Its virtually what you craving currently. This Jill Poole Contract Law 11th Edition, as one of the most enthusiastic sellers here will agreed be in the middle of the best options to review.

A Handbook on Commercial Court Practice

Oxford University Press, USA

This book focuses on the law of commercial contracts as constructed by the U.S. and UK legal systems. Leading scholars from both sides of the Atlantic provide works of original scholarship focusing on current debates and trends from the two dominant common law systems. The chapters approach the subject areas from a variety of

perspectives - doctrinal analysis, law and economic analysis, and social-legal studies, as well as other theoretical perspectives. The book covers the major themes that underlie the key debates relating to commercial contract law: role of consent; normative theories of contract law; contract design and good faith; implied terms and interpretation; policing contract behavior; misrepresentation, breach, and remedies; and the regional and international harmonization of contract law. Contributors provide insights on the many commonalities, but more interestingly, on the key divergences of the United States and United Kingdom's approaches to numerous areas of contract law. Such a comparative analysis provides a basis for future developments and improvements of commercial contract law in both countries, as well as other countries that are members of the

common law systems. At the same time, insights gathered here should also be of interest to scholars and practitioners of the civil law tradition.

The Sale of Misattributed Artworks and Antiques at Auction Springer

Fifty years after the adoption of the Declaration on Permanent Sovereignty over Natural Resources by the General Assembly of the United Nations in December 1962, this volume assesses the evolution of the principle of permanent sovereignty over natural resources into a principle of customary international law as well as related developments. International environmental and human rights law leave unresolved questions regarding the limitations of this

principle, e.g. extraterritorial and international influences such as the applicable criminal and tort law, as well as the extraterritorial and international promotion of good governance, including transparency obligations.

Text, Cases, and Materials Oxford University Press

'This volume of essays addresses the law relating to the formation of legally binding contracts and relationships between contracting parties and third parties and is based on papers delivered at the eighth Oxford-Norton Rose Colloquium at St Hugh's College, Oxford in September 2009.' - Foreword.

Poole's Textbook on Contract Law Pearson Higher Ed

In recent years there has been a revival of interest in the philosophical study of contract law. In 1981 Charles Fried claimed that contract law is based on the philosophy of promise and this has generated what is today known as 'the contract and promise debate'. Cutting to the heart of contemporary discussions, this volume brings together leading philosophers, legal theorists, and contract lawyers to debate the philosophical foundations of this area of law. Divided into two parts, the first explores general themes in the contract theory literature, including the philosophy of promising, the nature of contractual obligation, economic accounts of

contract law, and the relationship between contract law and moral values such as personal autonomy and distributive justice. The second part uses these philosophical ideas to make progress in doctrinal debates, relating for example to contract interpretation, unfair terms, good faith, vitiating factors, and remedies. Together, the essays provide a picture of the current state of research in this revitalized area of law, and pave the way for future study and debate.

Contract Law Directions Oxford University Press
This book is a collection of original, thought-provoking essays on critical issues in contract, commercial and corporate law. It is dedicated to the memory of the late Professor Jill Poole, who inspired so many and made such important contributions to these fields of law. The essays are written by leading practitioners and academics in the field, building on Jill's work. As such this collection will be of interest and importance to professionals, academics and students in these fields of law. The Professor Jill Poole Educational Fund has been established in memory of Jill. It will be used to support undergraduate students in obtaining 'excellence scholarships' at Aston Law School and to reward 'excellence' at the annual law graduation ceremony. All contributions are welcome, and the royalties from this collection of essays have been donated to it.

Poole's Casebook on Contract Law Cambridge University Press
A Handbook on Commercial Court Practice is a

short commentary on the Commercial Courts Act, 2015. The Code of Civil Procedure was amended by the Commercial Courts Act, 2015 to mark the distinction between non-commercial and commercial suits. The first part of the book provides an overview of all such amended provisions which apply to commercial suits exclusively. The second part of the book contains brief commentaries on topical issues of the law of contract like the interpretation of contract, breach of contract, contract damages, penalty, privity of contract, etc. on which a practitioner argues in the Court. This quick reference book may come to the aid of all those who are to conduct commercial cases in the specially designated courts.

Contract Law and the Legislature Red Globe Press
This textbook provides an accessible account of the intricacies of contract law and the problems that can arise during the life of a contract. These problems, along with their solutions, are discussed in detail using everyday language that stimulates thought and reflection.

Red Globe Press

This work is now well established as the leading text on tort law in the region, and this third edition incorporates the most recent developments in law and legal thinking.

