Just exercise just what we meet the expense of below as skillfully as evaluation Jesus The Evangelist Learning To Share Gospel From Book Of John Kindle Edition Richard D Phillips what you subsequent to to read!

*The Identity of John the Evangelist* Barbour Publishing  
Written by an L. A. County homicide detective and former atheist, *Cold-Case Christianity* examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a "cold case": it makes a claim about an event from the distant past for which there is little forensic evidence. In *Cold-Case Christianity*, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers' intense interest in detective stories, *Cold-Case Christianity* inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.

Jesus at the Door Lulu.com  
Read by the authors. Could sharing your faith be the secret to unlocking

your spiritual growth? For many followers of Jesus, spiritual growth involves a series of spiritual practices that promise to deepen our connection with God and train us in the ways of Jesus. Unfortunately, these practices are often disconnected from the mission and purposes of God in reaching a lost world with the gospel message. What if the secret to unlocking spiritual growth was as simple as infusing our spiritual practices with an outward focus? What if we could learn from the example of Jesus and walk naturally in his footsteps as he leads us closer to the heart of God and the deepest needs of the world? In *Organic Disciples*, Kevin and Sherry Harney lead ordinary followers of Jesus through seven markers of spiritual maturity, showing how simple shifts in our Bible reading, prayer, community life, giving, service, and other biblical practices can connect us with God's work of reaching people with his love. Taking a holistic approach that unites evangelism and discipleship, Kevin and Sherry explain how God's plan for our spiritual growth is intimately connected to his mission to the world. True spiritual growth and maturity will always lead believers outward to engage the world with the good news and truth of Jesus. And in a surprising twist, our own spiritual growth will often remain stunted and limited until we take the step of joining God in his mission to love others. This book will help you see how Jesus modelled a lifestyle of loving others, overcome the common roadblocks and false narratives that stand in the way of spiritual maturity, and design a personal pathway of growth to be more like Jesus in character and mission. Along with the *Organic Disciples* book, churches and individuals can utilize a free, self-directed online tool to help each person identify where they are in their growth journey. In addition, there will be an eight-week sermon series and

small group curriculum to take congregations and Christians deeper on this journey.

[Reaching the Unreached](#) Crossway  
Most Christians know they should be trying to tell their friends and family about Jesus. But in a post-Christendom world, personal evangelism is viewed negatively--it's offensive, inappropriate, and insensitive. Recent studies confirm that the majority of Christians rarely evangelize, worried they might offend their family or lose their friends. In *How to Talk About Jesus (Without Being That Guy)*, author Sam Chan equips everyday Christians who are reluctant and nervous to tell their friends about Jesus with practical, tested ways of sharing their faith in the least awkward ways possible. Drawing from over two decades of experience as an evangelist, teacher, and pastor, Chan explains why personal evangelism feels so awkward today. And utilizing recent insights from communication theory, cross-cultural ministry, and apologetics, he helps you build confidence in sharing your faith, and teaches you how to evangelize your friends and family in socially appropriate ways. [Organic Disciples](#) Reformation Trust Publishing  
The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave.

*Peace with God* Kregel Publications  
Do you battle with doubts, unbelief, and confusion? Do fear and hesitancy inhibit your steps of faith? Do you feel tossed to and fro or struggle to make decisions and then keep them? Do your thoughts race like a hamster on a wheel but leave you exhausted and no further ahead? These are symptoms of double-mindedness and you are not alone. All Christians wrestle with times of double-mindedness, but God has a roadmap; a how-to guide for standing firm in your faith with an undivided heart and singleness of mind. Through

each chapter, you will engage keys for your journey that will enable you to know His unfailing love and character, remove doubt and wavering in decision making and cut off the second head of double-mindedness. You will learn to confidently use your undefeatable spiritual weapons and fight from victory to win the battle for your faith and follow God's promptings with new confidence and singleness of mind. Stop struggling and start stepping into your God-given destiny today.

