This moving
biography presents
the definitive
story of the life
of and legacy of
the most eloquent
spokesperson and

leader of the US labour and socialist movements. Eugene Debs was a railway organiser and socialist. He ran for president five times, once from prison. With a new introduction by Mike Davis.

African-Americans in Boston Ludwig von Mises Institute

Decades before the terms “eco-friendly” and “sustainable growing” entered the vernacular, *How to Grow More Vegetables* demonstrated that small-scale, high-yield, all-organic gardening methods could yield bountiful crops over multiple growing cycles using minimal resources in a suburban environment. The

concept that John Jeavons and the team at Ecology Action launched more than 40 years ago has been embraced by the mainstream and continues to gather momentum. Today, *How to Grow More Vegetables*, now in its fully revised and updated 8th edition, is the go-to reference for food growers at every level: from home gardeners dedicated to nurturing their backyard edibles in maximum harmony with nature’s cycles, to small-scale commercial producers interested in optimizing soil fertility and increasing plant productivity. Whether you hope to harvest your first tomatoes next summer or are planning to grow enough to feed your whole family in years to come, *How to Grow More Vegetables* is your indispensable sustainable

garden guide.

The Secrets of the Federal Reserve -- The London Connection Pantheon

Jane Franklin's diary account of her travels from Van Diemen's Land to Port Phillip and then overland from Melbourne to Sydney in 1839 provides a detailed and colourful snapshot of colonial society recorded by a sharply observant witness -- back cover. includes brief references to Aboriginal people.

A dark fairytale, full of witchcraft, where nothing is as it seems Once upon a time there was and there wasn't a woman who went to the woods. In this dark fairy tale, a young woman sets off to pick berries in the depths of the forest, but can't find her way home again. Or perhaps she has fled or abandoned her

family. Or perhaps she's been kidnapped, and set loose to wander in the wilderness.

Alone and possibly lost, she meets another woman who offers her help. Then everything changes. On a journey that will take her to the depths of the witch-haunted woods, through a deep well wet with the screams of men, and on a living ship made of human bones, our heroine may find that the evil she flees has been inside her all along. Laird Hunt is an American writer and translator. He has written seven novels, including *Neverhome*, which was a New York Times Book Review Editor's Choice selection, an IndieNext selection, winner of the Grand Prix de Litt é rature Am é ricaine and The Bridge prize, and a finalist for the Prix Femina É tranger. His *In the House in the Dark of the*

Woods is also available from Pushkin Press. A resident of Boulder, CO, he is on the faculty in the creative writing PhD program at the University of Denver.

WINNER OF THE SPERBER PRIZE • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY SAN FRANCISCO CHRONICLE AND PUBLISHERS WEEKLY • This

fascinating biography reveals the untold story of the legendary New Yorker profile writer—author of *Joe Gould's Secret* and *Up in the Old Hotel*—and unravels the mystery behind one of literary history's greatest disappearing acts. Born and raised in North Carolina, Joseph Mitchell was Southern to the core. But from the 1930s to the 1960s, he was the voice of New York City. Readers of *The New Yorker* cherished

his intimate sketches of the people who made the city tick—from Mohawk steelworkers to Staten Island oystermen, from homeless intellectual Joe Gould to Old John McSorley, founder of the city's most famous saloon. Mitchell's literary sensibility combined with a journalistic eye for detail produced a writing style that would inspire New Journalism luminaries such as Gay Talese, Tom Wolfe, and Joan Didion. Then, all of a sudden, his stories stopped appearing. For thirty years, Mitchell showed up for work at *The New Yorker*, but he produced . . . nothing. Did he have something new and exciting in store? Was he working on a major project? Or was he bedeviled by an epic case of writer's block? The first full-length biography of Joseph Mitchell, based on the thousands of archival pages he left behind and dozens of

interviews, *Man in Profile* pieces together the life of this beloved and enigmatic literary legend and answers the question that has plagued readers and critics for decades: What was Joe Mitchell doing all those years? By the time of his death in 1996, Mitchell was less well known for his elegant writing than for his J. D. Salinger – like retreat from the public eye. For thirty years, Mitchell had wandered the streets of New York, chronicling the lives of everyday people and publishing them in the most prestigious publication in town. But by the 1970s, crime, homelessness, and a crumbling infrastructure had transformed the city Mitchell understood so well and spoke for so articulately. He could barely recognize it. As he said to a friend late in life, “I ’ m living in a state of confusion.” Fifty years after his last story appeared, and almost two decades after his death, Joseph Mitchell still has legions of fans, and his story—especially the mystery of his “ disappearance ” —continues to fascinate. With a colorful cast of characters that includes Harold Ross, A. J. Liebling, Tina Brown, James Thurber, and William Shawn, *Man in Profile* goes a long way to solving that mystery—and bringing this lion of American journalism out of the shadows that once threatened to swallow him. Praise for *Man in Profile* “ [An] authoritative new biography [about] our greatest literary journalist . . . Kunkel is the ideal biographer of Joseph Mitchell: As . . . a writer and craftsman worthy of his subject.” —Blake Bailey, *The New York Times Book Review* (Editor ’ s Choice) “ A richly persuasive portrait of a man who cared about everybody and everything.” —*London Review of Books*

