PHYSICS MCQ FOR NEET EXAM: NCERT BASED QUESTIONS WITH MODEL TEST The National Eligibility cum Entrance Test- Under Graduate (NEET (UG)), succeeded from All India Pre-Medical Test (AIPMT) is an entrance examination in India for students who wish to study undergraduate medical courses (MBBS) and dental courses (BDS) in government or private medical colleges and dental colleges in India. The undergraduate NEET (UG), for MBBS and BDS courses, is currently conducted by the National Testing Agency (NTA), which provides the results to the Directorate General of Health Services at the Ministry of Health and Family Welfare. Prior to 2019, the test was administered by the Central Board of Secondary Education (CBSE) in partnership with Prometric Testing Pvt Ltd headquartered in the USA. NEET-UG replaced the All India Pre Medical Test (AIPMT) and all individual MBBS exams conducted by states or colleges themselves in 2013. However, many colleges and institutes had taken a stay order and conducted private examinations for admission to their MBBS and BDS courses. NEET-UG is a single entrance test for admissions to more than 66,000 MBBS and BDS seats across India. In 2018 NEET exam, around 80% of the candidates wrote the exam in English, 11% in Hindi, 4.31% in Gujarati, 3% in Bengali and 1.86% in Tamil. Undergraduate courses at the All India Institute of Medical Sciences in New Delhi and Jawaharlal Institute of Postgraduate Medical Education & Research (JIPMER) are outside the NEET 's purview, as these institutes were set up by separate laws. There are questions asked from Physics, Chemistry, and Botany & Zoology. There are 45 questions from each of the sections. A correct response gives the candidate 4 marks and 1 mark is deducted for every wrong answer. No marks are deducted if the candidate has not attempted a question. The total time duration is of 3 hours. NEET UG syllabus consists of concepts taught in standard 11 and 12 in the Indian School Systems. (Physics, Chemistry, Biology and Maths) NEET-UG is currently conducted (2019 and onwards) by the National Testing Agency (NTA). Formerly, it was conducted by the Central Board of Secondary Education, from 2013 to 2018.

Success Mantras of NEET/ JEE Toppers with Video Support Results of a survey said that the difference between Topper & an Average student is not much in terms of Subject knowledge, intelligence or hard work, but the major difference is in terms of study techniques and approach towards exam. Hard work should bring success but only when coupled with efficient and appropriate study techniques. The book is based on success story of hundreds of toppers of different exams. The book/seminar recapitulates and reinforces the basic study techniques adopted by toppers and helps in mastering skills & techniques to learn more in less time and with less stress. Some of the topics covered • How to master Fundamentals • How to sharpen Problem solving skills • Improving your Output (Net Score) • Tips and techniques on "How to attempt a Question paper?" And many more ideas/ tips to improve your

score and maximise your output.
