Sugata Saurabha Harvest House Publishers
The Sugata Saurabha is an epic poem that retells the story of the Buddha's life. It was published in 1947 in the Nepalese language, Newari, by Chittadhar Hridaya, one of the greatest literary figures of 20th-century Nepal. The text is remarkable for its comprehensiveness, artistry, and nuance. It covers the Buddha's life from birth to death and conveys his basic teachings

with simple clarity. It is also of interest because, where the classical sources are silent, Hridaya inserts details of personal life and cultural context that are Nepalese. The effect is to humanize the founder and add the t.

The Wit and Wisdom of Dr Mahathir Mohamad V&S

On June 1, 2001, the heir to the Nepalese throne, Crown Prince Dipendra, donned military fatigues, armed himself with automatic weapons, walked in on a quiet family gathering, and, without a word, mowed his family down before turning a gun on himself. But Dipendra did not die immediately, and while lying in a coma was declared king. He was now a living god. Award-winning journalists Amy Willesee and Mark Whittaker set out to understand what could

have led to such a devastating tragedy, one that fascinated and appalled the world. Exploring Kathmandu and other parts of the kingdom, they conducted exhaustive interviews with everyone from Maoist guerillas to members and friends of the royal family, gaining insight into the people involved in and the events behind the massacre. At the heart of the story is the love affair between Dipendra and the beautiful aristocrat Devyani Rana, whom he was forbidden to marry.

Culminating their portrait of Nepal is a chilling reconstruction of the events of that fatal day. As conspiracy theories circulate and rebels threaten to topple the monarchy, the future of this small Himalayan kingdom promises to be as tumultuous as its past. Revealing a country where the twenty-first century mingles uneasily with the fourteenth, *Love and Death in Kathmandu* is both an enlightening portrait of a place that is a world apart and a riveting investigation of an incredible crime.

“Startlingly good” stories of Nepali society set against the backdrop of violent Maoist insurgencies (San Francisco Chronicle). From an author like “a Buddhist Chekhov,” *The Royal Ghosts* features characters trying to reconcile their true desires with the forces at work in Nepali society (San Francisco Chronicle). As political violence rages, these people struggle with their duties to their aging parents, an oppressive caste system, and

the complexities of arranged marriage, striving to find peace and connection, and often discovering it in unexpected places. These stories, from the Whiting Award-winning author of *Arresting God in Kathmandu* and *The Guru of Love*, brilliantly examine not only Kathmandu during a time of upheaval, crisis, and cultural transformation but also the effects of the city on the individual consciousness. “Like William Trevor, Samrat Upadhyay compresses into a short story the breadth of vision and human consequence we expect from a novel, and he does so in a prose that seems as natural as

breathing.” —Scott Russell Sanders, author of *A Private History of Awe* “Takes us straight into the heart of the troubled and enchanting kingdom of Nepal.” —The Washington Post “Upadhyay’s not-so-simple stories are lucid and often luminous.”

Malaysia's longest-serving and most outspoken prime minister, Dr Mahathir Mohamad has been politically active for more than 60 years. As a young doctor he agitated for independence from the British and promoted the

rights of the Malays, and his long political career culminated in his 22-year term as prime minister during which Malaysia's rapid development, his forthright words and singular policies thrust the country into the eyes of the world. Throughout his career, Dr Mahathir has spoken and written in a frank and uncompromising manner and he has continued to do so since retiring from the premiership in 2003; he remains a controversial figure to this day. *The Wit and Wisdom of Dr Mahathir*

Mohamad is a collection of nearly 600 quotations spanning his time in government and beyond. The quotations are arranged by topic, including those as varied as leadership, race relations, the media, economics and development, colonialism, international relations including Israel and Palestine, and Malaysia itself.

Everyone Should Have a Plan India Penguin Classics
Despite the widespread belief that Canada is a country of liberty, equality,

and inclusiveness, many persons with disabilities experience social exclusion and marginalization. In this book, twenty-four scholars from a variety of disciplines contend that achieving equality for the disabled is not fundamentally a question of medicine or health, nor is it an issue of sensitivity or compassion. Rather, it is a question of politics, and of power and powerlessness. This book argues that we need a new understanding of participatory citizenship that encompasses the disabled, new policies to

respond to their needs, and a new vision of their entitlements.

Drawing on examples from art, media, fashion, history and memoir, cultural critic Rosemarie Garland-Thomson tackles a basic human interaction which has remained curiously unexplored, the human stare. In the first book of its kind, Garland-Thomson defines staring,

explores the factors that motivate it, and considers the targets and the effects of the stare. While borrowing from psychology and biology to help explain why the impulse to stare is so powerful, she also enlarges and complicates these formulations with examples from the realm of imaginative culture. Featuring over forty illustrations, *Staring* captures the stimulating combination of symbolic, material and emotional

factors that make staring so irresistible while endeavoring to shift the usual response to staring, shame, into an engaged self-consideration. Elegant and provocative, this unique study advances new ways of thinking about visuality and the body that will appeal to readers who are interested in the overlap between the humanities and human behaviors.

A journalist sits in a café

waiting for his subject—an artist called Drishya about whom he wants to write a novel. But Drishya doesn't come. For that morning he has been visited by Maoists at his home and abducted by them... So begins *Palpasa Café*, the extraordinary novel by Nepali journalist Narayan Wagle, which has become a sensation in the country. Starting with the murders of the royal family, it tells the troubled story of contemporary Nepal through the eyes of a romantic artist who falls in love, wanders the war-struck countryside and dreams of creating a café named after his beloved which serves the best coffee in the

country. Playful, moving and melancholic, fusing the boundaries between fiction and non fiction, Palpasa Café presents a rare picture of Nepal at war. It is one of the most important novels to come out of the country.
