After leaving her disastrous marriage behind, Shelley Browning goes back to college to get her degree and comes face-to-face with an unforgettable man from her past. Grant Chapman had briefly taught her in high school ten years earlier. There teacher and student had shared a single, scorching, unplanned kiss that still haunts Shelley's dreams. Now, as irresistible

as ever, Grant has just returned to teaching after a stint as a congressional aide in Washington...and sees no impropriety in asking Shelley out. Isn't this what she secretly longs for? Never has Shelley felt more confused about what she really wants or what is best for them both. But a stunning accusation is about to change all that and force Shelley Browning to either take some dangerous risks -- or spend the rest of her life regretting what could have been.

It has become common knowledge that childhood obesity rates are increasing every year. But the rates continue to rise. And between busy work schedules and the inconvenient truth that kids simply refuse to eat vegetables and other healthy foods, how can average parents ensure their kids are

getting the proper nutrition and avoiding bad eating habits? As a mother of three, Jessica Seinfeld can speak for all parents who struggle to feed their kids right and deal nightly with dinnertime fiascos. As she wages a personal war against sugars, packaged foods, and other nutritional saboteurs, she offers appetizing alternatives for parents who find themselves succumbing to the fastest and easiest (and least healthy) choices available to them. Her modus operandi? Her book is filled with traditional recipes that kids love, except they're stealthily packed with veggies hidden in them so kids don't even know! With the help of a nutritionist and a professional chef, Seinfeld has developed a month's worth of meals for kids of all ages that includes, for example, pureed cauliflower in mac and cheese, and kale in spaghetti and meatballs. She also

---

provides revealing and humorous personal anecdotes, tear-out shopping guides to help parents zoom through the supermarket, and tips on how to deal with the kid that "must have" the latest sugar bomb cereal. But this book also contains much more than recipes and tips. By solving problems on a practical level for parents, Seinfeld addresses the big picture issues that surround childhood obesity and its long-term (and ruinous) effects on the body. With the help of a prominent nutritionist, her book provides parents with an arsenal of information related to kids' nutrition so parents understand why it's important to throw in a little avocado puree into their quesadillas. She discusses the critical importance of portion size, and the specific elements kids simply must have (as opposed to adults) in order to flourish now and in the future: protein, calcium, vitamins, and Omega 3 and 6 fats. Jessica Seinfeld's book is practical, easy-to-read, and a godsend for any parent that wants their kids to be healthy for a long time to come.

Dear Gram and Grampop, Please do not address yours truly as California anymore, California Morning Whipple being a foolish name for a duck much less a girl. I call myself Lucy now. I cannot hate California and be California. I know you will understand. California doesn't suit Lucy Whipple -- not the name, not the place. But moving out West to

Lucky Diggins, California, was her mama's dream-come-true. And now her brother, Butte, and sisters, Prairie and Sierra, seem to be Westerners at heart, too. For Lucy, Lucky Diggins is hardly a town at all -- just a bunch of ramshackle tents and tobacco-spitting miners. Even the gold her mama claimed was just lying around in the fields isn't panning out. Worst of all, there's no lending library! Dag diggety! So Lucy vows to be plain miserable until she can hightail it back East where she belongs. But Lucy California Morning Whipple may be in for a surprise -- because home is a lot closer than she thinks... When California Morning Whipple's widowed mother uproots her family from their comfortable Massachusetts environs and moves them to a rough mining camp called Lucky Diggins in the Sierras, California Morning resents the upheaval. Desperately wanting to control something in her own life, she decides to be called Lucy, and as Lucy she grows and changes in her strange and challenging new environment. Here Karen Cushman helps the American Gold Rush spring to colorful life, just as she did for medieval England in her previous two books, *Catherine, Called Birdy* and *The Midwife's Apprentice*, which won Newbery Honor status and a Newbery Medal respectively.

When Tess and Eliot stumble upon an ancient book hidden in a secret tunnel beneath the school library, they accidentally release a devil from his book-bound prison, and he 'll stop at nothing to stay free. He 'll manipulate all the ink in the library books to do his bidding, he 'll murder in the stacks, and he 'll bleed into every inch of Tess 's life until his freedom is permanent. Forced to work together, Tess and Eliot have to find a way to re-trap the devil before he kills everyone they know and love, including, increasingly, each other. And compared to what the devil has in store for them, school stress suddenly doesn 't seem so bad after all.

