**John Deere 127 Rotary
Cutter Operators Manual**

It's my first rotary mower, and
I'd like to review the manual.
Some of the zerks seem
impossible to get to, and I'd
like to see how the thing
comes apart, etc. I can't find a
pdf copy, and JD sells a paper
one for \$30 plus shipping. I
suppose I can probably get one
on eBay for a little less, but
that brings me to my two
questions:
