intimate self-portrait of one of the world's most beloved authors. Pushing to the Front Vintage Introducing the new Fisher Investment Series, comprised of engaging and informative titles written by renowned money manager and bestselling author Ken Fisher. This series offers essential insights into the worlds of investing and finance. Over the course of nearly two centuries, the innovations, mistakes, and scandals of different market participants

have played an important role in shaping today's financial markets. Now, in *100 Minds That Made the Market*, Ken Fisher delivers a series of biographies of these pioneers of American financial history. From Joe Kennedy's "sexcapades" to Jesse Livermore's suicide, this book details the drama, the dirt, and the financial principles of an amazingly inventive group of financial minds. Fisher digs deep to uncover the careers, personal lives, and contributions of these individuals, and leads you through the lessons that can be learned

---

from each one. Here you have 100 of the best teachers -- some you already know, some you will feel you know, and some you may not have previously discovered -- whose experiences will undoubtedly enhance your understanding of the markets. With a few pages dedicated to each person, 100 Minds That Made the Market quickly captures the essence of the people and ideas that have influenced the evolution of the financial industry.

Oxford University Press, USA  
From the

Foreword. In 1949, while I was visiting Ezra Pound who was a political prisoner at St. Elizabeth's Hospital, Washington, D.C. (a Federal institution for the insane), Dr. Pound asked me if I had ever heard of the Federal Reserve System. I replied that I had not, as of the age of 25. He then showed me a ten dollar bill marked "Federal Reserve Note" and asked me if I would do some research at the Library of Congress on the Federal Reserve System which had

issued this bill. Pound was unable to go to the Library himself, as he was being held without trial as a political prisoner by the United States government. After he was denied broadcasting time in the U.S., Dr. Pound broadcast from Italy in an effort to persuade people of the United States not to enter World War II. Franklin D. Roosevelt had personally ordered Pound's indictment, spurred by the demands of his three personal assistants, Harry

Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format. Joe Gould's Secret Simon and Schuster The story of a notorious New York eccentric and the journalist who

chronicled his life: " A little masterpiece of observation and storytelling " (Ian McEwan). Joseph Mitchell was a cornerstone of the New Yorker staff for decades, but his prolific career was shattered by an extraordinary case of writer ' s block. For the final thirty-two years of his life, Mitchell published nothing. And the key to his silence may lie in his last major work: the biography of a supposed Harvard grad turned Greenwich Village tramp named Joe Gould. Gould was, in Mitchell ' s words, " an odd and penniless and unemployable little

---

man who came to this city in 1916 and ducked and dodged and held on as hard as he could for over thirty-five years. ” As Mitchell learns more about Gould ’ s epic Oral History—a reputedly nine-million-word collection of philosophizing, wanderings, and hearsay—he eventually uncovers a secret that adds even more intrigue to the already unusual story of the local legend. Originally written as two separate pieces ( “ Professor Sea Gull ” in 1942 and then “ Joe Gould ’ s Secret ” twenty-two years later), this magnum opus captures Mitchell at his peak. As the

reader comes to understand Gould ’ s secret, Mitchell ’ s words become all the more haunting. This ebook features an illustrated biography of Joseph Mitchell including rare images from the author ’ s estate. [The Bending Cross](#) Metropolitan Museum of Art Famed New Yorker writer Joseph Mitchell, as a young newspaper reporter in 1930s New York, interviewed fan dancers, street evangelists, voodoo conjurers, not to mention a lady boxer who also happened to be a countess. Mitchell haunted parts of the city now vanished: the fish market,

burlesque houses, tenement neighborhoods, and storefront churches. Whether he wrote about a singing first baseman for the Brooklyn Dodgers or a nudist who does a reverse striptease, Mitchell brilliantly illuminated the humanity in the oddest New Yorkers. These pieces, written primarily for The World-Telegram and The Herald Tribune, highlight his abundant gifts of empathy and observation, and give us the full-bodied picture of the famed New Yorker writer Mitchell would become. African-Americans in Boston Ludwig von Mises Institute

WINNER OF THE SPERBER PRIZE • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY SAN FRANCISCO CHRONICLE AND PUBLISHERS WEEKLY • This fascinating biography reveals the untold story of the legendary New Yorker profile writer—author of *Joe Gould ’ s Secret and Up in the Old Hotel*—and unravels the mystery behind one of literary history ’ s greatest disappearing acts. Born and raised in North Carolina,

