“A raucous novel, narrated in deadpan voice-over by Ramesh, a self-described ‘lower lower middle class’ 24-year-old scammer. . . . His perspective is a delight. . . . a tartly entertaining novel,

a potential summer blockbuster.” —New York Times Book Review

A fresh look at modern-day India hailed as “a monstrously funny and unpredictable wild ride” by Kevin Kwan, New York Times bestselling author of the *Crazy Rich Asians* trilogy

The first kidnapping wasn’t my fault. The others—those were definitely me. Brilliant yet poor, Ramesh Kumar grew up working at his father’s tea stall in the Old City of Delhi. Now, he makes a lucrative living taking tests for the sons of India’s elite—a situation that becomes complicated when one of his clients, the sweet but hapless eighteen-

year-old Rudi Saxena, places first in the All Indias, the national university entrance exams, thanks to him. Ramesh sees an opportunity—perhaps even an obligation—to cash in on Rudi’s newfound celebrity, not knowing that Rudi’s role on a game show will lead to unexpected love, followed by wild trouble when both young men are kidnapped. But Ramesh outwits the criminals who’ve abducted them, turning the tables and becoming a kidnapper himself. As he leads Rudi through a maze of crimes both large and small, their dizzying journey reveals an India in all its complexity,

beauty, and squalor, moving from the bottom rungs to the circles inhabited by the ultra-rich and everywhere in between. A caper, social satire, and love story rolled into one, *How to Kidnap the Rich* is a wild ride told by a mesmerizing new talent with an electric voice.

Things We

Haven't Said HMH

From “a major new talent” come short stories set in modern Nepal, about arranged marriages, forbidden desires, and the universal yearning for human connection (Amitav Ghosh). Set in a city where gods are omnipresent, privacy is elusive,

and family defines identity, these are stories of men and women caught between their own needs and the demands of their society and culture. Psychologically rich and astonishingly acute, with “a masterful narrative style” (Ian MacMillan), *Arresting God in Kathmandu* introduces a potent new voice in contemporary fiction. “Upadhyay brings to readers the flavor of Nepal and its culture in this impressive collection of nine short stories. Like Ha Jin’s *Bridegroom*, Upadhyay’s stories portray the lives of

simple yet psychologically complex characters and reveal much about the universal human condition in us all. . . . Upadhyay’s stories leave the reader with much food for thought and will make a good choice for book discussion groups.” —*Library Journal*
Hindi Film Song Harper Collins
A new series of global proportions -- from master of intrigue, NEW YORK TIMES bestselling author Ally Carter. This

exciting new series from NEW YORK TIMES bestselling author Ally Carter focuses on Grace, who can best be described as a daredevil, an Army brat, and a rebel. She is also the only granddaughter of perhaps the most powerful ambassador in the world, and Grace has spent every summer of her

childhood running across the roofs of Embassy Row. Now, at age sixteen, she's come back to stay -- in order to solve the mystery of her mother's death. In the process, she uncovers an international conspiracy of unsettling proportions, and must choose her friends and watch her foes carefully if

she and the world are to be saved. *The Country is Yours* Standard Ebooks Grace Cavanaugh is intelligent, kind-and a bit of a wise ass. Lately, though, she's also something else: completely lost and just a little crazy. Her entire world has collapsed since Valentine's Day, when her husband, Michael, died unexpectedly after a romantic dinner celebrating their

devotion. With her world turned upside down, she abandons the couple's gorgeous Victorian mansion and retreats to a cramped apartment with their three dogs in tow. Living in misery, barely finding energy to walk the dogs, Grace succumbs to her sorrow. Just as she hits bottom, a relative she hasn't seen in years calls out of the blue. Maggie Reilly, her eighty-six-year-old great aunt who still lives in the house she was born in, has troubles of her own. She desperately needs a family member to take care of her, so she reaches out to Grace hoping the bond they shared decades ago remains strong enough to bring her great niece back home. Hungry Hill is a story navigating the complexities of love in its many forms and how it endures. It explores our desire to belong to each other and to live a life of connectedness. It also reminds us to keep our sense of humor no matter what life brings, and to never underestimate the power of a great pair of shoes.

dreams At 15,

Samra Zafar had big dreams for herself. She was going to go to university, and forge her own path. Then with almost no warning, those dreams were pulled away from her when she was suddenly married to a stranger at 17 and had to leave behind her family in Pakistan to move to Canada. Her new husband and his family promised that the marriage and the move would be a fulfillment of her dream, not a betrayal of it. But as the walls of their home slowly became a prison, Samra realized the promises were empty ones. In the years that followed she suffered her husband's emotional and physical abuse that left her feeling isolated, humiliated and assaulted. Desperate to get out, and refusing to give up, she hatched an escape plan for herself and her two daughters. Somehow she found the strength to not only build a new future, but to walk away from her past, ignoring the pleas of her family and risking cultural isolation by divorcing her husband. But that end was only the beginning for Samra. Through her academic and

career achievements, she has gone on to become a mentor and public speaker, connecting with people around the world from isolated women in situations similar to her own, to young schoolgirls in Kenya who never allowed themselves to dream to men making the decisions to save for their daughters' educations instead of their

dowries. A Good Wife tell her harrowing and inspiring story, following her from a young girl with big dreams, through finding strength in the face of oppression and then finally battling through to empowerment. The Analysis of Money

NBT India
Since its publication in the late 1950s, *Mountains Painted with Turmeric* has struck a chord in the hearts of hundreds of thousands of Nepali readers. Set in the hills of far

eastern Nepal, the novel offers readers a window into the lives of the people by depicting in subtle detail the stark realities of village life. Carefully translated from the original text, *Mountains Painted with Turmeric* tells the story of a peasant farmer named Dhané (which means, ironically, "wealthy one") who is struggling to

provide for his wife and son and arrange the marriage of his beautiful younger sister. Unable to keep up with the financial demands of the "big men" who control his village, Dhané and his family suffer one calamity after another, and a series of quarrels with fellow villagers forces them into exile. In haunting prose, Lil Bahadur Chettri

portrays the dukha, or suffering and sorrow, endured by ordinary peasants; the exploitation of the poor by the rich and powerful; and the social conservatism that twists a community into punishing a woman for being the victim of a crime. Chettri describes the impoverishment, dispossession, and banishment of Dhané's

family to expose profound divisions between those who prosper and those who are slowly stripped of their meager possessions. Yet he also conveys the warmth and intimacy of village society, from which Dhané and his family are ultimately excluded. *Hungry Hill* University of Illinois Press 'Creepy and packed with suspense and menace, it

From an author like "a Buddhist Chekhov," The Royal Ghosts features characters trying to reconcile their true desires with the forces at work in Nepali society (San Francisco Chronicle). As political violence rages, these people struggle with their duties to their aging parents, an oppressive caste system, and the complexities of arranged marriage, striving to find peace and connection, and often discovering it in unexpected places. These stories, from the Whiting Award-winning author of *Arresting God* in Kathmandu and *The Guru of Love*, brilliantly examine not only Kathmandu during a time of upheaval, crisis, and cultural transformation but also the effects of the city on the individual consciousness