“ Mitchell ’ s life and achievements are brought vividly alive in [this] splendid book. ” —Chicago Tribune “ A thoughtful and sympathetic new biography. ” —Ruth Franklin, The Atlantic “ Excellent . . . A first-rate Mitchell biography was very much in order. ” —The Wall Street Journal

My Ears Are Bent Penguin “Poor White” by Sherwood Anderson. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and

accessible to everyone in a high-quality digital format. Poor White Oxford University Press, USA From the Foreword. In 1949, while I was visiting Ezra Pound who was a political prisoner at St. Elizabeth's Hospital, Washington, D.C. (a Federal institution for the insane), Dr. Pound asked me if I had ever heard of the Federal Reserve System. I replied that I had not, as of the age of 25. He then showed me a ten dollar bill marked ""Federal Reserve Note"" and asked me if I would do some research at the Library of Congress on the Federal Reserve System which had issued this bill. Pound was unable to go to the Library himself, as he was being held without trial as a political prisoner by the United States government. After he was denied broadcasting time in the U.S., Dr. Pound broadcast from Italy in an effort to

persuade people of the United States not to enter World War II. Franklin D. Roosevelt had personally ordered Pound's indictment, spurred by the demands of his three personal assistants, Harry Dexter White, Lauchlin Currie, and Alger Hiss, all connected with Communist espionage.

Heart Routledge

Saloon-keepers and street preachers, gypsies and steel-walking Mohawks, a bearded lady and a 93-year-old

“seafoodetarian” who believes his specialized diet will keep him alive for another two decades. These are among the people that Joseph Mitchell immortalized in his reportage for *The New Yorker* and in four books—McSorley's

Wonderful Saloon, Old Mr. Flood, *The Bottom of the Harbor*, and *Joe Gould's Secret*—that are still renowned for their precise, respectful observation, their graveyard humor, and their offhand perfection of style. These masterpieces (along with several previously uncollected stories) are available in one volume, which presents an indelible collective portrait of an unsuspected New York and its odder citizens—as depicted by one of the great writers of this or any other time.

Alice Neel: *People Come First* Simon and Schuster

A new edition of Mitchell's most famous

work, first published in 1943, captures the lives, eccentricities, and idiosyncracies of the owners and customers of McSorley's, one of the oldest saloon's in New York City. 12,500 first printing.

Three Visits to America

Vintage

For perhaps the first time in novel form, Benevolence presents an important era in Australia ' s history from an Aboriginal perspective. Benevolence is told from the perspective of Darug woman, Muraging (Mary James), born around 1813. Mary ' s was one of the earliest Darug generations to experience the impact of British colonisation. At an early age Muraging is given over to the Parramatta Native School by her Darug father. From here she embarks on a journey of discovery and a

search for a safe place to make her home. The novel spans the years 1816-35 and is set around the Hawkesbury River area, the home of the Darug people, Parramatta and Sydney.

The author interweaves historical events and characters — she shatters stereotypes and puts a human face to this Aboriginal perspective.

This book examines the history, theory and journalistic practice of profile writing. Profiles, and the practice of writing them, are of increasing interest to scholars of journalism because conflicts between the interviewer and the subject exemplify the changing nature of journalism itself. While the subject, often through the medium of their press representative, struggles to retain control of the interview space, the journalist seeks to subvert it. This interesting and multi-layered interaction, however, has rarely been subject to critical scrutiny, partly because profiles have traditionally been regarded as public relations exercises or as 'soft' journalism. However, chapters in this volume reveal not only that profiling has, historically, taken many different forms, but that the idea of the interview as a contested space has applications beyond the subject of celebrated individuals. The volume looks at the profile's historical beginnings, at the contemporary manufacture of celebrity versus the 'ordinary', at profiling communities, countries and movements, at profiling the destitute, at sporting personalities and finally at profiling and trauma.

The Bending Cross
Grove/Atlantic, Inc.
"For me, people come first," Alice Neel (1900 – 1984) declared in 1950. "I have tried to assert the dignity and eternal importance of the human being."

