It's frogs versus scorpions in this new series by professional football player Trevor Pryce. For years, the frogs of the Amphibilands have lived in safety—protected by an elite group of poisonous frogs named the Kulipari and by the dreamcasting spell of the turtle king that cloaks their lands in mystery. Now the spell is threatened by the Spider Queen, a talented spellcaster, and Lord Marmoo, leader of the scorpions. With the Kulipari off training in secret, the Amphibilands have never been so vulnerable. Enter Darel, a young frog who dreams of joining the Kulipari, despite his utter lack of poison and limited fighting skills. With the help of a motley crew of friends, Darel has the chance to become the warrior of his dreams. Cool animals, thrilling action, and a bit of natural science—this novel, illustrated in full color by acclaimed comics artist Sanford Greene, is sure to be a major hit with boys. Praise for *An Army of Frogs* "This little frog should find fans among readers of the *Warriors* and *Redwall* sagas." —Kirkus Reviews "Pryce builds tension as the frogs figure out how to deploy their varied skills and reach the ancient turtle king who long ago placed a protective spell over their land. The violent but not

overly graphic action is well matched by Greene's dynamic and plentiful full-color illustrations." —Booklist "In this fast-paced tale, Pryce finds just the right balance between brutality and bravery, friendship and betrayal, and loss and discovery. A must-have, winning adventure that is nearly impossible to put down." —School Library Journal "Greene's color full-page illustrations have the richly saturated look of Marvel comic books, and there's a superhero feel to the various fighting poses Darel and his pals take." —The Bulletin of the Center for Children's Books "This clever fantasy series featuring frogs versus scorpions, set in Australia, makes for pleasant reading." —Library Media Connection

Modern history unearthed as a boy becomes an innocent victim of corruption in Bolivia's crime world, where the power of family is both a prison and a means of survival. It's 1999 in Bolivia and Francisco's life consists of school, soccer, and trying to find space for himself in his family's cramped yet boisterous home. But when his father is arrested on false charges and sent to prison by a corrupt system that targets the uneducated, the poor, and the indigenous majority, Francisco and his sister are left with no choice: They must move into prison with their father. There, they find a world unlike anything they've ever known, where everything—a door, a mattress, protection from other inmates—has its price. Prison life is dirty, dire, and dehumanizing. With their lives upended, Francisco faces an impossible decision: Break up the family and take his sister to their grandparents in the Andean highlands, fleeing the city and the future within his grasp, or remain together in the increasingly dangerous prison. Pulled between two undesirable options, Francisco must confront everything he once believed about the world and his place within it. In this heart-wrenching novel, Melanie Crowder sheds light on a little-known era of modern South American history—where injustice still looms large—and proves that hope can be found, even in the most desperate places. Perfect for fans of Ruta Sepetys, Matt de la Pena, and Jacqueline Woodson. Praise for An Uninterrupted
