The thirteenth novel in Craig Johnson's beloved New York Times bestselling Longmire series, the basis for the hit Netflix series Longmire Sheriff Walt Longmire is enjoying a celebratory beer after a weapons certification at the Wyoming Law Enforcement Academy when a younger sheriff confronts him with a photograph of twenty-five armed men standing in front of a Challenger steam locomotive. It takes him back to when, fresh from the battlefields of Vietnam, then-deputy Walt accompanied his mentor Lucian to the annual Wyoming Sheriff's Association junket held on the excursion train known as the Western Star, which ran the length of Wyoming from Cheyenne to Evanston and back. Armed with his trusty Colt .45 and a paperback of Agatha Christie's *Murder on the Orient Express*, the young Walt was ill-prepared for the machinations of twenty-four veteran sheriffs, let alone the cavalcade of curious characters that accompanied

them. The photograph--along with an upcoming parole hearing for one of the most dangerous men Walt has encountered in a lifetime of law enforcement--hurts the sheriff into a head-on collision of past and present, placing him and everyone he cares about squarely on the tracks of runaway revenge.

The Chief Inspector Gamache Series, Books 1-3 Vintage Crime/Black Lizard

From one of contemporary literature's bestselling, critically acclaimed, and beloved authors: a “luminous” novel (Jennifer Egan, *The New York Times Book Review*) about a fiercely compelling young widow navigating grief, fear, and longing, and finding her own voice—“heartrendingly transcendent” (*The New York Times*, Janet Maslin). Set in Wexford, Ireland, Colm Tóibín's magnificent seventh novel introduces the formidable, memorable, and deeply moving Nora Webster. Widowed at forty, with four children and not enough money, Nora has lost the love of her life, Maurice, the man who rescued her from the stifling world to

which she was born. And now she fears she may be sucked back into it. Wounded, selfish, strong-willed, clinging to secrecy in a tiny community where everyone knows your business, Nora is drowning in her own sorrow and blind to the suffering of her young sons, who have lost their father. Yet she has moments of stunning insight and empathy, and when she begins to sing again, after decades, she finds solace, engagement, a haven—herself. Nora Webster “may actually be a perfect work of fiction” (Los Angeles Times), by a “beautiful and daring” writer (The New York Times Book Review) at the zenith of his career, able to “sneak up on readers and capture their imaginations” (USA TODAY).

“Miraculous...Tóibín portrays Nora with tremendous sympathy and understanding” (Ron Charles, The Washington Post).

But while monitoring neo-Nazi activities in Oslo, Hole is inadvertently drawn into a mystery with deep roots in Norway’s dark past, when members of the government willingly collaborated with Nazi Germany. More than sixty years later, this black mark won’t wash away—and disgraced old soldiers who once survived a brutal Russian winter are being murdered, one by one. Now, with only a stained and guilty conscience to guide him, an angry and erratic policeman must make his way safely past the traps and mirrors of a twisted criminal mind. For a conspiracy is taking rapid and hideous shape around Hole...and Norway’s darkest hour may be still to come.
