## **Book Reviews – The Florida Bar**

The aim of book reviews that journals publish is to provide insight and opinion on recently published scholarly books. Thus, if the book review that you have written is about an academic book, you should be able to

get it published in a journal. Book reviews are a good publication option for early-career researchers as it allows the researcher to stay abreast of new literature in the field, while at the same time, adding to his/her publication list.

*How to Review a Journal Article: 13 Steps (with Pictures)*

Book reviews are required to be between 750-1500 words. If the book falls outside the field of Educational Policy, explain how its content is useful to the audience of this journal. Other pertinent information that the reviewer deems necessary in the review. In-text citations follow current APA guidelines.

*School Library Journal*

BOOK REVIEWS The Journal of Politics publishes book reviews, thematic reviews of multiple books, and review essays on major books across subfields in Political Science. Book reviews are published online, with a list of books reviewed and review authors appearing in the Table of Contents, along with a link to the reviews, of the printed issue.
