366 Days of Writing and Reflection on the Art of Living CRDG

Wear just 33 items for 3 months and get back all the JOY you were missing while you were worrying what to wear. In Project 333, minimalist expert and author of Soulful Simplicity Courtney Carver takes a new approach to living simply--starting with your wardrobe. Project 333 promises that not only can you survive with just 33 items in your closet for 3 months, but you'll thrive just like the thousands of woman who have taken on the challenge and never looked back. Let the de-cluttering begin! Ever ask yourself how many of the items in your closet you actually wear? In search of a way to pare down on her expensive shopping habit, consistent lack of satisfaction with her purchases, and ever-growing closet, Carver created Project 333. In this book, she guides readers through their closets item-by-item, sifting through all the emotional baggage associated with those oh-so strappy high-heel sandals that cost a fortune but destroy your feet every time you walk more than a few steps to that extensive collection of never-worn little black dresses, to locate the items that actually look and feel like you. As Carver reveals in this book, once we finally release ourselves from the cyclical nature of consumerism

and focus less on our shoes and more on our self-care, we not only look great we feel great-- and we can see a clear path to make other important changes in our lives that reach far beyond our closets. With tips, solutions, and a closet-full of inspiration, this life-changing minimalist manual shows readers that we are so much more than what we wear, and that who we are and what we have is so much more than enough.

What if there are people, just like some flowers, who require the dark to bloom? When we are plunged into the dark and difficult times in life, one of three things can happen next: the darkness can destroy us; it can leave us relatively unchanged; or it can help to transform us. In this hope-inspiring guide, clinical psychologist, Michelle Pearce, PhD, provides practical tools and wisdom for transforming and thriving in adversity and loss. Just as some flowers require the dark to bloom, there are some people who do their best growing and becoming during dark and challenging times. With a compassionate voice, Pearce shares her clinical expertise, her own journey through the dark, and inspiring stories of other Night Bloomers to help individuals learn how to heal and transform their lives not in spite of their difficult times, but because of them. "Reading Night Bloomers is like having a dear friend right alongside you for support when most needed. Through stories, strategies, and writing prompts, Pearce provides powerful tools for building resilience, confidence, and joy. She reminds us that like plants, we don't bloom just once, as she gently, masterfully paves a path for us to enjoy a lifetime of growing and blossoming. A 'must-read' for anyone seeking some light in the darkness." --Caroline Welch, CEO and cofounder of the Mindsight Institute and author of The Gift of Presence "A gem of a book! Michelle Pearce has written an enlightening guide for anyone trying to find the path through a dark time in life. Through the wisdom gleaned from psychological research and practice and the lessons learned from her own personal encounter with pain and

