A legendary language learning course undoubtedly! Rapidex English Speaking Course is the only speaking course of its kind whose features can be described in superlative degree only. It has already benefited millions of readers across the country. Experts have unanimously declared it as the best self-study course. Perhaps that is the reason that for over 15 years it has constantly been on the top of the best sellers list in the market. What is the secret of its great popularity? Maybe, a no-nonsense down-to-earth approach and a very scientific methodology that takes into its account the special requirements of Indian learners. In any case it is not just another crash course that begins with a bang but ends with a whimper. Rather its contents and subject matters have been specially designed to help a common man achieve maximum command on the language in a very short time. The most important part of this self-study course is confidence building measures because it has been found from the long experience that biggest problem in the path of fluently speaking a foreign language is hesitation, that arises out of lack of confidence. Many people, who have good command over the language and are well are of its grammar and composition, can't speak the language fluently. Why? The answer is simple. While speaking they try to construct a sentence in their mother language and do the mental translation before uttering a single line. This creates not only confusion but utter chaos in their mind. As a result they feel great hesitation to speak simple sentences. In some cases, however, the problem is more complex, as they lack the basic knowledge of the English language. Rapidex English Speaking Course takes care of both the cases. So, what are you waiting for? Go ahead and discover the secret of fluency in English speaking. Explore and develop your hidden potential and face the world with a new-found confidence and smartness. Only the sky should be your limit. No matter which language you know or speak, be it Hindi, Marathi, Gujarati, Tamil, Telegu, Assami, Oriya, Kannad, Punjabi, Bengali, Nepali or Urdu, with the help of this book English will no more be a foreign language for you. A must for every Indian home. #v&spublishers

On history of Kiranti people in Nepal

A Good Wife Motilal Banarsidass Publishes

Karnali Blues, by Buddhisagar, is the most widely read Nepali novel to have appeared in the last twenty years. As it recounts the evolution of a father-son relationship—a son's search for approval, a father's small acts of kindness and forgiveness, a son's fears for his father's dignity as his fortunes and faculties begin to fail—the reader is deeply drawn into young Brisha Bahadur's world. His father is kind and idealistic; his mother, though she is kind too, is often frustrated and irascible. The characters in this book are some of the most carefully drawn and authentic in all of Nepali literature. In a backwater district of a country about to undergo radical social, political and cultural change, Brisha's dreams, his games and his mischief, his loves, his hopes and his fears come alive. Translated from the Nepali by Michael Hutt, this highly original piece of work, with the simplicity of its language and its emotional range, holds the power to take your breath away. Its principal themes—the love between a son and his father, the joys and sorrows of childhood, the daily struggle for survival—are universal, and will resonate with readers the world over. Moving from a Texas ranch to an Australian Outback station was a life changing decision for Travis Craig. Though it wasn't really a decision at all. Something in his bones told him to go, though he had no clue as to why. Until he met Sutton Station's owner, Charlie. Loving Charlie shouldn't have been easy. The man was stubborn, and riddled with crippling self-doubt. No, it shouldn't have been easy at all. Yet somehow, falling in love with Charlie was the easiest thing in the world. Loving him was easy. Living with him, teaching him how to love in return and, more importantly, how to love himself, was not. But Travis knew all along it'd be worth it. He knew the man with the red dirt heart was destined to be his. Just like he knew the red dirt that surrounded him was where he was supposed to be. In the final instalment of the Red Dirt Series, we see Charlie through Travis' eyes. We see how much he's grown and how much he loves. We go back to Texas with them, and we see Charlie get everything he truly thought he never deserved. Red Dirt Heart 4 is Travis'

story. And this is the story of not just one red dirt heart, but two.

