The Writer's Journey New World Library

The Writer's Journey is an insider's guide to how master storytellers from Hitchcock to Spielberg have used mythic structure to create powerful stories. This new edition includes analyses of latest releases such as *The Full Monty*, *Myths of Light* Macmillan

"An Eternal Family narrowly escape one disaster after another, from ancient times to the present. Meet George and Maggie Antrobus (married only 5,000 years); their two children, Gladys and Henry (perfect in every way!); and their maid, Sabina (the ageless vamp) as they overcome ice, flood, and war -- by the skin of their teeth."--Amazon

The Hero's Journey Simon and Schuster

A study of heroism in the myths of the world - an exploration of all the elements common to the great stories that have helped people make sense of their lives from the earliest times. It takes in Greek Apollo, Maori and Jewish rites, the Buddha, Wotan, and the bothers Grimm's Frog-King.

*Myths to Live by* Anchor

An engaging introduction to the world of Joseph Campbell through conversations on the meaning and power of myth, recorded shortly before Campbell's death in 1987. This beautiful miniature edition covers a wide range of topics, such as the differences between Eastern and Western beliefs about God and nature and what myth teaches us about the stages of life.

*The Dance Over Fire and Water* Shambhala Publications

"An Atlantic senior editor presents an investigation into the lucrative quality of popularity in the 21st century to share economic insights into what makes ideas, productions and products successful,"--Novelist.

*The Mythic Imagination* New World Library

"I have a theory about the Hero's Journey. We all have one. We have many, in fact. But our primary hero's journey is the passage we live out, in real life, before we find our calling. The hero's journey ends when, like Odysseus, we return home to Ithaca, to the place from which we started. What then? The passage that comes next is The Artist's Journey. On our artist's journey, we move past Resistance and past self-sabotage. We discover our true selves and our authentic calling, and we produce the works we were born to create. You are an artist too-whether you realize it or not, whether you like it or not-and you have an artist's journey. Will you live it out? Will you follow your Muse and do the work you were born to do? Ready or not, you are called."--Back cover.

*A Skeleton Key to Finnegans Wake* Univ of California Press

Thou Art That is a compilation of previously uncollected essays and lectures by Joseph Campbell that focus on the Judeo-Christian tradition. Campbell explores common religious symbols, reexamining and reinterpreting them in the context of his remarkable knowledge of world mythology. Campbell believed that society often confuses the literal and metaphorical interpretations of religious stories and symbols. In this collection, he eloquently reestablishes these symbols as a means to enhance spiritual understanding and mystical revelation. With characteristic verve, he ranges from rich storytelling to insightful comparative scholarship. Included is editor Eugene Kennedy's classic interview with Campbell in the New York Times Magazine, which originally brought the scholar to the attention of the public.

*Thou Art That* ReadHowYouWant.com

NATIONAL BESTSELLER • An extraordinary book that reveals how the themes and symbols of ancient narratives continue to bring meaning to birth, death, love, and war. The Power of Myth launched an extraordinary resurgence of interest in Joseph Campbell and his work. A preeminent scholar, writer, and teacher, he has had a profound influence on millions of people—including Star Wars creator George Lucas. To Campbell, mythology was the "song of the universe, the music of the spheres." With Bill Moyers, one of America's most prominent journalists, as his thoughtful and engaging interviewer, *The Power of Myth* touches on subjects from modern marriage to virgin births, from Jesus to John Lennon, offering a brilliant combination of intelligence and wit. From stories of the gods and goddesses of ancient Greece and Rome to

traditions of Buddhism, Hinduism and Christianity, a broad array of themes are considered that together identify the universality of human experience across time and culture. An impeccable match of interviewer and subject, a timeless distillation of Campbell's work, *The Power of Myth* continues to exert a profound influence on our culture.

*Pathways to Bliss* Penguin

Segal's "precise reading of Campbell's texts and his careful analysis of the theoretical superstructure will be indispensable to future studies."-Religion.

