Enter the world of the Others in the first novel in New York Times bestselling author Anne Bishop's thrilling fantasy series: a place where unearthly entities—vampires and shape-shifters among them—rule the Earth and prey on the human race. As a cassandra sanguine, or blood prophet, Meg Corbyn can see the future when her skin is cut—a gift that feels more like a curse. Meg's Controller keeps her enslaved so he can have full access to her visions. But when she escapes, the only safe place

Meg can hide is at the Lakeside Courtyard—a business district operated by the Others. Shape-shifter Simon Wolfgard is reluctant to hire the stranger who inquires about the Human Liaison job. First, he senses she's keeping a secret, and second, she doesn't smell like human prey. Yet a stronger instinct propels him to give Meg the job. And when he learns the truth about Meg and that she's wanted by the government, he'll have to decide if she's worth the fight between humans and the Others that will surely follow.

Praise: "Urban fantasy has a special place in my heart, and the Occult Detective is perhaps the fundamental urban-fantasy archetype. An anthology of this kind is can serve two purposes: The first is to provide a taste of the genre to those that might otherwise be unfamiliar with it, and the second is to provide fans of the genre a chance to discover writers they may not have already come across. It was well worth the read and I would recommend it wholeheartedly for any fan of the urban fantasy/occult detective genre; even more so if you are unfamiliar with the genre and would like a taste as to what it's all about." — Nick Bronson -- "Urban Fantasy readers will love this book, and it is a first-rate group of stories." — Paul Lappan, Reviewer

Necromancer. Bounty hunter. Killer. Dante Valentine has been all three in her life. But in the beginning, she was a Necromancer for hire. And while she was choosy about her jobs, there were just some she couldn't turn down. Like when the Devil showed up at the door and offered her a deal. Her life -- in exchange for the capture and elimination of a renegade demon. But how do you kill something that can't die? Dante Valentine, one of urban fantasy's hottest series, is compiled into one volume for the first time. Included in this omnibus edition are: Working for the Devil, Dead Man Rising, The Devil's Right Hand, Saint City Sinners, and To Hell and Back.

Dante Valentine, Necromancer and bounty hunter, just wants to be left alone. But the Devil has other ideas. The Prince wants Dante. And he wants her now. And Dante and her lover,

Japhrimel, have no choice but to answer the Prince's summons. And to fulfill a seemingly simple task: become the Devil's Right Hand, hunt down four demons that have escaped from Hell, and earn His gratitude. It's a shame that nothing is ever easy when it comes to the Devil. Because of course, he doesn't tell Dante the whole truth: there is a rebellion brewing in Hell. And there is a good chance that Lucifer is about to be pushed off the throne. But Dante is getting really tired of being pushed around. And this time, she might be angry enough to take on the Devil himself...