The Sugata Saurabha is an epic poem that retells the story of the Buddha's life. It was published in 1947 in the Nepalese language, Newari, by Chittadhar Hridaya, one of the greatest literary figures of 20th-century Nepal. The text is remarkable for its comprehensiveness, artistry, and nuance. It covers the Buddha's life from birth to death and conveys his basic teachings with simple clarity. It is also of interest because, where the classical sources are silent, Hridaya inserts details of personal life and cultural context that are Nepalese. The effect is to humanize the founder and add the t.

'A true insight into my remarkable friend Dr Sanduk Ruit.' - Gabi Hollows 'He reminds me of Don Bradman. They both have a God-given talent and skill...' - Ray Martin 'If I've done one thing in life I'm proud of, it's launching Ruit into the world'. - Fred Hollows 'One of the greatest people I've ever met.' - Joel Edgerton 'I've known Dr Sanduk Ruit for over thirty years. He is one of our greatest living eye surgeons and humanitarians... Watching him give the gift of sight is like watching someone give a second life.' - Richard Gere Inspiring and uplifting, this is the extraordinary story of Dr Sanduk Ruit who, like his mentor Fred Hollows, took on the world's medical establishment to give the life-changing gift of sight to hundreds and thousands of the world's poorest and most isolated people. It is the story of a boy from the lowest tiers of a rigid caste system who grew up in a tiny, remote Himalayan village with no school to become one of the most respected ophthalmologists in the world and a medical giant of Asia. Compelling and compassionate, it is also the story of a young doctor who became Fred Hollows' medical soul mate and who chose to defy the world's medical establishment and the lure of riches to make the world a better place.

From "a major new talent" come short stories set in modern Nepal, about arranged marriages, forbidden desires, and the universal yearning for human connection (Amitav Ghosh). Set in a city where gods are omnipresent, privacy is elusive, and family defines identity, these are stories of men and women caught between their own needs and the demands of their society and culture. Psychologically rich and astonishingly acute, with "a masterful narrative style" (Ian MacMillan), *Arresting God in Kathmandu* introduces a potent new voice in contemporary fiction. "Upadhyay brings to readers the flavor of Nepal and its culture in this impressive collection of nine short stories. Like Ha Jin's *Bridegroom*, Upadhyay's stories portray the lives of simple yet psychologically complex characters and reveal much about the universal human condition in us all. . . . Upadhyay's stories leave the reader with much food for thought and will make a good choice for book discussion groups." -Library Journal

On June 1, 2001, the heir to the Nepalese throne, Crown Prince Dipendra, donned military fatigues, armed himself with automatic weapons, walked in on a quiet family gathering, and, without a word, mowed his

family down before turning a gun on himself. But Dipendra did not die immediately, and while lying in a coma was declared king. He was now a living god. Award-winning journalists Amy Willesee and Mark Whittaker set out to understand what could have led to such a devastating tragedy, one that fascinated and appalled the world. Exploring Kathmandu and other parts of the kingdom, they conducted exhaustive interviews with everyone from Maoist guerillas to members and friends of the royal family, gaining insight into the people involved in and the events behind the massacre. At the heart of the story is the love affair between Dipendra and the beautiful aristocrat Devyani Rana, whom he was forbidden to marry. Culminating their portrait of Nepal is a chilling reconstruction of the events of that fatal day. As conspiracy theories circulate and rebels threaten to topple the monarchy, the future of this small Himalayan kingdom promises to be as tumultuous as its past. Revealing a country where the twenty-first century mingles uneasily with the fourteenth, *Love and Death in Kathmandu* is both an enlightening portrait of a place that is a world apart and a riveting investigation of an incredible crime.

An Introduction to Nepal HMH

Malaysia's longest-serving and most outspoken prime minister, Dr Mahathir Mohamad has been politically active for more than 60 years. As a young doctor he agitated for independence from the British and promoted the rights of the Malays, and his long political career culminated in his 22-year term as prime minister during which Malaysia's rapid development, his forthright words and singular policies thrust the country into the eyes of the world. Throughout his career, Dr Mahathir has spoken and written in a frank and uncompromising manner and he has continued to do so since retiring from the premiership in 2003; he remains a controversial figure to this day. The Wit and Wisdom of Dr Mahathir Mohamad is a collection of nearly 600 quotations spanning his time in government and beyond. The quotations are arranged by topic, including those as varied as leadership, race relations, the media, economics and development, colonialism, international relations including Israel and Palestine, and Malaysia itself.

