet all of these women have emerged from adversity as leaders and heroines. The eight modern-day pilgrims featured in *Hearts of Fire* are the hidden jewels in the church universal. They are worthy role models of faith and passion, and women of every age will gain new strength and hope for their own times of crisis and trial as they read these inspiring stories. Each story concludes with thoughtful self-reflection questions for the reader.

## The Jesus People

## Movement Baker Books Christianity Today

"Beautiful Orthodoxy" Book of the Year in 2016. Keep Christianity Strange. As the culture changes all around us, it is no longer possible to pretend that we are a Moral Majority. That may be bad news for America, but it can be good news for the church. What's needed now, in shifting times, is neither a doubling-down on the status quo nor a pullback into isolation. Instead, we need a church that speaks to social and political issues with a bigger vision in mind: that of the gospel of Jesus Christ. As Christianity seems increasingly strange, and even subversive, to our culture, we have the opportunity to reclaim the freakishness of the gospel, which is what gives it its power in the first place. We seek the kingdom of God, before everything else. We connect that

---

kingdom agenda to the culture around us, both by speaking it to the world and by showing it in our churches. As we do so, we remember our mission to oppose demons, not to demonize opponents. As we advocate for human dignity, for religious liberty, for family stability, let's do so as those with a prophetic word that turns everything upside down. The signs of the times tell us we are in for days our parents and grandparents never knew. But that's no call for panic or surrender or outrage. Jesus is alive. Let's act like it. Let's follow him, onward to the future.

Reason, Faith, and Revolution  
Stupid Church Book Press

“ ALL OF HEAVEN  
HOLDS ITS BREATH  
WAITING ON YOUR  
DECISION TO LIVE  
OUTRAGEOUSLY IN  
FAITH. TO BE  
UNCOMPROMISING TO  
WHATEVER GOD CALLS

YOU TO DO... ” The word CRAZY refers to passionate, zealous and devoted individuals. They inspire followers, challenge systems of thinking and bring a revolution. Jesus was in every sense of the word, CRAZY. He set a new standard of living and became a revolutionary; changing the world forever. Too many believers today are spiritually apathetic to things of God. They have no power, influence or fruitfulness of any significant amount. In a time of superficial faith the time has come for a CRAZY Revolution. To make a stand in the faith no matter the cost. To turn over tables in the face of hypocrisy. And to live the Christian faith radically. This is the Jesus way. What does it look like to be a committed Christian? How are we to live in holiness in a dark and fallen world? And how are we to stay true to Jesus ' call in taking up our cross and following Him?

---

The answers will surprise you. This book will cover the essential qualities of what it means to be a faithful follower of Christ. It will explore the key elements of what are to be our priorities and how to finish our race strong. A revolution is rising in on the horizon of a strong and faithful army, living outrageously in faith. Much is at stake and all of heaven is awaiting your decision.

Because at the end of the day, as you will soon find, you ' ll be crazy not to be CRAZY...

### The Irresistible

### Revolution Paw Prints

God has always been interested in turning unlikely people into his most fervent followers. Prostitutes and pagans, tax collectors and tricksters. The more unlikely, the more it seemed to please God and to demonstrate his power, might, and mercy.

America in the 1960s and 1970s was full of unlikely people--men and women who had rejected the stuffy religion of their parents' generation, who didn't follow the rules, didn't fit in. The perfect setting for the greatest spiritual awakening of the 20th century. With passion and purpose, Greg Laurie and Ellen Vaughn tell the amazing true story of the Jesus Movement, an extraordinary time of mass revival, renewal, and reconciliation. Setting fascinating personal stories within the context of one of the most tumultuous times in modern history, the authors draw important parallels with our own time of spiritual apathy or outright hostility, offering

---

hope for the next generation of unlikely believers--and for the next great American revival. Those who lived through the Jesus Revolution will find here an inspiring reminder of the times and people that shaped their lives and faith. Younger readers will discover a forgotten part of recent American history and, along with it, a reason to believe that God is not finished with their generation.

