A brave teen recounts her debilitating struggle with obsessive-compulsive disorder—and brings readers through every painful step as she finds her way to the other side—in this powerful and inspiring memoir. Until sophomore year of high school, fifteen-year-old Allison Britz lived a comfortable life in an idyllic town. She was a dedicated student with tons of extracurricular activities, friends, and loving parents at home. But after awakening from a vivid nightmare in which

she was diagnosed with brain cancer, she was convinced the dream had been a warning. Allison believed that she must do something to stop the cancer in her dream from becoming a reality. It started with avoiding sidewalk cracks and quickly grew to counting steps as loudly as possible. Over the following weeks, her brain listed more dangers and fixes. She had to avoid hair dryers, calculators, cell phones, computers, anything green, bananas, oatmeal, and most of her own clothing. Unable to act “normal,” the once-popular Allison became an outcast. Her parents questioned her behavior, leading to explosive fights. When notebook paper, pencils, and most schoolbooks were declared dangerous to her health, her GPA imploded, along with her plans for the future. Finally, she allowed herself to ask for help and was diagnosed with obsessive-compulsive disorder. This brave memoir tracks Allison’s descent and ultimately hopeful climb out of the depths.

Collects all the brief Archer fiction: the stories from Macdonald's 1955 paperback-original "The Name Is Archer," the additional tales included in the Otto Penzler-edited 1977 volume "Lew Archer: Private Investigator," and the three then-unknown novellas presented in Crippen & Landru's 2001 book "Strangers in Town." Also included are several lengthy, never-before-published fragments of unfinished Macdonald stories: case notes, as it were, from the files of Lew Archer. Edited by Macdonald biographer Tom Nolan and prefaced with Nolan's biographical sketch of Lew Archer himself -- the character Eudora Welty described as "a champion" and "a distinguished creation ... As a detective and as a man he takes the human situation with full seriousness.

Peyton Stratford is her family ' s unofficial keeper of all things secret, from the petty and mundane to the potentially life-changing. But Peyton is keeping a secret of her own. And it ' s a doozy. Pastor Brice Northam is used to hearing secrets. After all, it ' s part of his job description. But he ' s about to hear one that ' s going to challenge him almost as much as his feelings for the person confessing. Peyton needs some serious help from Brice, but how much does she dare tell him? And what, exactly, is Brice hiding from Peyton—and himself? Clearly they both have some serious soul-searching to do. But maybe, just maybe, the answer to secrets isn ' t silence. Or more secrets. Maybe it ' s love. \* \* \* Note: While the Secret Keeper series does feature some characters who are Christian (the hero is a pastor, so that ' s a dead giveaway), it is not a Christian romance in the traditional sense, and some characters find themselves in adult situations and using strong language. Not that the pastor approves! But he ' s fallen in love with a complex, modern woman whose life is anything

but predictable. If you think you could too, then dive in. Bring your sense of humor and your compassion, and then hold on for the emotional ride of your life!

Part coming of age, part call to action, this fast-paced #ownvoices novel about a Deaf teenager is a unique and inspiring exploration of what it means to belong. Smart, artistic, and independent, sixteen year old Piper is tired of trying to conform. Her mom wants her to be “ normal, ” to pass as hearing, to get a good job. But in a time of food scarcity, environmental collapse, and political corruption, Piper has other things on her mind—like survival. Piper has always been told that she needs to compensate for her Deafness in a world made for those who can hear. But when she meets Marley, a new world opens up—one where Deafness is something to celebrate, and where resilience means taking action, building a com-munity, and believing in something better. Published to rave reviews as Future Girl in Australia (Allen & Unwin, Sept. 2020), this empowering, unforgettable story is told through a visual extravaganza of text, paint, collage, and drawings. Set in an ominously prescient near future, The Words in My Hands is very much a novel for our turbulent times.

THE INSTANT #1 NEW YORK TIMES BESTSELLER “ Sparkling with mystery, humor and the uncanny, this is a fun read. But beneath its effervescent tone, more complex themes are at play. ” —San Francisco Chronicle In his wildly entertaining debut novel, Hank Green—cocreator of *Crash Course*, *Vlogbrothers*, and *SciShow*—spins a sweeping, cinematic tale about a young woman who becomes an overnight celebrity before realizing she's part of something bigger, and stranger, than anyone could have possibly imagined. The Carls just appeared. Roaming through New York City at three a.m., twenty-three-year-old April May stumbles across a giant sculpture. Delighted by its appearance and craftsmanship—like a ten-foot-tall Transformer wearing a suit of samurai armor—April and her best friend, Andy, make a video with it, which Andy uploads to YouTube. The next day, April wakes up to a viral video and a new life. News quickly spreads that there are Carls in dozens of cities around the world—from Beijing to Buenos Aires—and April, as their first documentarian, finds herself at the center of an intense international media spotlight. Seizing the opportunity to make her mark on the world, April now has to deal with the consequences her new particular brand of fame has on her relationships, her safety, and her own identity. And all eyes are on April to figure out not just what the Carls are, but what they want from us. Compulsively entertaining and powerfully relevant, *An Absolutely Remarkable Thing* grapples with big themes, including how the social internet is changing fame, rhetoric, and radicalization; how our culture deals with fear and uncertainty; and how vilification and adoration spring for the same dehumanization that follows a life in the public eye. The beginning of an exciting fiction career, *An Absolutely Remarkable*