**Cold-Case Christianity** Ministry & Leadership Development

Studying Jesus' conversations with diverse people in his day, Jerram Barrs draws lessons and principles for attractively communicating the gospel to unbelievers in our day. Living in a culture that is opposed to Christianity tempts God's people to conform, to retreat, to be silent. But Jesus showed the way to live faithfully before an unbelieving world. As the greatest evangelist, Jesus exemplified how to attract people to the gospel. He modeled how to initiate spiritual conversations full of grace and truth. Christian evangelism, then, both in theory and practice, must be shaped by his pattern. Seeking to articulate the passions and principles present in Christ's life and words, longtime L'Abri staff member Jerram Barrs has studied Jesus' diverse encounters with people throughout the Gospels. Each chapter of *Learning Evangelism from Jesus* recounts one of those stories, draws useful lessons for readers' lives and communication of the gospel, and concludes with questions for further reflection and application. This highly practical book will guide Christians in how to live before unbelievers and how to love them into the kingdom, just as Jesus did.

Know and Tell the Gospel InterVarsity Press

Making use of his true scholar's understanding, yet writing in an approachable and anecdotal style, Tom Wright manages to unravel the great complexity of this extraordinary gospel. He describes it as 'one of the great books in the literature of the world; and part of its greatness is the way it reveals its secrets not just to high-flown learning, but to those who come to it with humility and hope'. Wright's stimulating comments are combined with his own translation of the Bible text. Tom Wright has undertaken a tremendous task: to provide guides to all the books of the New Testament, and to furnish them with his own fresh translation of the entire text. Each short passage is followed by a highly readable discussion with background information. The series is

suitable for personal or group use. The format makes it appropriate also for daily study.

**The Power of the Blood of Jesus** B&H Publishing Group

Argument and imagination are often interdependent. Martin Warner explores how this relationship bears on argument's concern with truth, not just persuasion. He argues that the rationality of argument is not only a matter of deductive validity, but can be assessed in terms of criteria drawn from the study of imaginative literature.

**Evangelism** Xulon Press

Share Jesus Without Fear - Member Book by William Fay and Ralph Hodge is the revised edition of this popular evangelism resource and presents a simple and relational approach to witnessing that underscores the dependence of God's power for the results.

*Just Do Something* Zondervan

Understand, this book is not written to make you feel bad or condemn you if you have not engaged others with the gospel message. This book is written to encourage and inspire you. Even though pastor and author Greg Laurie is a "gospel-presenting professional," in this book he tells stories of his own failure and success. The most important things you will find here are biblical principles that you can apply yourself. Taken from the life and witness of Jesus, and tested over Greg's forty years of ministry, in both one-on-one experiences and large-scale evangelistic arena and stadium events, these ideas are intended to mobilize every person in the church to "Tell Someone" about Jesus Christ.

Questioning Evangelism, Second Edition Crossway

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

**The Incredible Patience of God** B&H Publishing Group

Do you share your faith often--or at all? All Christians are called to be evangelists. But many believers ask: What is an evangelist? How do I begin to talk to someone about Jesus? What must I say? This book offers answers about evangelism straight from the pages of

Scripture.

Meeting Jesus Canongate U.S.

Billy Graham shares God's gentle, reassuring promise of spiritual calm and authentic peace in a world falling apart at the seams. In a culture that values "quality of life" and personal happiness above all else, why are so many of us unhappy, anxious, lonely, on the brink of despair? Why do so many of us feel empty, even though we live surrounded by plenty? In *Peace with God*, Reverend Graham takes you on a great quest to find the answers to life's purpose. Along the way, he answers essential questions to understanding the true hope at the foundation of the Christian faith—questions like: What is God like? Why did Jesus come? What is repentance? How can I be sure of salvation? How should a Christian live? "God's peace can be in your heart—right now . . . Whatever the circumstances, whatever the call, whatever the duty, whatever the price, whatever the sacrifice—His strength will be your strength in your hour of need. It's all yours, and it's free." *Peace with God* is a timeless message of hope for all those struggling with despair and loneliness. Billy Graham will beckon you on the path to lasting peace as he describes the basics of the biblical message, the problem of sin, the tenets of the Christian way of life, and the glorious hope for the future.

*Evangelism Is ...* Fortress Academic

Many of the old methods of evangelism no longer work effectively today. We need new methods to communicate the timeless message of the gospel in culturally relevant ways. In a post-Christian, post-churched, post-reached world, most Christians have been poorly equipped to tell their friends about Jesus. Dr. Chan combines the theological and biblical insights of classic evangelistic training with his own and hard-won insights from missiology on contextualization, cultural hermeneutics, and storytelling. Every chapter is illustrated with real-world examples drawn from over fifteen years of evangelistic ministry across the globe. These are methods that really work—with university students, urban workers, and professionals—getting past the defensive posture that people have toward Christianity so they can seriously consider the claims of Jesus Christ. Field-tested and filled with unique, fresh, and creative insights, this book will equip you to share the gospel in today's world and help as many people as possible hear the good news about Jesus.

