<p>repairing a tractor on which he has had no previous actual experience. The material is arranged in a systematic order beginning with an index which is followed immediately by a Table of Condensed Service Specifications. These specifications include dimensions, fits, clearances and timing instructions. Next in order of arrangement is the procedures section. In the procedures section, the order of presentation starts with the front axle system</p>	<p>and steering and proceeds toward the rear axle. The last portion of the procedures section is devoted to the power take-off and power lift systems. Interspersed where needed in this section are additional tabular specifications pertaining to wear limits, torquing, etc.</p> <p>John Deere Model 50 Gasoline, All Fuel and LP Tractor Condensed Technical Service Repair Shop Manual Ravenio Books Models 1250, 1450, 1650</p>	<p><u>John Deere 420 Tractor Parts Manual</u> Haynes Manuals N.
