"These resolutions [of Jonathan Edwards], are, perhaps, to persons of every age, but especially to the young, the best uninspired summary of Christian duty, the best directory to high attainments in evangelical virtue, which the mind of man has hitherto been able to form," said S. E. Dwight. Cotton Mather thought to develop special rules for pride alone. Philip Doddridge was sensible that his heart had an inclination to depart from God. Brother Lawrence said "to establish ourselves in a

sense of God's presence by continually conversing with Him." Adoniram Judson said, "God grant me grace to keep the above rules, and ever live to his glory, for Jesus Christ's sake." The resolutions allow one to see examples of the life of holiness that the Spirit of God enables Christians to follow.

Jonathan Edwards, a Puritan pastor in Colonial America, is remembered for his theological works, his role in the Great Awakening, and his fiery sermons. But Edwards' chief characteristic was his passion for God's glory. That pursuit was guided by seventy resolutions that Edwards set to paper as a young man. In those resolutions, Edwards expressed steely determination combined with heartfelt reliance on divine grace to order his life in ways that were pleasing to God and fruitful for His kingdom on earth. In *The Unwavering Resolve of Jonathan Edwards*, Dr. Steven Lawson delves

into Edwards' writings to uncover the practical ways that Edwards sought to fulfill his resolutions. He then exhorts Christians of today to do likewise, living for God's glory with resolute passion. This book is part of the Long Line of Godly Men Profile series, edited by Dr. Steven Lawson.

"He was one of distinguished natural abilities, as all are sensible who had acquaintance with him. As a minister of the gospel, he was called to unusual services in that work; and his ministry was attended by very remarkable and unusual events ... He had a peculiar opportunity of acquaintance with the false appearances and counterfeits of religion; was the instrument of a most remarkable awakening ... In the following account, the reader will have an opportunity to see not only what were the external circumstances and remarkable incidents of the life of this person, and how he spent his time from day to day, as to his external behavior; but also what passed in his own heart."

--Jonathan Edwards David Brainerd, an early missionary to the American Indians in New York, New Jersey, and eastern Pennsylvania, died in 1747 at the age of twenty-nine at the home of his long-time friend and supporter, the eminent Puritan theologian and preacher Jonathan Edwards. It is thanks to Edwards' careful preservation and thoughtful editing of his friend's Diary and Journal that Brainerd has influenced Christians all over the world for over 250 years. As he labored in what was still the untamed American frontier to bring the

Gospel to the Indians, Brainerd faced many challenges, including depression, loneliness, and physical illness. Yet his genuine piety and single-minded devotion to God, both in heart and in practice, form a consistent backdrop to his turbulent inner world. This compilation offers a rare glimpse into the life of a man compelled by God to share His love with others in the most difficult of circumstances. Propelled by a desire for the sacred, spiritual seekers of the Middle Ages were masters of pilgrimage, dedicated to their journeys of religious devotion. Their epic voyages took them across continents

and treacherous mountain passages, and were undertaken with a keen awareness of the possible perils of the journey. Still, by faith, they went on pilgrimage in hopes of tracing the steps of Jesus in the holy city of Jerusalem. In 3000 Miles to Jesus Lisa Deam invites us to embrace the adventure of spiritual pilgrimage in our everyday lives. Bringing alive the rich stories of medieval pilgrims, she offers an intimate look at these quests for the sacred, helping us draw rich application for our walks of faith today. To take this road, we won't have to give up flushing toilets, warm beds, or cell phones. But we are invited to travel the rugged terrain of faith: journeying in risk and adventure through unfamiliar territory, across the unknown seas of the spiritual life, meeting life's difficult passages of loss, accompanied by the temptation to turn back even as we march on. In meeting challenges in the wise company of the ancient pilgrims, we learn hope and resolve as we walk a wild and wonderful way to a city that shimmers beyond a horizon we cannot yet see. We are headed for the Jerusalem of our hearts. When we understand the risks taken and the courage and conviction

driving the medieval pilgrim, a bigger picture of a lifelong journey of faith comes into view. We are opened up to the sacred world before us in new and unexpected ways.

Hello Mornings Crossway

"Useful men are some of the greatest blessings of a people. To have many such is more for a people's happiness than almost anything, unless it be God's own gracious, spiritual presence amongst them; they are precious gifts of heaven." Certainly one of the most useful men in evangelical history was the man who preached those words, pastor and theologian Jonathan Edwards. Commemorating his 300th birthday, general editors John Piper and Justin Taylor chose ten essays that highlight different aspects of Edwards's

life and legacy and show how his teachings are just as relevant today as they were three centuries ago. Even within the church, many people know little more about Edwards than what is printed in American history textbooks--most often, excerpts from his best-known sermon, "Sinners in the Hands of an Angry God." They unjustly envision Edwards preaching only fire and brimstone to frightened listeners. But he knew and preached God's heaven as much as Satan's hell. He was a humble and joyful servant, striving to glorify God in his personal life and public ministry. This book's contributors investigate the character and teachings of the man who preached from a deep concern for the unsaved and a passionate desire for God. Studying the life and works of this dynamic Great Awakening figure will rouse slumbering Christians, prompting them to view the world through Edwards's God-centered lens. The Bible has a way of shocking us. If Americans could still blush, we might blush at the words, "Rejoice in the wife of your youth, a lovely deer, a graceful doe. Let her breasts fill you at all times with delight; be intoxicated always in her love" (Proverbs 5:18-19). But, of course, sin always tries to trash God's gifts. So we can't just celebrate sex for what God made it to be; we have to fight what sin turned it into. The contributors to this unique volume encourage you to do both: celebrate and struggle. This book has something for all-men and women, married and single-from contributors like John Piper, C. J. and Carolyn Mahaney, Mark Dever, Al Mohler, Carolyn McCulley, and others.