This ambitious publication surveys Neel's nearly 70-year career through the lens of her radical humanism. Remarkable portraits of victims of the Great Depression, fellow residents of Spanish Harlem, leaders of political organizations, queer artists, visibly pregnant women, and members of New York's global diaspora reveal that Neel viewed humanism as both a political and philosophical ideal. In addition to these paintings of famous and unknown sitters, the more than 100 works highlighted include Neel's emotionally charged cityscapes and still lifes as well as the artist's erotic pastels

and watercolors. Essays tackle Neel's portrayal of LGBTQ subjects; her unique aesthetic language, which merged abstraction and figuration; and her commitment to progressive politics, civil rights, feminism, and racial diversity. The authors also explore Neel's highly personal preoccupations with death, illness, and motherhood while reasserting her place in the broader cultural history of the 20th century. *How to Grow More Vegetables, Eighth Edition* Pushkin Press
Joseph Mitchell was a legendary New Yorker writer and the author of the national bestseller *Up*

in the Old Hotel, in which these two pieces appeared. What Joseph Mitchell wrote about, principally, was New York. In Joe Gould, Mitchell found the perfect subject. And Joe Gould's Secret has become a legendary piece of New York history. Joe Gould may have been the quintessential Greenwich Village bohemian. In 1916, he left behind patrician roots for a scrappy, hand-to-mouth existence: he wore ragtag clothes, slept in Bowery flophouses, and mooched food, drinks, and money off of friends and strangers. Thus he was able to devote his energies to writing "An Oral History of Our Time," which Gould said would constitute "the informal history of the shirt-sleeved multitude." But when Joe Gould died in 1957, the manuscript could not be found. Where had he hidden it? This is Joe Gould's Secret. "[Mitchell is] one of our finest journalists."--Dawn Powell, The Washington Post "What people say is history--Joe Gould was right about that--and history, when recorded by Mitchell, is literature."--The New Criterion

Man in Profile Vintage
A virtual memoir in letters by the beloved creator of the Moomins Tove Jansson 's works, even her famed Moomin books, fairly teem with letters of one kind or another, from messages bobbing in bottles to whole epistolary novels. Fortunately for her countless readers, her life was no different, unfolding as it did in the letters to family, friends, and lovers that make up this volume, a veritable autobiography over the course of six decades—and the only

one Jansson ever wrote. And just as letters carry a weight of significance in Jansson ' s writing, those she wrote throughout her life reflect the gravity of her circumstances, the depth of her thoughts and feelings, and the critical moments of humor, sadness, and grace that mark an artist ' s days. These letters, penned with characteristic insight and wit, provide an almost seamless commentary on Jansson ' s life within Helsinki ' s bohemian circles and on her island home. Shifting between hope and despair, yearning and happiness, they describe her immersion

in art studies and her ascension to fame with the Moomins. They speak frankly of friendship and love, loneliness and solidarity, and also of politics, art, literature, and society. They summon a particular place and time reflected through a mind finely attuned to her culture, her world, and her own nature—all clearly put into biographical and historical context by the volume ' s editors, both longtime friends of Tove Jansson—and, in the end, draw a complex, intimate self-portrait of one of the world ' s most beloved authors.

In 1932, John T. Flynn had begun to rethink his old-style "progressivism" to develop intellectually into a defender of markets as against the regimentation of government management. A first product of these steps is this classic and extraordinary full biography of John D. Rockefeller. In this highly sympathetic portrayal, Flynn shows how Rockefeller employed the tools of capitalism to become enormously rich in the service of others, and how this unleashed the most unexpected backlash from anti-capitalists of all sorts, culminating in the breakup of Standard

Oil. He saw that this was done at the behest of Rockefeller's competition, and not in the public interest. It was the first and probably still the best biography of an American original. Benevolence John Wiley & Sons
A Romeo & Juliet tale for Hamilton! fans. In post-American Revolution New York City, Theodosia Burr, a scholar with the skills of a socialite, is all about charming the right people on behalf of her father—Senator Aaron Burr, who is determined to win the office of president in the pivotal election of 1800. Meanwhile, Philip Hamilton, the rakish son of Alexander Hamilton, is all about being

charming on behalf of his libido. When the two first meet, it seems the ongoing feud between their politically opposed fathers may be hereditary. But soon, Theodosia and Philip must choose between love and family, desire and loyalty, and preserving the legacy their flawed fathers fought for or creating their own. Love, Theodosia is a smart, funny, swoony take on a fiercely intelligent woman with feminist ideas ahead of her time who has long-deserved center stage. A refreshing spin on the Hamiltonian era and the characters we have grown to know and love. It's also a heartbreaking romance of two star-crossed lovers, an achingly bittersweet

“ what if. ” Despite their fathers' bitter rivalry, Theodosia and Philip are drawn to each other and, in what unrolls like a Jane Austen novel of manners, we find ourselves entangled in the world of Hamilton and Burr once again as these heirs of famous enemies are driven together despite every reason not to be.

Metropolitan Museum of Art can be found in the longer
‘ It's a masterpiece, of course, but more than that it shows that there is some such thing as being a simple observer ’ Nicci French, Independent It was 1932 when Joseph Mitchell first came across Joe Gould, a Harvard-educated vagrant of Greenwich Village. Penniless, filthy, scurrilous, charming, thieving, Joe Gould was widely considered a genius. He was working on a book he called an Oral History – the longest book ever written he claimed, formed of recorded conversations set down in exercise books. Of course, when Gould died the great epic was nowhere to be found. This compelling portrait of a true New York eccentric, a man who embodied the disconnected, delusional nature of real life, was Mitchell ’ s personal enquiry into the agony of writer ’ s block.
