The Wit and Wisdom of Dr Mahathir Mohamad

Allen & Unwin

“Startlingly good” stories of Nepali society set against the backdrop of violent Maoist insurgencies (San Francisco Chronicle). From an author like “a Buddhist Chekhov,” *The Royal Ghosts* features characters trying to reconcile their true desires with the forces at work in Nepali society (San Francisco Chronicle). As political violence rages, these people struggle with their duties to their aging parents, an oppressive caste system, and the complexities of arranged marriage, striving to find peace and connection, and often discovering it in unexpected places. These stories, from the Whiting Award–winning author of *Arresting God in Kathmandu* and *The Guru of Love*, brilliantly examine not only Kathmandu during a time of upheaval, crisis, and cultural transformation but

also the effects of the city on the individual consciousness. “Like William Trevor, Samrat Upadhyay compresses into a short story the breadth of vision and human consequence we expect from a novel, and he does so in a prose that seems as natural as breathing.” —Scott Russell Sanders, author of *A Private History of Awe* “Takes us straight into the heart of the troubled and enchanting kingdom of Nepal.” —The Washington Post “Upadhyay’s not-so-simple stories are lucid and often luminous.” —Publishers Weekly

A New York Times Notable Book: “A ravishingly seductive novel . . . set in contemporary Kathmandu” (Elle).

Ramchandra is a math teacher earning a low wage and living in a small apartment with his wife and two children. Moonlighting as a tutor, he engages in an illicit affair with one of his tutees, Malati, a beautiful, impoverished

teenager, who is also a new mother. She provides for him what his wife, who comes from a privileged background, does not: desire, mystery, and a simpler life. Just as this Nepalese city struggles with the conflicts of change, Ramchandra must also learn to accommodate both tradition and his very modern desires, in this “gripping” novel by the Whiting Award – winning author of Buddha’s Orphans (The New York Times Book Review). “Utterly absorbing . . . Upadhyay’s lucent and tender storytelling gently unveils the strange interplay between self and family, the private and the political, and most mysteriously, the erotic and the spiritual.” —Booklist

“Poignant . . . The Guru of Love effectively weaves together the complicated dichotomies of man and mistress, love and lust, tradition and modernity.” —USA Today “Reads like a

graceful, page-turning mixture of stirring romance and social commentary.”

In the last days of the monsoon in 2006, a helicopter crash in Nepal's eastern hills claimed some of the country's best, including the charismatic environmentalist Chandra Gurung. Starting with his birth as the son of the headman of the small village of Siklis, Manjushree Thapa follows the arc of his career as he achieved one democratic breakthrough after another in a conservation movement under royal patronage, where the royal family expected environmentalists to pander to their every whim. Offering a historical view into Nepal's conservation movement as a whole, *A Boy from Siklis* is the portrait of one man, of his times, and

of a nation made and unmade-and made anew-by
its quest for democracy.

The Sugata Saurabha is an epic poem that retells the story of the Buddha's life. It was published in 1947 in the Nepalese language, Newari, by Chittadhar Hridaya, one

20th-century Nepal. The text is remarkable for its comprehensiveness, artistry, and nuance. It covers the Buddha's life from birth to death and conveys his basic teachings with simple clarity. It is also of interest because, where the classical sources are silent, Hridaya inserts details of personal life and cultural context that are Nepalese. The effect is to humanize the founder and add the t.

The Grace Walk Experience

Harvest House Publishers
A productive and highly important branch of Nevari literature is poetry. The songs reflect the thought of the Nevars, their way of life, religious belief, their history and folklore. The greatest possible variety of genres and styles have been included in the present anthology. Most of the songs included, religious hymns as well as folksongs and ballads, are still very popular among Nevars. In order to facilitate reading and consultation, the whole

corpus of the songs collected has been grouped into four principle sections, namely Religious Poetry, Songs about Love and Marriage, Epic Poetry, Didactic and Enigmatic Verses. The book contains two appendices. While the first lists the talas and ragas, as they are given in the various anthologies published in Nepal, the Second makes an attempt to transpose two songs into the European system of music. The translations are quite faithful and every effort has been made to preserve the spirit and

flavour of the original.

She faced years of abuse after arriving in Canada as a teenage bride in a hastily arranged marriage, but nothing could stop Samra Zafar from pursuing her dreams At 15, Samra Zafar

had big dreams for herself. She was going to go to university, and forge her own path. Then with almost no warning, those dreams were pulled away from her when she was suddenly married to a stranger at 17 and had to leave behind her family in Pakistan to move to Canada. Her new husband and his family promised that the marriage and the move would be a fulfillment of her dream, not a betrayal of it. But as the walls of their home slowly became a prison, Samra realized the promises were empty ones. In the years that followed she suffered her husband's emotional and physical

abuse that left her feeling isolated, humiliated and assaulted. Desperate to get out, and refusing to give up, she hatched an escape plan for herself and her two daughters. Somehow she found the strength to not only build a new future, but to walk away from her past, ignoring the pleas of her family and risking cultural isolation by divorcing her husband. But that end was only the beginning for Samra. Through her academic and career achievements, she has gone on to become a mentor and public speaker, connecting with people around the world from isolated women in situations

similar to her own, to young schoolgirls in Kenya who never allowed themselves to dream to men making the decisions to save for their daughters' educations instead of their dowries. A Good Wife tell her harrowing and inspiring story, following her from a young girl with big dreams, through finding strength in the face of oppression and then finally battling through to empowerment.

From "a major new talent" come

short stories set in modern Nepal, Bridegroom, Upadhyay's stories about arranged marriages, forbidden desires, and the universal yearning for human connection (Amitav Ghosh). Set in a city where gods are omnipresent, privacy is elusive, and family defines identity, these are stories of men and women caught between their own needs and the demands of their society and culture.

Psychologically rich and astonishingly acute, with "a masterful narrative style" (Ian MacMillan), Arresting God in Kathmandu introduces a potent new voice in contemporary fiction. "Upadhyay brings to readers the flavor of Nepal and its culture in this impressive collection of nine short stories. Like Ha Jin's

and reveal much about the universal human condition in us all. . . . Upadhyay's stories leave the reader with much food for thought and will make a good choice for book discussion groups." -Library Journal