loss, Pearce points the way to growth and transformation when hope is in short supply. Down-to-earth, compassionate, and inspirational, Night Bloomers should be on everyone's bookshelf." --Kenneth I. Pargament, Ph. D. author of Spiritually Integrated Psychotherapy "Dr. Pearce's Night Bloomers is an essential guide on how to shift your perspective to find meaning in the mess that accompanies the crises in our lives. Filled with practical wisdom and easy to follow exercises, this book is sure to serve as a roadmap through and out of the darkness for all who find themselves on the journey of transformation." --Michelle Bailey, MD, author of Parenting Your Stressed Child "Michelle Pearce, Ph.D. is uniquely qualified to teach readers how to thrive in the face of grief in a way that captivates and illuminates. Night Bloomers is a therapeutic tool for healing based upon the transformative power of rewriting our stories of loss. Night Bloomers inspires readers to use sorrow as the soil in which to grow something beautiful." --Laura J. Oliver, author of The Story Within "In Night Bloomers, Dr. Pearce offers a very practical, evidence based, journaling approach to productively cope with the challenges of adversity. She uses her own personal adversity story and professional experiences as a psychologist to clearly outline steps and strategies to transform difficulties into transformation towards healing and resilience. A must read for many trying to find a way out of the dark night of the soul and into some much needed light." --Thomas G. Plante, Ph.D., ABPP, Professor and Director, Applied Spirituality Institute, Santa Clara University "Deeply insightful, heartfelt, practical, and wise. Night Bloomers is an indispensable resource for anyone who needs healing. Pearce does an eloquent and powerful job shifting our perspective on adversity and equipping us with the necessary tools to bloom in the dark. Anyone who has been through loss, grief, or times of adversity—or loves people who have—needs to read this book." --Harold G. Koenig, M.D., Professor of Psychiatry & Behavioral Sciences, Duke University Medical Center, Durham, North Carolina "Night Bloomers shows how an intentional change in perspective and use of expressive writing exercises can bring hope and light, not at the end, but right in the middle of a dark tunnel. Night Bloomers is a sorely needed bright spot showing us the way to a happier, more hopeful life ahead. --Holly G. Prigerson, PhD, Professor of Sociology in Medicine and Director, Cornell Center for Research on End-of-Life Care, Weill Cornell Medicine "Reading Night Bloomers is like having tea with your wisest, most loving friend who asks you tough questions with love and makes you think more deeply about every difficult experience. From celebrating failures on purpose to knowing when to stop looking for more growth and just move on, this book is the perfect companion to shed wisdom and light on those dark nights of the soul." --Maggie Reyes, host of The Marriage Life Coach Podcast and author of The

Questions for Couples Journal "A masterful guide for those wrestling with difficult situations. Not only does Dr. Pearce talk the talk, she has walked the walk. Her sincerity and deep knowledge of the topic are evident in every chapter. Her techniques allow you to change the lens when viewing your situation and gives you tools so you can 'bloom'." --Mary Lynn McPherson, PharmD, MA, MDE, BCPS, CPE, Professor and Executive Director, Advanced Post-Graduate Education in Palliative Care, Department of Pharmacy Practice and Science, University of Maryland School of Pharmacy

From the team that brought you *The Obstacle Is the Way* and *Ego Is the Enemy*, a beautiful daily devotional of Stoic meditations—an instant Wall Street Journal and USA Today Bestseller. Why have history's greatest minds—from George Washington to Frederick the Great to Ralph Waldo Emerson, along with today's top performers from Super Bowl-winning football coaches to CEOs and celebrities—embraced the wisdom of the ancient Stoics? Because they realize that the most valuable wisdom is timeless and that philosophy is for living a better life, not a classroom exercise. The *Daily Stoic* offers 366 days of Stoic insights and exercises, featuring all-new translations from the Emperor Marcus Aurelius, the playwright Seneca, or slave-turned-philosopher Epictetus, as well as lesser-known luminaries like Zeno, Cleanthes, and Musonius Rufus. Every day of the year you'll find one of their pithy, powerful quotations, as well as historical anecdotes, provocative commentary, and a helpful glossary of Greek terms. By following these teachings over the course of a year (and, indeed, for years to come) you'll find the serenity, self-knowledge, and resilience you need to live well. *Camping Diary: RV Camping Journal, Perfect Camping Gift for Campers with 150 Pages of Writing Prompts, Camp Log, (Camping Accessories, Camping Gear, Traveler's Journal)* Night Camping Cover Createspace Independent Publishing Platform

A Month of Gratitude Teacher Created Resources Journaling is basically the act of recording your thoughts and feelings by jotting them down on a daily basis. This art has been around for hundreds of years now, and has been used by most people as a means to relieve stress and express themselves. One of the most popular journals is that one by Samuel Pepys, a naval administrator in the 1600's who made it a point to write down what happened in his lifetime—from his personal feelings, to important events that not only affected him, but affected the world, as well. These events include the Anglo-Dutch War, the Restoration of the English Monarchy, and even the Great Fire and the Great Plague of London. Now, a library in Cambridge is named after him.