Homilies on the Gospel of John;

Homilies on the First Epistle of John;

Soliloquies Zondervan

Jesus the Evangelist is a

transformative guide to becoming a better disciple through studying the words of Jesus. Using specific and concrete examples from Scripture, the book focuses on the life of Jesus and on the ways he evangelized among his disciples and followers. It defines for Catholics what evangelization is while addressing how individuals can evangelize in their everyday lives, and how parishes can evangelize through the examples Jesus gave us.

**John Baker Books**

"Few books have had as great an impact on the cause of world evangelization in our generation as Robert Coleman's "The Master Plan of Evangelism."--Billy Graham It all started when Jesus called a few men to follow him and share God's message with their neighbors. We are called to do the same. But evangelism can be difficult--even intimidating. With all the evangelism resources available, where should you turn to find advice on how to share the Good News with others? Robert E. Coleman says the answers aren't found in TV evangelism, easy-evangelism guidebooks, or the latest marketing techniques. Rather, he looks to the Bible, to the ultimate example found in Jesus Christ. For more than forty years this classic, biblical look at evangelism has challenged and instructed over three million readers. Now repackaged for a new generation, "The Master Plan of Evangelism" is as fresh and relevant as ever. Join the movement and discover how you can minister to the people God brings into your life.

**The Christian Evangelist** Lifeway Church Resources

In this book, Richard D. Phillips cuts through the cultural confusion, highlights God's mandate for men, and encourages readers to join him on a journey of repentance and renewal. Phillips begins in the Garden of Eden, drawing foundational teaching for men from the earliest chapters of God's Word. This is teaching that reaches into all of life. Christian men today need to examine their hearts and embrace their God-given mandate. Only then will they be able to recognize their high calling, and by God's grace, serve faithfully in whatever context God has placed them.

Masculine Mandate: God's Calling to Men Oxford University Press

For too long church leaders have focused on increasing the size of their church rather than increasing their

reach outside of the four walls of the church building. The result? Church life becomes a predictable set of routines with predictable results. Church members struggle to reach the neighborhoods they drive through on their way to church programs, unable to penetrate their surrounding communities in a meaningful way. Reaching the Unreached recounts the stories, struggles, and triumphs of individuals and churches that have reinvented themselves to meet the world where it is, working to reach the ones that no one else is reaching. The search for the "silver bullet" of success has diverted us from tapping into the timeless principles found in the book of Acts, says author, pastor, and front-line church planter Peyton Jones. Yet the spiritual climate that Paul and the Apostles stepped into is not all that different from the brave new world the church faces today. From accidentally planting a church in a Starbucks in Europe, to baptizing members of the Mexican mafia in Long Beach Harbor, Jones has been on the frontlines of today's missional movement and has lived to tell the tale. In Reaching the Unreached, he teaches church planters, pastors, and church leaders how to convert pew jockeys into missionaries and awake the sleeping giant of Christ's church, one person at a time. Today there are two types of churches: those who put their proverbial heads in the sand, and those who champion 1st century principles, meet the challenges head on, and embrace the adventure of mission in community. Tomorrow, only one type of church will survive—those that accept the challenge to reach the unreached.

The Gospel According to Mark Moody Publishers

Hyper-spiritual approaches to finding God's will don't work. It's time to try something new: Give up. Pastor and author Kevin DeYoung counsels Christians to settle down, make choices, and do the hard work of seeing those choices through. Too often, he writes, God's people tinker around with churches, jobs, and relationships, worrying that they haven't found God's perfect will for their lives. Or-even worse-they do absolutely nothing, stuck in a frustrated state of paralyzed indecision, waiting...waiting...waiting for clear, direct, unmistakable direction. But God

doesn't need to tell us what to do at each fork in the road. He's already revealed his plan for our lives: to love him with our whole hearts, to obey His Word, and after that, to do what we like. No need for hocus-pocus. No reason to be directionally challenged. Just do something.

The Gospel According to John Zondervan Academic

For challenge and encouragement in your Christian life, read the life stories of C. S. Lewis, D. L. Moody, Fanny Crosby, and John Newton.