The author of Parsifal's Page "interweaves action with sophisticated, wry humor and deft characterization to bring to life yet another medieval tale" (VOYA). Young Dinadan has no wish to joust or quest or save damsels in distress or do any of the knightly things expected of him. He'd rather be a minstrel, playing his rebec and writing ballads. But he was born to be a knight, and knights, of course, have adventures. So after his father forces his knighthood upon him, he wanders toward King Arthur's court, in the company of a misguided young Welsh lad named Culloch. There Dinadan meets Sir Kai and Sir Bedivere, and the three find themselves accompanying Culloch on the worst sort of quest. Along the way, Dinadan writes his own ballads, singing of honor, bravery, loyalty, and courtly love—and becomes a player in the pathetic love story of Tristram and Iseult. He meets the Moorish knight Palomides, the clever but often exasperating Lady Brangienne, and an elvin musician named Sylvanus, along with an unusual collection of

recreant knights and dimwitted defenders of chivalry. He learns that while minstrels sing of spectacular heroic deeds, honor is often found in simpler, quieter ways. "The humor ranges from subtle irony to scenes of pure comedy . . . a lighthearted introduction to the period." —School Library Journal (starred review) "Morris creates in Dinadan one of his most appealing protagonists. Written in accessible prose and laced with occasional magic, the novel moves at a quick pace and showcases a continually maturing hero." —The Horn Book "A witty tale of adventure and reflection." —Booklist

A series of chance encounters leads to a sizzling new romance from the New York Times bestselling author of the On Dublin Street series. The universe is conspiring against Ava Breevort. As if flying back to Phoenix to bury a childhood friend wasn't hell enough, a cloud of volcanic ash traveling from overseas delayed her flight back home to Boston. Her last ditch attempt to salvage the trip was thwarted by an arrogant Scotsman, Caleb Scott, who steals a first class seat out from under her. Then over the course of their journey home, their antagonism somehow lands them in bed for the steamiest layover Ava's ever had. And that's all it was--until Caleb shows up on her doorstep. When pure chance pulls Ava back into Caleb's orbit, he

proposes they enjoy their physical connection while he's stranded in Boston. Ava agrees, knowing her heart's in no danger since a) she barely likes Caleb and b) his existence in her life is temporary. Not long thereafter Ava realizes she's made a terrible error because as it turns out Caleb Scott isn't quite so unlikeable after all. When his stay in Boston becomes permanent, Ava must decide whether to fight her feelings for him or give into them. But even if she does decide to risk her heart on Caleb, there is no guarantee her stubborn Scot will want to risk his heart on her....

"[Daniel Pauly] is an iconoclastic fisheries scientist ... who is so decidedly global in his life and outlook that he is nearly a man without a country."--NEW YORK TIMES "Daniel Pauly is a friend whose work has inspired me for years."--TED DANSON Daniel Pauly is a living legend in the world of marine biology. He is also a man whose life has been shaped by struggle. In this first authorized biography, writer David Grémillet recounts the scientist's extraordinary life, including his heartbreaking childhood, his escape to Germany, his political and racial reawakening in 1960s America, and his one-of-a-kind career as a brave scientist who blew the whistle on overfishing. Daniel Pauly was born in Paris after the Second World War to a white French mother and a Black American GI father. When his father left for America, Pauly's mother fell prey to a manipulative white family who adopted Pauly under murky circumstances. Pauly was taken to Switzerland, where he was treated cruelly as the family's live-in servant. Contact with his mother was prohibited. Against all odds, Pauly finished high school and fled to Germany, where he

enrolled in university. In Germany, Pauly blossomed. He pursued a career in oceanography, eventually travelling the world to conduct his groundbreaking, data-driven scientific research method. Pauly famously coined the influential term "shifting baselines," in which knowledge of environmental degradation is lost over time, leading to a misguided understanding of what we have helped destroy. He also blew the whistle on the powerful global fishing industry, alerting the public to the impacts of overfishing on our planet. Told through interviews with Pauly himself, family, teachers, colleagues, and friends, Grémillet recounts Pauly's life with remarkable pace and precision. Epic, captivating, and inspiring, *The Ocean's Whistleblower* introduces one of the most important scientists of our time.