A New York Times Notable Book: "A ravishingly seductive novel . . . set in contemporary Kathmandu" (Elle). Ramchandra is a math teacher earning a low wage and living in a small apartment with his wife and two children. Moonlighting as a tutor, he engages in an illicit affair with one of his tutees, Malati, a beautiful, impoverished teenager, who is also a new mother. She provides for him what his wife, who comes from a privileged background, does not: desire, mystery, and a simpler life. Just as this Nepalese city struggles with the conflicts of change, Ramchandra must also learn to accommodate both tradition and his very modern desires, in this "gripping" novel by the Whiting Award-winning author of *Buddha's Orphans* (The New York Times Book Review). "Utterly absorbing . . . Upadhyay's lucent and tender storytelling gently unveils the

strange interplay between self and family, the private and the political, and most mysteriously, the erotic and the spiritual." –Booklist "Poignant . . . The Guru of Love effectively weaves together the complicated dichotomies of man and mistress, love and lust, tradition and modernity." –USA Today "Reads like a graceful, page-turning mixture of stirring romance and social commentary."

"Startlingly good" stories of Nepali society set against the backdrop of violent Maoist insurgencies (San Francisco Chronicle). From an author like "a Buddhist Chekhov," *The Royal Ghosts* features characters trying to reconcile their true desires with the forces at work in Nepali society (San Francisco Chronicle). As political violence rages, these people struggle with their duties to their aging parents, an oppressive caste system, and the complexities of arranged marriage, striving to find peace and connection, and often discovering it in unexpected places. These stories, from the Whiting Award-winning author of *Arresting God* in Kathmandu and *The Guru of Love*, brilliantly examine not only Kathmandu during a time of upheaval, crisis, and cultural transformation but also the effects of the city on the individual consciousness. "Like William Trevor, Samrat Upadhyay compresses into a short story the breadth of vision and human consequence we expect from a novel, and he does so in a prose that seems as natural as breathing." –Scott Russell Sanders, author of *A Private History of Awe* "Takes us straight into the heart of the troubled and enchanting kingdom of Nepal." –The Washington Post "Upadhyay's not-so-simple stories are lucid and often luminous." –Publishers Weekly

She faced years of abuse after arriving in Canada as a teenage bride in a hastily arranged marriage, but nothing could stop Samra Zafar from pursuing her dreams. At 15, Samra Zafar had big dreams for herself. She was going to go to university, and forge her own path. Then with almost no warning, those dreams were pulled away from her when she was suddenly married to a stranger at 17 and had to leave behind her family in Pakistan to move to Canada. Her new husband and his family promised that the marriage and the move would be a fulfillment of her dream, not a betrayal of it. But as the walls of their home slowly became a prison, Samra realized the promises were empty ones. In the years that followed she suffered her husband's emotional and physical abuse that left her feeling isolated, humiliated and assaulted. Desperate to get out, and refusing to give up, she hatched an escape plan for herself and her two daughters. Somehow she found the strength to not only build a new future, but to walk away from her past, ignoring the pleas of her family and risking cultural isolation by divorcing her husband. But that end was only the beginning for Samra. Through her academic and career achievements, she has gone on to become a mentor and public speaker, connecting with people around the world from isolated women in situations similar to her own, to young schoolgirls in Kenya who never allowed themselves to dream to men making the decisions to save for their daughters' educations instead of their dowries. A Good Wife tell her harrowing and inspiring story, following her from a young girl with big dreams, through finding strength in the face of oppression and then finally battling through to empowerment.
