Ecology reflects an intimate individual/environment co?determination. During organismal ageing, the cellular environment, extracellular matrix and other cells, also changes. When cell's environmental conditions shift towards aged conditions, multicellularity is locally eroded, writing a new social contract for cells coexistence.

Writing journal | Etsy

For students doing their thesis work, they would usually turn to scholarly journals that would normally contain articles and/or studies containing relevant source material that could aid them with their study or dissertation. The second definition of a journal would be a daily record of news and events of a personal nature, aka a diary.

34 Journal Prompts & Ideas to Unlock Your Writing Creativity

A journal entry doesn't have to be three pages long. It can be a few words that describe what happened, a few sentences about the highlight of your day, or it can be a short description of an event from your day, where you describe details to help you remember what happened. Like, what time of day was it? What sound do you remember?