Joseph Mitchell was Southern to the core. But from the 1930s to the 1960s, he was the voice of New York City. Readers of *The New Yorker* cherished his intimate sketches of the people who made the city tick—from Mohawk steelworkers to Staten Island oystermen, from homeless intellectual Joe Gould to Old John McSorley, founder of the city ’ s most famous saloon. Mitchell ’ s literary sensibility combined with a journalistic eye for detail produced a

writing style that would inspire New Journalism luminaries such as Gay Talese, Tom Wolfe, and Joan Didion. Then, all of a sudden, his stories stopped appearing. For thirty years, Mitchell showed up for work at *The New Yorker*, but he produced . . . nothing. Did he have something new and exciting in store? Was he working on a major project? Or was he bedeviled by an epic case of writer ’ s block? The first full-length biography of Joseph Mitchell, based on the thousands of

---

archival pages he left behind and dozens of interviews, Man in Profile pieces together the life of this beloved and enigmatic literary legend and answers the question that has plagued readers and critics for decades: What was Joe Mitchell doing all those years? By the time of his death in 1996, Mitchell was less well known for his elegant writing than for his J. D. Salinger – like retreat from the public eye. For thirty years, Mitchell had wandered the streets of New York, chronicling the lives of everyday people and publishing them in the most prestigious publication in town. But by the 1970s, crime, homelessness, and a crumbling infrastructure had transformed the city understood so well and spoke for so articulately. He could barely recognize it. As he said to a friend late in life, “ I ’ m living in a state of confusion. ” Fifty years after his last story appeared, and almost two decades after his death, Joseph Mitchell still has legions of fans, and his story—especially the mystery of his “ disappearance ” —continues to fascinate. With a colorful cast of characters that includes Harold Ross, A. J. Liebling, Tina Brown, James Thurber, and William Shawn, Man in Profile goes a long way to solving that mystery—and bringing this lion of American journalism out of the shadows that once threatened to swallow him. Praise for Man in Profile “ [An] authoritative new biography [about] our greatest literary journalist . . .

---

Kunkel is the ideal biographer of Joseph Mitchell: As . . . a writer and craftsman worthy of his subject. ” —Blake Bailey, *The New York Times Book Review* (Editor ’ s Choice) “ A richly persuasive portrait of a man who cared about everybody and everything. ” —*London Review of Books* “ Mitchell ’ s life and achievements are brought vividly alive in [this] splendid book. ” —*Chicago Tribune* “ A thoughtful and sympathetic new biography. ” —Ruth Franklin, *The*

*Atlantic* “ Excellent . . . A first-rate Mitchell biography was very much in order. ” —*The Wall Street Journal* *Bloodlines of the Illuminati* Jane Franklin's diary account of her travels from Van Diemen's Land to Port Phillip and then overland from Melbourne to Sydney in 1839 provides a detailed and colourful snapshot of colonial society recorded by a sharply observant witness -- back cover. includes brief references to Aboriginal people. *My Ears Are Bent*

Joe Gould's Secret Saloon-keepers and street preachers, gypsies and steel-walking Mohawks, a bearded lady and a 93-year-old “ seafoodetarian ” who believes his specialized diet will keep him alive for another two decades. These are among the people that Joseph Mitchell immortalized in his reportage for *The New Yorker* and in four books—*McSorley's Wonderful Saloon*, *Old Mr. Flood*, *The Bottom of the Harbor*, and *Joe Gould's Secret*—that are still renowned for their precise, respectful observation, their graveyard humor,

---

and their offhand perfection of style. These masterpieces (along with several previously uncollected stories) are available in one volume, which presents an indelible collective portrait of an unsuspected New York and its odder citizens—as depicted by one of the great writers of this or any other time.

Heart Penguin

‘ It’s a masterpiece, of course, but more than that it shows that there is some such thing as being a simple observer ’ Nicci French, Independent It was 1932 when Joseph Mitchell first came

across Joe Gould, a Harvard-educated vagrant of Greenwich Village. Penniless, filthy, scurrilous, charming, thieving, Joe Gould was widely considered a genius. He was working on a book he called an Oral History – the longest book ever written he claimed, formed of recorded conversations set down in exercise books. Of course, when Gould died the great epic was nowhere to be found. This compelling portrait of a true New York eccentric, a man who embodied the disconnected,

delusional nature of real life, was Mitchell ’ s personal enquiry into the agony of writer ’ s block. Joe Gould’s Secret can be found in the longer collection of Mitchell’s writing Up in the Old Hotel. Bloodlines of the Illuminati:

Roleplaying game set in a strange undercity that warps to match your heart’s desire.

