The beautiful. The bad. The possessed. Some people worship them. Some people fear them. And some people—like Morgan Kingsley—go up against them toe-to-toe, flesh to flesh, and power against power. An exorcist by trade, Morgan is one of the few humans with an aura stronger than her possessor, even though her demon can tease her body senseless. She's also a woman who has just discovered a shocking truth: everything she once believed

about her past, her identity, may have been a lie. With a family secret exploding around her and a full-scale demon war igniting, Morgan is a key player in an unsettled world. Then a rogue sociopathic demon enters her life with a bang. His name is The Hunter. And since she is the prey, Morgan has only one choice: to hunt The Hunter down—no matter what heartbreaking truths she uncovers along the way....

"The dark romance of this story is spell-binding," --Fantasy Girl on Dark Watcher "I highly recommend this series for any fans of William Gibson, *Lost Girl* or the *Angel/Buffy*-verse."--Pajiba.com on *Saint City Sinners* Will she be the Society's salvation . . . or its downfall? The

black-ops government agency called Sigma broke Justin Delgado, trained his psionic talent, and turned him into a killer. Then he escaped and joined the Society, an underground resistance movement of psions determined to use their talents to bring Sigma down. Competent, cold, and cruelly efficient, he's the best operative the Society has, a legend among the psions who fight a shadow war against an enemy that owns the courts, the press, and the police. Feared even by his own teammates, hunted by the government, and too damaged to feel anything but clinical rage, he is utterly alone--until he meets Rowan.

When Rowan Price stumbles across Delgado's team in an abandoned house, he is assigned to make contact with her, bring her in, and keep her alive--because Rowan is one of the most powerful psychics the resistance has ever encountered. If the government gets its hands on her, she could very well mean the downfall of the resistance, because nobody, not even Rowan, is quite sure how far her talents extend. The Society will welcome Rowan, if she can stay alive long enough to join them. Unfortunately, there's a traitor buried in the ranks. If the Society goes down, Rowan is at risk. God alone knows what

Delgado will do to keep her safe, because Rowan is fast becoming the only thing in the world he cares about . . . Tristan d'Arcenne is what he always wished to be--Vianne di Rocancheil's Consort. But Vianne is no more a noblewoman, she is the Queen of Arquitaine, faced with treachery, invasion, war, and a Consort whose secrets may well shatter their marriage. For before Tristan was hers, he belonged to a King...and that King

died by Tristan's hand. Arquitaine needs them both. The country is locked in a deadly game whose rules change by the moment. The Queen is an adept player, but hardly ruthless enough. The contest requires a man who has nothing to lose, a man who has already done the worst and will continue to do so for his wife, his country, and his own salvation. The Bandit King approaches... It's a homecoming, of sorts, for
Jayné Heller—and she wants some
long-awaited answers to her past, in
this fifth book in the acclaimed
Black Sun's Daughter urban fantasy
series. After years on her own,
Jayné Heller is going home to find

some answers. How did the powerful
spirit calling itself the Black Sun get
into her body? Who was her uncle
Eric, and what was the grand plan
that he devoted his life to? Who did
her mother have an affair with, and
why? What happened to her on her
sixteenth birthday? And the
tattoo—seriously—what was that
about? Jayné arrives amid
preparations for her older brother's
shotgun wedding, but she's not the
only unexpected guest. The
Invisible College has come to town
to stop the ceremony. And the more
she learns, the more she uncovers a
darkness that runs deeper than
generations and stronger than blood.

A missing bride and wizards bent on vengeance may be the least of her problems. Because in the shadows of Jayné's childhood home, a greater threat awaits that didn't die with her uncle. It calls itself the Graveyard Child.

Jill Kismet, Dealer in Dark Things. Spiritual Exterminator. Demon Slayer - it's not the type of work you can put on a business card. But every city has people like me. Usually the police have us on payroll as consultants, because what ordinary cop can face down a Were or an ordinary shapechanger, or an Assyrian demon? Not to mention the silvers or the Black Mist, the adepts of Sorrow House or of the

Middle Way? What ordinary cop stands a chance against a Trader, even?

People disappear all the time, it's an epidemic; some of the disappearances are murder, some are fugitives, some are kidnapped by other human beings. Some of them are even found again.

But a good proportion of them are taken by the things that go bump in the night. And then it becomes a hunter's job to bump back. Hard.

From New York Times bestselling author
Rachel Vincent comes a richly imagined,
provocative new series set in the dark
mythology of the Menagerie... When
Delilah Marlow visits a famous traveling

carnival, Metzger's Menagerie, she is an
ordinary woman in a not-quite-ordinary
world. But under the macabre circus big-
top, she discovers a fierce, sharp-clawed
creature lurking just beneath her human
veneer. Captured and put on exhibition,
Delilah is stripped of her worldly
possessions, including her own name, as
she's forced to "perform" in town after
town. But there is breathtaking beauty
behind the seamy and grotesque reality of
the carnival. Gallagher, her handler, is as
kind as he is cryptic and strong. The other
"attractions"—mermaids, minotaurs, griffins
and kelpies—are strange, yes, but they
share a bond forged by the brutal realities
of captivity. And as Delilah struggles for
her freedom, and for her fellow
menagerie, she'll discover a strength and a
purpose she never knew existed.
Renowned author Rachel Vincent weaves

an intoxicating blend of carnival magic and startling humanity in this intricately woven and powerful tale

Dante Valentine, Necromancer and bounty hunter, just wants to be left alone. But the Devil has other ideas. The Prince wants Dante. And he wants her now. And to fulfill a seemingly simple task: become the Devil's Right Hand, hunt down four demons that have escaped from Hell, and earn His gratitude. It's a shame that nothing is ever easy when it comes

to the Devil. Because of course, he doesn't tell Dante the whole truth: there is a rebellion brewing in Hell. And there is a good chance that Lucifer is about to be pushed off the throne. But Dante is getting really tired of being pushed around. And this time, she might be angry enough to take on the Devil himself... Their first mistake? Kidnapping her lover. Their second? Thinking she wouldn't do something about it. The black-ops government agency known as Sigma has shattered the resistance, destroyed its infrastructure, and taken its best operative captive. It's about as bad as it can get, but Sigma's forgotten one thing:

Rowan Price. Rowan is no longer a civilian in the shadow war. Her talents are fully trained, and she's become something she never dreamed of--a cool, clinical, lethal espionage operative. Working as Henderson's second-in-command, she's utterly focused on two things: repairing the Society's infrastructure and rescuing Justin Delgado. Yet under her shell of calm and gentleness, her rage is simmering . . . and it's about to break loose. Delgado knows he can't remember something important. He puts up with Sigma's beatings and questioning, the pain and the torture. Sigma keeps asking him the same question--where is Rowan Price? He doesn't know who this woman is or where she is, but if he can escape Sigma one more time, he's damn sure going to find out. Because Price, whoever she is, holds the key to his fractured memories and

destroyed soul. But first, he has to get out. Then he'll find Rowan Price. Unfortunately, that may be the one thing Sigma's counting on.