*The Skin of Our Teeth* Tarcher

Rediscover—or discover for the first time—the things that make you passionate in life *Vital Signs* is about what inspires passion and what defeats it. How we lose it and how we get it back. And ultimately it's about the endless yet endlessly fruitful tug-of-war between freedom and domestication, the wild in us and the tame, our natural selves and our conditioned selves. Each chapter in *Vital Signs* will contain a core sample, an intimate biography of one of the strategies we employ to gain or regain our passion. The book also affirms the importance of courageous inquiry into dispassion—where we're numb, depressed, stuck, bored—so the reader can recognize and change these tendencies in themselves.

*Goddesses* New World Library

In *The Anatomy of a Calling*, Lissa Rankin, MD, makes a simple yet revolutionary claim: We are all, every single one of us, heroes. We are all on what Joseph Campbell calls "a hero's journey;" we are all on a mission to step into our true nature and fulfill the assignment our souls were sent to Earth to fulfill. Navigating the hero's journey, Dr. Rankin argues, is one of the cornerstones of living a meaningful, authentic, healthy life. In clear, engaging prose, Dr. Rankin describes her entire spiritual journey for the first time--beginning with what she calls her "perfect storm" of events--and recounts the many transformative experiences that led to a profound awakening of her soul. Through her father's death, her daughter's birth, career victories and failures, and an ongoing struggle to identify as both a doctor and a healer, Dr. Rankin discovers a powerful self-awareness. As she shares her story, she encourages you to find out where you are on your own journey and offers wisdom and inspiration in the form of "Hero's Guideposts" along the way. Dr. Rankin weaves in lessons on trusting intuition, surrendering to love, and learning to see adversity as an opportunity for soul growth. Much more than a memoir, *The Anatomy of a Calling* guides you to make a powerful shift in consciousness and reach your highest destiny.

*Hit Makers* Harper Perennial

Since its publication in 1939, countless would-be readers of "Finnegans Wake" - James Joyce's masterwork, which consumed a third of his life - have given up after a few pages, dismissing it as a "perverse triumph of the unintelligible." In 1944, a young professor of mythology and literature named Joseph Campbell, working with Henry Morton Robinson, wrote the first "key" or guide to entering the fascinating, disturbing, marvelously rich world of "Finnegans Wake." The authors break down Joyce's "unintelligible" book page by page, stripping the text of much of its obscurity and serving up thoughtful interpretations via footnotes and bracketed commentary. They outline the book's basic action, and then simplify -- and clarify -- its complex web of images and allusions. "A Skeleton Key to Finnegans Wake" is the latest addition to the "Collected Works of Joseph Campbell" series.

*Joseph Campbell: A Fire in the Mind* Univ of California Press

SuperSummary, a modern alternative to SparkNotes and CliffsNotes, offers high-quality study guides for challenging works of literature. This 116-page guide for "The Hero With A Thousand Faces" by Joseph Campbell includes detailed chapter summaries and analysis covering 8 chapters, as well as several more in-depth sections of expert-written literary analysis. Featured content includes commentary on major characters, 25 important quotes, essay topics, and key themes like Myth and the Unconscious and The Enlightened Hero and the Oneness of All Things.

1995 Plume

Joseph Campbell brought mythology to a mass audience. His bestselling books, including *The Power of Myth* and *The Hero with a Thousand Faces*, are the rare blockbusters that are also scholarly classics. While Campbell's work reached wide and deep as he covered the world's great mythological traditions, he never wrote a book on goddesses in world mythology. He did, however, have much to say on the subject. Between 1972 and 1986 he gave over twenty lectures and workshops on goddesses, exploring the figures, functions, symbols, and themes of the feminine divine, following them through their transformations across cultures and epochs. In this provocative volume, editor Safron Rossia goddess studies scholar, professor of mythology, and curator of collections at Opus Archives, which holds the Joseph Campbell archival manuscript collection and personal library collects these

lectures for the first time. In them, Campbell traces the evolution of the feminine divine from one Great Goddess to many, from Neolithic Old Europe to the Renaissance. He sheds new light on classical motifs and reveals how the feminine divine symbolizes the archetypal energies of transformation, initiation, and inspiration."

