Six Girls and Betty e-artnow

From the duo behind the massively successful and award-winning podcast *Stuff You Should Know* comes an unexpected look at things you thought you knew. Josh Clark and Chuck Bryant started the podcast *Stuff You Should Know* back in 2008 because they were curious—curious about the world around

them, curious about what they might have missed in their formal educations, and curious to dig deeper on stuff they thought they understood. As it turns out, they aren't the only curious ones. They've since amassed a rabid fan base, making *Stuff You Should Know* one of the most popular podcasts in the world. Armed with their inquisitive natures and a passion for sharing, they uncover the weird, fascinating, delightful, or unexpected elements of a wide variety of topics. The pair have now taken their near-boundless "whys" and "hows" from your earbuds to the pages of a book for the first time—featuring a completely new array of subjects that they've long wondered about and wanted to explore. Each chapter is further embellished with snappy visual material to allow for rabbit-hole tangents and digressions—including charts, illustrations, sidebars, and footnotes. Follow along as the two dig into the underlying stories of everything from the origin of Murphy beds, to the history of facial hair, to the psychology of being lost. Have you ever wondered about the world around you, and wished to see the magic in everyday things? Come get curious with *Stuff You Should Know*. With Josh and Chuck as your guide, there's something interesting about everything (...except maybe jackhammers). A Walk Along the Beach Sleeping Bear Press In this book, we have hand-picked the most sophisticated, unanticipated, absorbing (if not at

times crackpot!), original and musing movie reviews of "Jingle All the Way." Don't say we didn't warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don't buy this book if: 1. You don't have nerves of steel. 2. You expect to get pregnant in the next five minutes. 3. You've heard it all.

transform even the best-laid plans in this heartfelt Christmas novel from the queen of Christmas stories, Debbie Macomber. Trapped in the middle of five siblings, Everly Lancaster always had big dreams. Now a top real-estate executive, Everly finds her work is her life, leaving no space for anything (or anyone) else. Sensing her stress, Everly's boss insists she take December off. At first, a month away seems crazy—how will the company survive without her? But Everly's mother convinces her otherwise. She deserves a vacation—plus, when she returns, she'll have no excuse to skip family Christmas like she did last year. But after her vengeful assistant books a guided cruise in the Amazon instead of the luxury beach vacation she expected, Everly is horrified to realize that she's about to spend the next two weeks trapped—with no Wi-Fi!—in the rain forest. Not even Asher Adams, the ship's charming naturalist, can convince Everly that the trip will be unforgettable. Slowly but surely, she realizes he is right: the sights are spectacular. And with each passing day, Everly's relationship with Asher deepens, forcing her to take a long, hard look at her priorities. Everly and Asher begin to see magic in the possibility of a life together. But as the cruise nears its end, and Everly's family Christmas approaches, both must decide if love is worth the risk. A merry surprise may be in store in Debbie Macomber's

newest holiday delight.

New York Times bestselling author Kathie Lee Gifford reveals heartwarming, entertaining conversations between people and personalities who both agree and disagree about who Jesus is, his role throughout history, and his presence in our lives today. For decades Kathie Lee has had deep conversations about her faith with anyone who is interested in talking about it. What she discovered early on is most people are very willing to talk about Jesus: atheists, agnostics, Scientologists, Jews, broken-hearted Catholics, confused Baptists, Pentecostals, Sikhs, Buddhists, and Hindus alike. While some of the people Kathie Lee has spoken with do not share her belief that Jesus is the Messiah—as prophesied for centuries by prophets in the Hebrew scriptures—they nonetheless have a universal

fascination with Him. This singular man who lived more than two thousand years ago, and never traveled more than one hundred miles from where He was born, managed to change the entire world. Even the way we delineate history (BC/AD) comes from His short thirty-three years of life. In *The Jesus I Know*, Kathie Lee shares cherished conversations that she 's had with others who find Jesus to be an ancient historical figure who somehow continues to be an undeniably magnetic, relevant presence in the modern world. Those conversations include actors like Kristin Chenoweth and Cynthia Garrett, with stories of Craig Ferguson and Kevin Costner, newsmakers and news personalities like Kris Jenner, Megyn Kelly, Jason Kennedy, and Janice Dean, performers like Chynna Phillips Baldwin, Brian Welch, Jimmie Allen, and Jimmy Wayne, hitmakers like Louis York and David Pomeranz, as well as those coming from other faith traditions. Using Kathie Lee 's favorite Scripture passages as scaffolding, these thought-provoking exchanges will bring His teachings to life before your very eyes.
