Developer Network™ There is always a great deal of Joomla! development activity underway and communicating

with other developers in the community is essential. This site is a resource for anyone looking to build or maintain software based on the Joomla! platform.

Joomla! Developer Manual in Apple Books This manual also serves as a lighthouse to the Joomla developer community, to safely guide developers around the pitfalls of becoming lackadaisical with respect to writing clean, beautiful code. The Joomla Coding Standards

borrow heavily from the PEAR coding standard for PHP files, augmenting and diverging where it is deemed sensible to do so.