*The Hero with a Thousand Faces* New World Library

The fascinating biography that illuminates the man whose work changed modern culture • Gives a complete biographical view of Campbell's life and a personal perspective of who he was through the voices of his friends and colleagues • Written by two of Campbell's preeminent students with exclusive access to his notes and journals Joseph Campbell forged an approach to the study of myth and legend that made ancient traditions and beliefs immediate, relevant, and universal. His teachings and literary works, including *The Masks of God*, have shown that beneath the apparent themes of world mythology lie patterns that reveal the ways in which we all may encounter the great mysteries of existence: birth, growth, soul development, and death. Biographers Stephen and Robin Larsen, students and friends of Campbell for more than 20 years, weave a rich tapestry of stories and insights that catalogue both his personal and public triumphs.

*Awakening the Soul* Penguin

A hinge moment in recent American history, 1995 was an exceptional year. Drawing on interviews, oral histories, memoirs, archival collections, and news reports, W. Joseph Campbell presents a vivid, detail-rich portrait of those memorable twelve months. This book offers fresh interpretations of the decisive moments of 1995, including the emergence of the Internet and the World Wide Web in mainstream American life; the bombing at Oklahoma City, the deadliest attack of domestic terrorism in U.S. history; the sensational "Trial of the Century," at which O.J. Simpson faced charges of double murder; the U.S.-brokered negotiations at Dayton, Ohio, which ended the Bosnian War, Europe's most vicious conflict since the Nazi era; and the first encounters at the White House between Bill Clinton and Monica Lewinsky, a liaison that culminated in a stunning scandal and the spectacle of the president's impeachment and trial. As Campbell demonstrates in this absorbing chronicle, 1995 was a year of extraordinary events, a watershed at the turn of the millennium. The effects of that pivotal year reverberate still, marking the close of one century and the dawning of another.

*The Anatomy of a Calling* Simon and Schuster

This is the perspective and discipline that brings the human spirit into contact with the realms of the divine through the use of myth, experiential exercises and rituals.

Joseph Campbell Samuel French, Inc.

Joseph Campbell, arguably the greatest mythologist of our time, was certainly one of our greatest storytellers.

*The Search for the Beloved* Abrams

Joseph Campbell famously defined myth as "other people's religion." But he also said that one of the basic functions of myth is to help each individual through the journey of life, providing a sort of travel guide or map to reach fulfillment - or, as he called it, bliss. For Campbell, many of the world's most powerful myths support the individual's heroic path toward bliss. In *Pathways to Bliss*, Campbell examines this personal, psychological side of myth. Like his classic bestselling books *Myths to Live By* and *The Power of Myth*, *Pathways to Bliss* draws from Campbell's popular lectures and dialogues, which highlight his remarkable storytelling and ability to apply the larger themes of world mythology to personal growth and the quest for transformation. Here he anchors mythology's symbolic wisdom to the individual, applying the most poetic mythical metaphors to the challenges of our daily lives. Campbell dwells on life's important questions. Combining cross-cultural stories with the teachings of modern psychology, he examines the ways in which our myths shape and enrich our lives. He explores the many insights of Carl Jung; the notion of self as the hero; and how East and West differ in their approaches to the ego. The book also includes an extensive question-and-answer session that ranges from mythological readings of the Bible to how the Hero's Journey unfolds for women. With his usual wit and insight, Campbell draws connections

---

between ancient symbols and modern art, schizophrenia and the Hero's Journey. Along the way, he shows how myth can help each of us truly identify and follow our bliss.
