Plug and play vocabulary to learn Japanese sentence structure (句型 bunkei). This book offers a way to practice grammar, vocabulary, and reading using JLPT N5 level grammatical patterns in various example sentences. For each grammatical pattern, we'll switch out words and point out construction rules to give you a full understanding how to use that form. This book includes: 34 highly useful beginner-level grammatical patterns At least five example sentences for each pattern 200 sound files for every example sentence found in the book Total sentence breakdowns--fully understand the mechanics of each sentence, the vocabulary, grammar, and sentence structure Meaning, usage, and construction of each grammatical pattern explained in plain English Practice by creating Japanese sentences from each grammatical pattern (answers given) The download link for the sound files (plus PDF version of the book) found on the last page Japanese Grammar for English Speakers We highly recommend reading each example sentence several times—even dozens of times. Learning isolated vocabulary may be useful, but learning vocabulary within a natural context (sentence or phrase) while absorbing how the grammar is more efficient. While you read (paperback, tablet, or computer), you may want to use your smartphone to play the sound files. We assume you are using a textbook for your regular studies and have some (if only a touch) familiarity with very basic Japanese grammar. If not, we highly recommend getting a textbook to keep your learning structured before proceeding with this book. At the very minimum, to use this book, you must have a solid knowledge of hiragana.

[Japanese Reading for JLPT N5](#) Japanese Kanji for JLPT N5

This is an invaluable study guide for learning Japanese characters. The major struggle facing all beginning Japanese language students is to learn to recognize, read and write hundreds of Japanese characters. The Second 100 Japanese Kanji adopts a structural approach that helps students to overcome the initial difficulty of reading kanji and writing kanji and quickly master the basic Japanese characters that are fundamental to this language. Intended for beginning students, this beginner kanji guide teaches characters that have been carefully selected and sequenced for rapid and effective learning. Each kanji is shown separately on a single page, along with its different readings, its English meanings, romaji (romanization), a stroke-order guide and ample space for writing practice. This book includes: Step-by-step stroke order diagrams for each character. Special boxes with grid lines to practice writing characters. Words and phrases using each kanji. Romanizations (romanji) to help identify and pronounce every word.
