On June 1, 2001, the heir to the Nepalese throne, Crown Prince Dipendra, donned military fatigues, armed himself with automatic weapons, walked in on a quiet family gathering, and, without a word, mowed his family down before turning a gun on himself. But Dipendra did not die immediately, and while lying in a coma

was declared king. He was now a living god. Award-winning journalists Amy Willesee and Mark Whittaker set out to understand what could have led to such a devastating tragedy, one that fascinated and appalled the world. Exploring Kathmandu and other parts of the kingdom, they conducted exhaustive interviews with everyone from Maoist guerillas to members and friends of the royal family, gaining insight into the people involved in and the events behind the massacre. At the heart of the story is the love affair between Dipendra and the beautiful aristocrat Devyani Rana, whom he was forbidden to marry. Culminating their portrait of Nepal is a chilling reconstruction of the events of that fatal day. As conspiracy theories circulate and

rebels threaten to topple the monarchy, the future of this small Himalayan kingdom promises to be as tumultuous as its past. Revealing a country where the twenty-first century mingles uneasily with the fourteenth, Love and Death in Kathmandu is both an enlightening portrait of a place that is a world apart and a riveting investigation of an incredible crime.

A legendary language learning course undoubtedly! Rapidex English Speaking Course is the only speaking course of its kind whose features can be described in superlative degree only. It has already benefited millions

of readers across the country. Experts have unanimously declared it as the best self-study course. Perhaps that is the reason that for over 15 years it has constantly been on the top of the best sellers list in the market. What is the secret of its great popularity? Maybe, a no-nonsense down-to-earth approach and a very scientific methodology that takes into its account the special requirements of Indian learners. In any case it is not just another crash course that begins with a bang but ends with a whimper. Rather its contents and subject matters have been specially designed to help a common man achieve maximum command on the language in a very short time. The most important part of this self-study course is confidence building measures because it has been found from the long experience that biggest problem in the path of fluently speaking a foreign language is hesitation, that arises out of lack of confidence. Many people, who have good command over the language and are well aware of its grammar and composition, can't speak the language fluently. Why? The answer is simple. While speaking they try to construct a sentence in their mother language and do the mental translation before uttering a single line.

This creates not only confusion but utter chaos in their mind. As a result they feel great hesitation to speak simple sentences. In some cases, however, the problem is more complex, as they lack the basic knowledge of the English language. Rapidex English Speaking Course takes care of both the cases. So, what are you waiting for? Go ahead and discover the secret of fluency in English speaking. Explore and develop your hidden potential and face the world with a new-found confidence and smartness. Only the sky should be your limit. No matter which language you know or speak, be it Hindi, Marathi, Gujarati, Tamil, Telegu, Assami, Oriya, Kannad, Punjabi, Bengali, Nepali or Urdu, with the help of this book English will no more be a foreign language for you. It was published in 1947 in the Nepalese language, Newari, by Chittadhar Hridaya, one of the greatest literary figures of 20th-century Nepal. The text is remarkable for its comprehensiveness, artistry, and

nuance. It covers the Buddha's life from birth to death and conveys his basic teachings with simple clarity. It is also of interest because, where the classical sources are silent, Hridaya inserts details of personal life and cultural context that are Nepalese. The effect is to humanize the founder and add the t.

Despite the widespread belief that Canada is a country of liberty, equality, and inclusiveness, many persons with disabilities experience social exclusion and marginalization. In this book, twenty-four scholars from a variety of disciplines contend that achieving equality for the disabled is not fundamentally a question of medicine or health, nor is it an issue of sensitivity or compassion. Rather, it is a question of politics, and of power and powerlessness. This book argues that we need a new understanding of participatory citizenship that encompasses the disabled, new policies to respond to their needs, and a new vision of their entitlements.

The soft crash of waves that blissfully block out all other noise, the smell of two-stroke and lawn clippings, the first sip of cold beer, the laboured whir of the ceiling fan, the sound of a bag of ice hitting the pavement, that feeling of salt on skin and even the smell of prawns on bin night. Comedian Tim Ross uses the Australian Summer as a backdrop for a new collection of nostalgic short stories.

From an author like "a Buddhist Chekhov," *The Royal Ghosts* features characters trying to reconcile their true desires with the forces at work in

Nepali society (San Francisco Chronicle). As political violence rages, these people struggle with their duties to their aging parents, an oppressive caste system, and the complexities of arranged marriage, striving to find peace and connection, and often discovering it in unexpected places. A productive and highly important branch of Nevari literature is poetry. The songs reflect the thought of the Nevars, their way of life, religious belief, their history and folklore. The greatest possible variety of genres and styles have been included in the present anthology. Most of the songs included, religious hymns as well as folksongs and ballads, are still very popular among Nevars. In order to facilitate reading and consultation, the whole corpus of the songs collected has been grouped into four principle sections, namely Religious Poetry,

Songs about Love and Marriage, Epic Poetry, Didactic and Enigmatic Verses. The book contains two appendices. While the first lists the talas and ragas, as they are given in the various anthologies published in Nepal, the Second makes an attempt to transpose two songs into the European system of music. The translations are quite faithful and every effort has been made to preserve the spirit and flavour of the original. Contents Preface, Introduction, Translation, I. Religious Poetry: 1. From "a major new talent" come short stories set in modern Nepal, about arranged marriages, forbidden desires, and the universal yearning for human connection (Amitav Ghosh). Set in a city where gods are omnipresent, privacy is elusive, and family defines identity, these are stories of men and women caught between their own needs and the demands of their society and culture. Psychologically rich and astonishingly acute, with "a masterful narrative style" (Ian MacMillan), *Arresting God* in Kathmandu introduces a potent new voice in contemporary fiction. "Upadhyay brings to

readers the flavor of Nepal and its culture in this impressive collection of nine short stories. Like Ha Jin's *Bridegroom*, Upadhyay's stories portray the lives of simple yet psychologically complex characters and reveal much about the universal human condition in us all. . . . Upadhyay's stories leave the reader with much food for thought and will make a good choice for book discussion groups." -Library Journal
