Dante Valentine, Necromancer and bounty hunter, just wants to be left alone. But the Devil has other ideas. The Prince wants Dante. And he wants her now. And Dante and her lover, Japhrimel, have no choice but to answer the Prince's summons. And to fulfill a

seemingly simple task: become the Devil's Right Hand, hunt down four demons that have escaped from Hell, and earn His gratitude. It's a shame that nothing is ever easy when it comes to the Devil. Because of course, he doesn't tell Dante the whole truth: there is a rebellion brewing in Hell. And there is a good chance that Lucifer is about to be pushed off the throne. But Dante is getting really tired of being pushed around. And this time, she might be angry enough to take on the Devil himself... The black-ops government agency called Sigma broke Justin Delgado, trained his psionic talent, and turned him into a killer. Then he escaped and joined the Society, an underground resistance movement of psions determined to use their talents to bring Sigma down. Competent, cold, and cruelly efficient, he's the best operative the Society has, a legend among the psions who fight a shadow war against an enemy that owns the courts, the press, and the police. Feared even by his own teammates, hunted by the government, and too damaged to feel anything but clinical rage, he is utterly alone--until he meets Rowan. When Rowan Price stumbles across Delgado's team in an abandoned house, he is assigned to make contact with her, bring her in, and keep her alive--because Rowan is one of the most powerful psychics the resistance has ever encountered. If the government gets its hands on her, she could very well mean the downfall of the resistance, because nobody, not even Rowan, is quite sure how far her talents extend. The Society will welcome Rowan, if she can stay alive long enough to join them. Unfortunately, there's a traitor buried in the ranks. If the Society goes down, Rowan is at risk. God alone knows what Delgado will do to keep her safe, because Rowan is fast becoming the only thing in the world he cares about . . . When her uncle Eric is murdered, Jayn é travels to Denver to settle his estate, only to learn that it's all hers -- and vaster than she ever imagined. And along with properties across the world and an

Led by the ruthless Randolph Coin, the Invisible College harnesses demon spirits for their own ends of power and domination. Jayn é finds it difficult to believe magic and demons can even exist, let alone be responsible for the death of her uncle. But Coin sees Eric's heir as a threat to be eliminated by any means -- magical or mundane -- so Jayn é had better start believing in something to save her own life. Aided in her mission by a group of unlikely companions -- Aubrey, Eric's devastatingly attractive assistant; Ex, a former Jesuit with a lethal agenda; Midian, a two-hundred-year-old man who claims to be under a curse from Randolph Coin himself; and Chogyi Jake, a self-styled Buddhist with mystical abilities -- Jayn é finds that her new reality is not only unexpected, but often unexplainable. And if she hopes to survive, she'll have to learn the new rules fast -- or break them completely....

The West is a wild place, where the poison wind blows and the dead walk. But there is gold, and whiskey, and enough room for a man to forget what he once was--until he no longer can. Jack

Gabriel's been the sheriff in Damnation almost since the town grew out of the dust and the mud. He keeps the peace--sort of--and rides the circuit every dawn and dusk with the chartermage, making sure the wilderness doesn't seep into their fragile attempt at civilization. Away from the cities clinging to the New World's eastern rim, he doesn't remember what he was. At least, not much. But Damnation is growing, and along comes a schoolmarm. Catherine Barrowe is a right proper Boston miss, and it's a mystery why she would choose this town where everything scandalous and dangerous is probably too much for a quality lady like her. Sometimes the sheriff wonders why she came out West--because everyone who does is running from something. He doesn't realize Cat may be prickly, delicate, and proper, but she is also determined. She's in Damnation to find her wayward older brother Robbie, whose letters were full of dark hints about gold, trouble...and something about a claim. In a West where charm and charter live alongside clockwork and cold steel, where hot lead kills your enemy but it takes a blessing to make his corpse stay down, Cat will keep digging until she finds her brother. If Jack knew what she was after, he could solve the mystery--because he was the one who killed Robbie. The thing is, Cat's brother just won't stay dead, and the undead are rising with him...