O'Sullivan and Hilliard's the Law of Contract Oxford University Press
Jill Poole's bestselling Casebook on Contract

Law provides students with a comprehensive selection of case law, addressing all aspects of the subject encountered on undergraduate courses. Extracts have been carefully chosen from a wide range of historical and contemporary cases to illustrate the reasoning processes of the courts, and to show how legal principles develop. Cases can either be analysed and discussed in isolation or, taken as a whole, the selection of cases form chapters providing a structured overview of the modern law of contract. Online Resource Centre The casebook is fully supported by an Online Resource Centre, which provides: - Self-test questions and answers - Guidance on answering questions in contract law - Exercises and guidance on reading cases - An opportunity for students to ask the author any questions

Complete Contract Law Springer

This volume revisits some of the key debates about the nature and shape of contract law, in light of the impact that statutes have had on its development. With contributions from leading contract law scholars, it fills a significant gap in existing theoretical and doctrinal analyses of contract law, which rely primarily on cases to put forward accounts of the general principles and structure of contract law. Statutory rules are, typically, seen as being specific instances of

legal regulation that carve out exceptions to these general principles for specific reasons of policy. This treatment of these rules has resulted in an incomplete understanding of the nature of contract law and the principles that underpin it. By drawing specifically on contract statutes, the volume produces a more complete picture of modern contract law. A companion to the ground-breaking Tort Law and the Legislature: Common Law, Statute and the Dynamics of Legal Change (Hart Publishing, 2012) this collection will have a significant impact on the study of contract law.

Textbook on Contract Bloomsbury Publishing

This edition provides an authoritative and detailed account of contract law. It is essential reading for any student of contract law, and a valuable source of reference for practitioners and academics.

Poole's Textbook on Contract Law Taylor & Francis

The fifteenth edition of this established and popular text provides clear and commercially-focused coverage of contract law. Case-driven content and succinct explanations are combined with summaries, questions, and examples to allow students to gain a sound understanding of the theory and application of

contract law principles.

英美合同解除制度研究 GRIN Verlag
Essay from the year 2005 in the subject Law - Comparative Legal Systems, Comparative Law, grade: 1st (80%), University of Warwick, course: Common Law - (Contracts), language: English, abstract: This essay will firstly provide a presentation of the doctrine of intention to create legal relations. In a second step I will try to verify the statement made by Collins in connection with the courts ' task to find out what the parties ' intentions are. Current developments will be examined.

Anson's Law of Contract Oxford University Press

With a strong focus on helping students understand and apply case law, JC Smith's The Law of Contract guides the reader through the intricacies of contract law in an accessible way. A modern revision of the classic text, the author ensures students are provided with expert analysis and clarity, with key cases clearly signposted throughout. The clear structure of the text assists student preparation for assignments and exams through the problem and essay based questions and further reading suggestions at the end of each chapter. The accompanying online resources support

student learning with: -Guidance on answering the questions in the text -Links to key cases -Multiple choice questions -Example essays from real students with annotations from the author All this ensures that students have the complete package they need to excel on contract law courses. International Law Concentrate Oxford University Press

Card & James' Business Law is the most detailed and analytical account of business law for those new to the subject. It provides commanding analysis of the English legal system, contract law, tort law, and commercial law together with coverage of company law, and the relevant aspects of employment law. All of this is discussed using relevant examples from the business environment, and the key legal cases to help develop a greater understanding of the interconnections between the law and corporate setting. The new learning features which have been incorporated throughout make a difficult subject more accessible and support study; key case, example, and discussion boxes demonstrate the application of law and highlight core principles, whilst self-test questions allow students to assess their progress. Online Resource Centre The accompanying Online Resource Centre provides a wealth of resources for students to further develop their understanding and test their knowledge, including additional practice questions with answers, a flashcard

glossary of key legal terms and quarterly audio updates. Also included is a testbank of MCQs for lecturer use.

Philosophical Foundations of Contract Law
Oxford University Press

This is a new type of book. It provides an index of the most useful and important academic and other writings on contract law, whether published in articles or journal chapters, or as books. These writings, with their full citation, are gathered under familiar contract law subject-headings, and the most significant half of them are digested in a summary of a few lines each. The book aims to cover all writings published in the English language about the Common Law of contracts, and includes sections on contract theory and the history of contract law, as well as sections for the more traditional substantive topics (such as the interpretation of contracts, penalty clauses, remoteness of damage and anticipatory breach). This work should prove an invaluable resource for practitioners, academics and students, increasing awareness of important writings, and saving readers time by familiarising them with the work that has already been done in their particular fields.

Criminal Law Martinus Nijhoff Publishers
本书运用历史的、比较的和实证的分析方法，探讨了英美合同法中协议解除、

履行解除、受挫解除、违约解除的基本规则、解除的效果以及救济手段，并结合我国实际，对我国合同解除制度的立法完善提出了若干建议。

Contract Law Concentrate Oxford University Press

This collection of essays addresses some of the fundamental questions facing the law of contract and of unjust enrichment in the twenty-first century from a comparative perspective. Leading academics from Canada and the United Kingdom analyse the nature and development of the principles of unjust enrichment, their relationship with contract and fiduciary obligations and their impact upon traditional contractual doctrines such as mistake, undue influence, frustration and the assessment of damages. The text provides an insightful, contemporary and provocative examination of this fast-developing area of law.

Casebook on Contract Law Casebook on Contract Law

A key reference tool for business managers, lawyers and students, this accessible book covers the essential issues that need to be dealt with when negotiating, planning and writing international commercial agreements. It looks at the issues that

must be taken into account when a business located in one country is contracting with a business located in another country, exploring the framework within which such international commercial agreements are concluded.

Law Revision and Study Guide Routledge