In the House in the Dark of the Woods Random House A Romeo & Juliet tale for Hamilton! fans. In post-American

---

Revolution New York City, Theodosia Burr, a scholar with the skills of a socialite, is all about charming the right people on behalf of her father—Senator Aaron Burr, who is determined to win the office of president in the pivotal election of 1800. Meanwhile, Philip Hamilton, the rakish son of Alexander Hamilton, is all about being charming on behalf of his libido. When the two first meet, it seems the ongoing feud between their politically opposed fathers may be hereditary. But

soon, Theodosia and Philip must choose between love and family, desire and loyalty, and preserving the legacy their flawed fathers fought for or creating their own. Love, Theodosia is a smart, funny, swoony take on a fiercely intelligent woman with feminist ideas ahead of her time who has long-deserved center stage. A refreshing spin on the Hamiltonian era and the characters we have grown to know and love. It ' s also a heartbreaking romance of two star-crossed lovers, an aching bittersweet

“ what if. ” Despite their fathers ' bitter rivalry, Theodosia and Philip are drawn to each other and, in what unrolls like a Jane Austen novel of manners, we find ourselves entangled in the world of Hamilton and Burr once again as these heirs of famous enemies are driven together despite every reason not to be. This moving biography presents the definitive story of the life of and legacy of the most eloquent spokesperson and leader of the US labour and socialist movements. Eugene Debs was a railway organiser and socialist. He ran for president five times, once from prison. With a new introduction by Mike Davis. Man in Profile Random House

Decades before the terms “eco-friendly” and “sustainable growing” entered the vernacular, *How to Grow More Vegetables* demonstrated that small-scale, high-

yield, all-organic gardening methods could yield bountiful crops over multiple growing cycles using minimal resources in a suburban environment. The concept that John Jeavons and the team at Ecology Action launched more than 40 years ago has been embraced by the mainstream and continues to gather momentum. Today, *How to Grow More Vegetables*, now in its fully revised and updated 8th edition, is the go-to reference for food growers at every level: from home gardeners dedicated to nurturing their backyard edibles in maximum harmony with nature’s cycles, to small-scale commercial producers interested in optimizing soil fertility

and increasing plant productivity. Whether you hope to harvest your first tomatoes next summer or are planning to grow enough to feed your whole family in years to come, *How to Grow More Vegetables* is your indispensable sustainable garden guide. Official Congressional Directory Ten Speed Press

A dark fairytale, full of witchcraft, where nothing is as it seems. Once upon a time there was and there wasn't a woman who went to the woods. In this dark fairy tale, a young woman sets off to pick berries in the depths of the forest, but can't find her way home again. Or perhaps she has fled or abandoned her family. Or perhaps she's been kidnapped, and set

---

loose to wander in the wilderness. Alone and possibly lost, she meets another woman who offers her help. Then everything changes. On a journey that will take her to the depths of the witch-haunted woods, through a deep well wet with the screams of men, and on a living ship made of human bones, our heroine may find that the evil she flees has been inside her all along. Laird Hunt is an American writer and translator. He has written seven novels, including *Neverhome*, which was a New York Times Book Review Editor's Choice selection, an IndieNext selection, winner of the Grand Prix de Littérature Américaine and The Bridge prize, and a finalist for the Prix Femina Étranger. His

A "must"

introduction to significant African-American events & people in Massachusetts where so much American history began. The first slaves arrived in Boston in 1638; the first Black gave his

life in the Boston Massacre. Entries are dramatic bullet-style cameos set off by more than 100 photographs. Arranged chronologically within a dozen categories--Science, Religion, Government, Creative Arts, among them--the elegantly designed paperback offers instant identification of names & invites follow up research--a catalyst "to find out more." Among the entries: a high school student wins ten dollars in gold for her essay on the "Evils of Intemperance"; a physician fights for the right to deliver babies at the city hospital; Blacks unite

in protest against the film BIRTH OF A NATION; a Boston mechanic invents a diving suit & a dentist invents a golf tee. The BOSTON GLOBE calls it a book that explores the "rich heritage & legacy of leaders who lived here but had an impact upon all America--including Frederick Douglass, William DuBois, Phillis Wheatley, Malcolm X, Dr. Martin Luther King, Jr." An executive of Bank of Boston, which funded the publication, calls it "a book about dreams." And the dreams came true. Available through Publisher's Sales Office--666 Boylston Street, Boston, MA 02116,