A beautifully repackaged 50th anniversary edition of Sonia Levitin's powerful classic story about a young Jewish girl forced to flee her home, winner of the National Jewish Book Award. In 1938, Lisa Platt and her family know something dangerous is happening in Germany. Lately, there have been more and more restrictions for Jews: yellow stars they have to wear, schools they cannot attend, things they are forbidden to do. When their neighbors are arrested for petty reasons, the Platts realize they have to escape. Forbidden to bring money or possessions out of the country, Lisa's father secretly leaves for America, planning to work until he can send for them. But when conditions in Germany worsen, Lisa, her mother,

and her sisters flee to Switzerland to wait, surviving on what little they have in a continent hurtling toward war. Inspired by Sonia Levitin's own experience of fleeing Germany as a child, this moving novel chronicles one family's bravery in the face of aggression and apathy.

In the Food Network star's first book, Giada De

Laurentiis helps you put a fabulous Italian dinner

on the table tonight, for friends or just for the kids,

with a minimum of fuss and a maximum of flavor.

Everyday Italian is true to its title: the fresh,

simple recipes are incredibly quick and accessible,

and also utterly mouth-watering—perfect for

everyday cooking. And the book is focused on the real-life considerations of what you actually have in your refrigerator and pantry (no mail-order ingredients here) and what you're in the mood for—whether a simply sauced pasta or a hearty family-friendly roast, these great recipes cover every contingency. So, for example, you'll find dishes that you can make solely from pantry ingredients, or those that transform lowly leftovers into exquisite entrées (including brilliant ideas for leftover pasta), and those that satisfy your yearning to have something sweet baking in the oven. There are 7 ways to make red sauce more interesting, 6 different preparations of the classic cutlet, 5 perfect pestos, 4 creative uses for prosciutto, 3 variations on basic polenta, 2 great steaks, and 1 sublime chocolate tiramisù—plus 100 other recipes that turn everyday ingredients into speedy but special dinners. What's more, Everyday Italian is organized according to what type of food you want tonight—whether a soul-warming stew for Sunday supper, a quick sauté for a weeknight, or a baked pasta for potluck. These categories will help you figure out what to cook in an instant, with such choices as fresh-from-the-pantry appetizers, sauceless pastas, everyday roasts, and stuffed vegetables—whatever you're in the mood for, you'll be able to find a simple, delicious recipe for it here. That's the beauty of Italian home cooking, and that's what Giada De Laurentiis offers here—the essential recipes to make a great Italian dinner. Tonight.

Nearly a century's worth of Scurlock photographs combine to form a searing portrait of black Washington in all its guises—its challenges and its victories, its dignity and its

determination. Beginning in the early twentieth century and continuing into the 1990s, Addison Scurlock, followed by his sons, Robert and George, used their cameras to document and celebrate a community unique in the world, and a stronghold in the history and culture of the nation's capital. Through photographs of formal weddings, elegant cotillions, ballet studios, and quiet family life, the Scurlocks revealed a world in which the black middle class refused to be defined or held captive by discrimination. From its home on the vibrant U Street corridor, the Scurlock Studio gave us indelible images of leaders and luminaries, of high society and working class, of Washingtonians at work and at play. In photograph after photograph, the Scurlocks captured an optimism and resiliency seldom seen in mainstream depictions of segregated society. Luminaries such as Duke Ellington, Ralph Bunche, Mary McLeod Bethune, Alain Locke, Martin Luther King, Jr., and Lois Mailou Jones testify to the intellectual and cultural vibrancy that was unique to Washington and an inspiration to the nation. Photographs of a Peoples Drugstore protest and Marian Anderson's Easter morning concert at the Lincoln Memorial remind us that the struggle for equality in black Washington began long before the civil rights movement of the 1960s. Offering a rich lens into our past,

The Scurlock Studio and Black Washington is a powerful trigger of personal and historical memory.
