A collection of tried and tested, family favourite Australian recipes from the members of The Country Women's Association of Victoria Inc. The recipes gathered here come from the wonderful cooks of The Country Women's Association of Victoria Inc., some of whom would never have envisaged that their recipes would still be in such demand. The 185 tested and true recipes in this book have been shared countless times between friends and published as community cookbooks to raise funds for cash-strapped good causes. Food tastes may have changed and evolved, but these recipes stand the test of time - Tex Mex Fish with Crispy Potato Slices to feed a hungry family, Lamb, Lentil and Rosemary Soup to give as a gift to a neighbour who might need a helping hand, or Orange Poppyseed and Cardamon Biscuits to share with a friend with a strong cup of tea. There are recipes for breakfasts, morning teas, soups, salads, vegetarian dishes, main meals, jams, chutneys and preserves, updated with additional tips and hints to ensure success for the most inexperienced modern cook.

Around the world, parties of the left and center-left have been struggling, losing ground to right-wing parties and various forms of reactionary populism.

This book brings together a range of leading academics and experts on social democratic politics and policy to offer an international, comparative view of the changing political landscape. Using case studies from the United Kingdom, Germany, Spain, France, Australia and New Zealand contributors argue that despite different local and specific contexts, the mainstream center-left is beset by a range of common challenges. Analysis focuses on institutional and structural factors, the role of key individuals, and the atrophy of progressive ideas as interconnected reasons for the current struggles of the center-left.