Take this Bread Zondervan

"I am not going to apologize for speaking the name of Jesus . . . If I have to sacrifice everything . . . I will." ûRachel Scott The Columbine tragedy in April 1999 pierced the heart of our country. We later learned that the teenage killers specifically targeted

Rachel Scott and mocked her Christian faith on their chilling, homemade videotapes. Rachel Scott died for her faith. Now her parents talk about Rachel's life and how they have found meaning in their daughter's martyrdom in the aftermath of the school shooting.

Rachel's Tears comes from a heartfelt need to celebrate this young girl's life, to work through the grief and the questions of a nation, and to comfort those who have been touched by violence in our schools today. Using excerpts and drawings from Rachel's own journals, her parents offer a spiritual perspective on the Columbine tragedy and provide a vision of hope for preventing youth violence across the nation. Meets national education standards.

Jesus Freaks Harper Collins  
The story of an unexpected  
and terribly inconvenient  
Christian conversion, told by a  
very unlikely convert, Take  
This Bread tells the story of a  
restaurant cook and writer  
who wandered into a church  
and found herself transformed,  
setting up a food pantry  
around the same altar where  
she first received the body of  
Christ.

*Crazy Revolution* Baker  
Books

In these stormy times,

voices from all fronts call for  
change. But what kind of  
revolution brings true  
freedom to both society and  
the human soul? Cultural  
observer Os Guinness  
explores the nature of  
revolutionary faith,  
contrasting between secular  
revolutions such as the  
French Revolution and the  
faith-led revolution of  
ancient Israel. He argues that  
the story of Exodus is the  
highest, richest, and deepest  
vision for freedom in human  
history. It serves as the  
master story of human  
freedom and provides the  
greatest sustained critique of  
the abuse of power. His  
contrast between "Paris" and  
"Sinai" offers a framework  
for discerning between two  
kinds of revolution and their  
different views of human  
nature, equality, and liberty.  
Drawing on the Hebrew and

---

Christian Scriptures, Guinness develops Exodus as the Magna Carta of humanity, with a constructive vision of a morally responsible society of independent free people who are covenanted to each other and to justice, peace, stability, and the common good of the community. This is the model from the past that charts our path to the future. "There are two revolutionary faiths bidding to take the world forward," Guinness writes. "There is no choice facing America and the West that is more urgent and consequential than the choice between Sinai and Paris. Will the coming generation return to faith in God and to humility, or continue to trust in the all sufficiency of Enlightenment reason, punditry, and technocracy? Will its politics

be led by principles or by power?" While Guinness cannot predict our ultimate fate, he warns that we must recognize the crisis of our time and debate the issues openly. As individuals and as a people, we must choose between the revolutions, between faith in God and faith in Reason alone, between freedom and despotism, and between life and death.

you will lose it. But if you give up your life for my sake and for the sake of the Good News, you will find true life." Jesus / Mark 8:34-35 nlt Stand for what you believe in.

### **Not by Might Nor by Power**

Simon and Schuster

For God so loved the world that he gave his only two begotten sons. and a few million zombies Thugs, pushers, gangsters, rapists, murderers; Detective Philip Makane thought he'd seen it all until he awoke on the morning of Easter Sunday 2015, to a world filled with bleeding rain, ravenous zombies, a homicidal ghost, and the sudden arrival of two men with extraordinary powers who both claim to be Jesus Christ in the flesh.

Love and Capital Thomas Nelson Inc

First published in 1976, Paul Johnson's exceptional study of Christianity has been loved and widely hailed for its intensive research, writing, and magnitude—"a tour de force, one of the most

ambitious surveys of the history of Christianity ever attempted and perhaps the most radical" (New York Review of Books).

In a highly readable companion to books on faith and history, the scholar and author Johnson has illuminated the Christian world and its fascinating history in a way that no other has. Johnson takes off in the year AD 49 with his namesake the apostle Paul. Thus beginning an ambitious quest to paint the centuries since the founding of a little-known 'Jesus Sect', A History of Christianity explores to a great degree the evolution of the Western world. With an unbiased and overall optimistic tone, Johnson traces the fantastic scope of the consequent sects of Christianity and the people who followed them.

Information drawn from extensive and varied sources from around the world makes this history as credible as it is

---

reliable. Invaluable understanding of the framework of modern Christianity—and its trials and tribulations throughout history—has never before been contained in such a captivating work.

LAMBDA LITERARY

AWARD FINALIST A

transgender reporter's "powerful, profoundly moving" narrative tour through the surprisingly vibrant queer communities sprouting up in red states (New York Times Book Review), offering a vision of a stronger, more humane America. Ten years ago, Samantha Allen was a suit-and-tie-wearing Mormon missionary. Now she's a GLAAD Award-winning journalist happily married to another woman. A lot in her

life has changed, but what hasn't changed is her deep love of Red State America, and of queer people who stay in so-called "flyover country" rather than moving to the liberal coasts. In *Real Queer America*, Allen takes us on a cross-country road-trip stretching all the way from Provo, Utah to the Rio Grande Valley to the Bible Belt to the Deep South. Her motto for the trip:

"Something gay every day." Making pit stops at drag shows, political rallies, and hubs of queer life across the heartland, she introduces us to scores of extraordinary LGBT people working for change, from the first openly transgender mayor in Texas history to the manager of the only queer night club in Bloomington, Indiana, and many more. Capturing profound cultural shifts

---

underway in unexpected places and revealing a national network of chosen family fighting for a better world, *Real Queer America* is a treasure trove of uplifting stories and a much-needed source of hope and inspiration in these divided times.

*The Jesus Generation*

InterVarsity Press

"When the master's son discovers that their slave Joseph can read, Abram Callcott, owner and master of Delora plantation in antebellum Charleston provides for "secret tutelage. But as Joseph's quest for knowledge increases, he faces incredible choices in his search to balance his blossoming faith, his intellectual thirst, and the laws that bind him."--Cover.

*Real Queer America* Yale University Press

A powerful and impassioned historical account of the largest successful revolt by enslaved people in history: the Haitian Revolution of 1791–1803 “One of the seminal texts about the history of slavery and abolition.... Provocative and empowering.” —The New York Times Book Review *The Black Jacobins*, by Trinidadian historian C. L. R. James, was the first major analysis of the uprising that began in the wake of the storming of the Bastille in France and became the model for liberation movements from Africa to Cuba. It is the story of the French colony of San Domingo, a place where the brutality of plantation owners toward enslaved people was horrifyingly severe. And it is the story of a charismatic and barely literate enslaved person named Toussaint L’Ouverture, who successfully led the Black people of San Domingo against successive invasions by overwhelming French, Spanish, and English forces—and in the process helped form the first independent post-colonial nation in the Caribbean. With a new

introduction (2023) by Professor David Scott.

Jesus Revolution Tommy Nelson

Brilliantly researched and wonderfully written, LOVE AND CAPITAL reveals the rarely glimpsed and heartbreakingly human side of the man whose works would redefine the world after his death. Drawing upon previously unpublished material, acclaimed biographer Mary Gabriel tells the story of Karl and Jenny Marx's marriage. Through it, we see Karl as never before: a devoted father and husband, a prankster who loved a party, a dreadful procrastinator, freeloader, and man of wild enthusiasms-one of which would almost destroy his marriage. Through years of desperate struggle, Jenny's love for Karl would be tested again and again as she waited for him to finish his masterpiece, Capital. An epic

narrative that stretches over decades to recount Karl and Jenny's story against the backdrop of Europe's Nineteenth Century, LOVE AND CAPITAL is a surprising and magisterial account of romance and revolution-and of one of the great love stories of all time.

Rachel's Tears: 10th Anniversary Edition Baker Books

On the one hand, Eagleton demolishes what he calls the "superstitious" view of God held by most atheists and agnostics and offers in its place a revolutionary account of the Christian Gospel. On the other hand, he launches a stinging assault on the betrayal of this revolution by institutional Christianity. There is little joy here, then, either for the anti-God brigade -- Richard Dawkins and Christopher Hitchens in particular -- nor for many conventional believers.

**Jesus Freaks: Martyrs** Bethany House Publishers

In *God of Liberty*, historian Thomas S. Kidd argues that the improbable partnership of evangelicals and Deists saw America through the Revolutionary War, the ratification of the Constitution, and the election of Thomas Jefferson in 1800 --From publisher description.

Jesus Freaks Canterbury Press

What would you do for the cross of Christ? For two thousand years, Christians have courageously triumphed over beatings, stonings, burnings, wild beasts, and every form of evil to boldly proclaim one truth: the name of Jesus. *Voices of the Martyrs* AD 33 – Today is their story and your Christian heritage. In the 16th century, English preacher John Foxe created what would later be called

the “second most important book in history” after the Bible: Foxe’s *Book of Martyrs*. With dozens of images, modernized English, and up-to-date accounts, *Foxe: Voices of the Martyrs* faithfully binds the testimonies of more than 50 of Foxe’s heroes from the Early Church to the Reformation with Christians in the Enlightenment, the Industrial Revolution, and through the twentieth century. More importantly, *Foxe: Voices of the Martyrs* unites past Christians with believers today. Building on over fifty years of ministry to persecuted Christians, The Voice of the Martyrs organization shares sixty-seven stories of Christians who have stood faithfully to the death since 2000. Their courage in the face of ISIS and the Taliban, brutal

---

dictatorships, and government crackdowns will inspire you to boldness and remind you that the same Spirit of Christ Who strengthened Stephen, Peter, and Paul is at work in you today.

**The Poor Revolutionist** Copper Canyon Press

A journalist's penetrating look at the untold story of christian fundamentalism's most elite organization, a self-described invisible network dedicated to a religion of power for the powerful They are the Family—fundamentalism's avant-garde, waging spiritual war in the halls of American power and around the globe. They consider themselves the new chosen—congressmen, generals, and foreign dictators who meet in confidential cells, to pray and plan for a "leadership led by God," to be won not by force but through "quiet diplomacy." Their base is a leafy estate overlooking the Potomac in Arlington, Virginia, and Jeff Sharlet is the

only journalist to have reported from inside its walls. The Family is about the other half of American fundamentalist power—not its angry masses, but its sophisticated elites. Sharlet follows the story back to Abraham Vereide, an immigrant preacher who in 1935 organized a small group of businessmen sympathetic to European fascism, fusing the far right with his own polite but authoritarian faith. From that core, Vereide built an international network of fundamentalists who spoke the language of establishment power, a "family" that thrives to this day. In public, they host Prayer Breakfasts; in private, they preach a gospel of "biblical capitalism," military might, and American empire. Citing Hitler, Lenin, and Mao as leadership models, the Family's current leader, Doug Coe, declares, "We work with power where we can, build new power where we can't." Sharlet's discoveries dramatically challenge conventional wisdom about American fundamentalism, revealing its crucial role in the unraveling of the New Deal, the

---

waging of the cold war, and the no-holds-barred economics of globalization. The question Sharlet believes we must ask is not "What do fundamentalists want?" but "What have they already done?" Part history, part investigative journalism, *The Family* is a compelling account of how fundamentalism came to be interwoven with American power, a story that stretches from the religious revivals that have shaken this nation from its beginning to fundamentalism's new frontiers. No other book about the right has exposed the Family or revealed its far-reaching impact on democracy, and no future reckoning of American fundamentalism will be able to ignore it.
